

is what this motion to recommit will do.

Mr. Speaker, I strongly urge my colleagues to support this motion to recommit, and I yield back the balance of my time.

Mr. SHUSTER. Mr. Chairman, I claim the time in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from Pennsylvania is recognized for 5 minutes.

Mr. SHUSTER. Mr. Speaker, I oppose the motion to recommit. This bill, H.R. 8, has many benefits to all 50 States and the territories, including Puerto Rico. It was put together in a bipartisan manner. We just here today adopted over 50 amendments in a bipartisan manner.

This bill asserts congressional authority and continues regular order of the Corps of Engineers in authorizing these programs. It is fiscally responsible. We fully offset new projects. Finally, it keeps American jobs by strengthening our competitiveness ensuring that our transportation system remains attractive to private-sector jobs, so I oppose the motion to recommit.

This being my last WRDA bill that I will ever be able to shepherd through the House, I am proud to be here. Hopefully we are going to have a conference report in the near future to be able to pass that on the House floor, but I can tell you, Mr. Speaker, I am very, very proud of my term as chairman. One of the accomplishments I am most proud of is getting WRDA back on regular order, every Congress authorizing these important programs so that the Corps can move forward and the American people can benefit by these programs.

Again, I want to, first off, thank my Democratic colleagues and the Democratic staff on the other side of the aisle for their work, working together closely on this bill. Of course, I couldn't get this done without my dedicated staff who have worked so tirelessly, not only on this bill but over the past 5 years, and I thank them from the bottom of my heart.

Mr. Speaker, a personal point of order that I would like to take is that in 2016 when we passed the WRDA bill, September 28, 2016, I woke up that morning and found out that my mother had passed away. But I could hear her voice in my head saying: Go to work. Do your job.

We came to work that day, and we were able to pass the WRDA bill in 2016. I was so proud that, as always, she was on my shoulder. This morning I woke up and didn't think about the date until I realized today, June 6, is my mother's birthday. It would have been her birthday. So, again, my mother who was always my greatest supporter and my greatest cheerleader was here again with me today. I can hear her voice telling me: Make sure you do your work.

Our family chain is broken, and nothing seems to be the same. But as God

calls one by one, that chain will link again. And today, as strong as ever, that link with my mother is with me. I want to thank my mother. I know she is watching down. Patricia Shuster, as always, is sitting on my shoulder, rooting me on to victory. So, again, today I am very, very proud of the WRDA bill. I am proud we are doing it on June 6, my mother's birthday.

Again, I thank everybody on both sides of the aisle for their efforts. Again, I oppose the motion to recommit and urge all my colleagues to support H.R. 8, the Water Resources Development Act of 2018.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.
