

country searching and hoping to fulfill the American Dream. Many immigrants risk their lives fleeing their countries plagued with violence. It is repugnant that the Trump Administration continues to torment such vulnerable individuals, particularly toddlers, in such an atrocious manner.

As the world's leading democracy, we should strive to protect human rights, regardless of one's citizenship or place of origin. Our nation's child welfare laws have long recognized family unity as an essential human right. As such, I joined with Homeland Security Committee Ranking Member BENNIE THOMPSON to demand information Customs and Border Protection and the Department of Health and Human Services about the Administration's de facto policy of separating families at the border. We need answers and every single day that passes, more families face the risk of being separated from their loved one.

I urge my colleagues to join me in seeking answers from this Administration. We cannot let these voices go unheard. These children are suffering and are in desperate need of our support.

Mr. CORREA. Mr. Speaker, I yield back the balance of my time.
