

might still be available through Tribal housing authorities should an eligible nonprofit not be available.

Because some of the Tribal areas are located in very remote areas, the nonprofit entities envisioned under this demonstration program may not have the capacity to reach onto those reservations. This amendment provides remote Tribal communities an avenue for providing transitional housing to persons recovering from addiction when such nonprofit participation could be low. This amendment ensures that Tribal communities are not disadvantaged by a lack of nonprofit access so that they have an adequate voucher dispersion entity to community individuals in need of transitional housing as they recover from addiction.

I reserve the balance of my time, Mr. Chairman.

Ms. MOORE. Mr. Chairman, I have absolutely no doubt at all about the gentleman's commitment and his sincerity to solve the problem of housing challenges for those who are addicted.

I would just note that my own experience in my community is similar to the gentlewoman from California. We have seen people be on the waiting list for 10 years to get in housing. If we appear to be skeptical about there being enough housing resources, it is only because of that experience where we have seen people on the wait list for 10 years.

Mr. Chairman, again, I thank the gentleman for his consideration, and I yield back the balance of my time.

Mr. BARR. Mr. Chairman, in conclusion, I accept and support the gentlewoman's amendment.

I will just remind all Members, and especially Members who might be considering whether or not they want to vote for the legislation, if you are concerned about additional appropriations, the proper channel is to request that from the appropriators. Any Member of Congress considering voting on this legislation can sign this bipartisan letter to the appropriators asking for additional financial support for this demonstration project. But it is not a reason to not vote "yes."

Mr. Chairman, I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentlewoman from Wisconsin (Ms. MOORE). The amendment was agreed to.

AMENDMENT NO. 4 OFFERED BY MR. BIGGS

The Acting CHAIR. It is now in order to consider amendment No. 4 printed in part B of House Report 115-751.

Mr. BIGGS. Mr. Chairman, I have an amendment at the desk.

The Acting CHAIR. The Clerk will designate the amendment.

The text of the amendment is as follows:

Page 8, strike " , that includes" in line 6 and all that follows through "such assistance" in line 10.

The Acting CHAIR. Pursuant to House Resolution 934, the gentleman

from Arizona (Mr. BIGGS) and a Member opposed each will control 5 minutes.

The Chair recognizes the gentleman from Arizona.

Mr. BIGGS. Mr. Chairman, I yield myself such time as I may consume.

First of all, I commend Chairman HENSARLING and the gentleman from Kentucky for their thoughtful efforts on this bill to put together a pilot program that is designed to help people who suffer this opioid addiction. I am grateful to them for their thoughtful efforts.

My amendment simply narrows the reporting requirements that are imposed on the Secretary. This does not proscribe or necessarily limit the parameters of the report, but it prevents unnecessary prognostication on the part of the Secretary, which I believe will allow for an accurate and valuable assessment at the conclusion of the pilot program's testing period.

Mr. Chairman, I reserve the balance of my time.

Mr. HENSARLING. Mr. Chairman, I ask unanimous consent to claim the time in opposition, although I am not opposed.

The Acting CHAIR. Is there objection to the request of the gentleman from Texas?

There was no objection.

The Acting CHAIR. The gentleman from Texas is recognized for 5 minutes.

Mr. HENSARLING. Mr. Chairman, I want to thank the gentleman for coming and offering this very simple amendment. I thank him for his kind words for the gentleman from Kentucky, who has been an outstanding leader in this effort.

The amendment will simply allow Congress to work its will on the report from the Secretary and allow us to have our own full analysis. I think it is a helpful amendment. I would urge its adoption.

Finally, I would just echo what my friend from Kentucky, the leader of this effort, has said. We are an authorizing committee, not an appropriating committee under the rules of the House, and we authorize programs based upon priorities.

We do demonstration projects all the time, and if there were ever a worthy one that should be considered by this body in the midst of, again, a legitimate crisis on opioid addiction, it ought to be this program.

We have had several amendments that have been agreed to by the majority. I think all have probably improved the underlying legislation. But again, this is something that should have been on the suspension calendar. I don't understand why we have to take so much floor time on this. I don't understand the argument that, if you can't help everybody, then don't help anybody. I don't understand the argument that, since you are not an appropriating committee, then don't authorize the help. I simply don't understand that.

Again, we have the opportunity in this Congress, on this floor, at this moment to make a difference, a huge difference, in the road to recovery for thousands of opioid addicts who are trying to get their lives back together. If we believe in their hope and if we believe in their cause, then we should support the THRIVE Act of the gentleman from Kentucky.

Mr. Chairman, I certainly support the amendment from the gentleman from Arizona, and I yield back the balance of my time.

Mr. BIGGS. Mr. Chairman, I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Arizona (Mr. BIGGS).

The amendment was agreed to.

The Acting CHAIR (Mr. BIGGS). The question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The Acting CHAIR. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. PAULSEN) having assumed the chair, Mr. BIGGS, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 5735) to amend the United States Housing Act of 1937 to establish a demonstration program to set aside section 8 housing vouchers for supportive and transitional housing for individuals recovering from opioid use disorders or other substance use disorders, and for other purposes, and, pursuant to House Resolution 934, he reported the bill back to the House with an amendment adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment to the amendment reported from the Committee of the Whole?

If not, the question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. The question is on the passage of the bill.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. HENSARLING. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair

declares the House in recess subject to the call of the Chair.

Accordingly (at 2 o'clock and 45 minutes p.m.), the House stood in recess.
