

Washington State Department of Health, from 2012 to 2016, almost 300 people in my Fourth Congressional District died from an opioid-related death. These alarming statistics demonstrate the desperate need for the 35 bills we passed this week in regard to this crisis.

I recently hosted an opioid summit in my district where I heard from constituents, Federal officials, law enforcement, and health professionals about the impacts this epidemic has in central Washington. One constituent bravely shared the story of her son, Eli.

Eli was exposed to opioids in high school. He struggled with recovery, and despite support from his family, it was difficult to find help. His addiction did not let him live out his full potential, and he ultimately passed away in 2014 at the age of 22 years old.

Unfortunately, there are many more stories like Eli's. We must put an end to this epidemic which is why I am proud to support the important legislation Congress is working on. By improving access to treatment, prevention practices, and law enforcement, we are saving lives.

DACA

(Mr. HOYER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HOYER. Mr. Speaker, normally at this time the majority leader and I do a colloquy. We do a colloquy to discuss the schedule for the week to come. My suspicion is they don't know what the schedule is for the week to come because they were going to offer two immigration bills to undermine the proposal that so many have made to have four alternatives on DACA available for the people's House to speak for the people.

We are noting today 6 years since President Obama put into place protection for DACA protectees. Mr. Speaker, 86 percent of the American people support doing just that, and the President asked this House to act. Mr. AGUILAR and Mr. HURD in a bipartisan way—everybody says to the public: Yes, we want to work in a bipartisan way—well, the majority had the opportunity to do it, and they have retreated from that responsibility and that assertion.

I lament the fact that we have not acted as the President asked us to on protecting DACA. They are Americans in everything but paper.

5.7 MILLION AMERICANS ARE LIVING WITH ALZHEIMER'S

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, June is Alzheimer's and

Brain Awareness Month. Alzheimer's is the sixth leading cause of death in the United States.

There is no effective treatment, no means of prevention, and no method for slowing the progression of the disease. Sadly, one in three seniors will die with the disease.

According to the Centers for Disease Control and Prevention, 5.7 million Americans are living with Alzheimer's disease. By 2050 this number is projected to rise to nearly 14 million Americans.

Mr. Speaker, every 65 seconds, someone in the United States develops this disease. This is unacceptable. Alzheimer's not only has a devastating impact on those who are diagnosed with the disease, but also their caregivers and loved ones.

More than 16 million Americans provide unpaid care to those living with Alzheimer's and other dementias. In 2017 these caregivers provided an estimated 18.4 billion hours of care.

Mr. Speaker, the time to act is now. Let's join the fight; let's take the pledge to raise awareness about Alzheimer's disease and to never stop searching for a cure.

DACA

(Ms. GABBARD asked and was given permission to address the House for 1 minute.)

Ms. GABBARD. Mr. Speaker, 6 years ago today, DACA provided a shining light for hundreds of thousands of young Dreamers from all across this country to come out from the shadows and live freely without fear in a nation that for many has been the only home they have ever known.

These are people who were brought here as young children through no choice of their own, but no longer. Now, since DACA was rescinded, their status and future hang in limbo with great uncertainty. Their futures and dreams are put on hold as those fears of being ripped from their families and deported to strange, foreign countries has reentered their lives.

We cannot afford to wait another day. The vast majority of Americans support Congress passing a final solution, a permanent solution, for these Dreamers. The majority of Congress supports finding a permanent solution for these Dreamers.

Let's stand together, work for the good of the people in this country, and pass a solution for these young people all across the country.

ROSES TO THE LIVING AWARD

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Mr. Speaker, I rise today to recognize Hank Leo and Amanda Larson, members of the Oneida Rotary Club. Hank and Amanda both recently received the Roses to the

Living Award at the Kallet Civic Center. This award is given to Rotarians who have demonstrated exceptional commitment to the community through good works and involvement in needy and worthy causes. This dedication and devotion to community embodies the spirit of the Rotary motto: Service Above Self.

In 2002, Ms. Larson was nominated as president and chief executive officer of what is now The Gorman Foundation, an organization dedicated to improving the quality of life for present and future generations in central New York and around the world. Amanda has worked diligently to ensure that access to healthcare for uninsured and underserved citizens is obtained. Many of these people had not had the opportunity to even meet with a doctor or medical professional for many years.

In addition to his tireless work at the YMCA, Hank Leo has lent his helping hand to all of the Oneida community and throughout the region for many years. He has served as a member of the Oneida City School District Board of Education for 5 years and as a member of the Oneida Healthcare Foundation Board of Directors for several years.

In June of 2013, when many Oneida residences suffered devastating losses due to flooding, it was Hank who immediately offered the YMCA's Oneida facility as a place to stay for those who needed shelter.

Mr. Speaker, please join me in extending sincere thanks and gratitude to Amanda Larson and Hank Leo for their unparalleled contributions to our community. They truly embody the Rotary motto of Service Above Self.

HONORING THE LIFE OF BRETT SCHWANBECK

(Mr. KIHUEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KIHUEN. Mr. Speaker, today I rise to remember the life of Brett Schwanbeck. Brett attended the Route 91 festival in Las Vegas on October 1. Brett was a retired truck driver who was engaged to be married to his fiancée, Anna.

Brett was a father of three and a grandfather of five. He was a kind and loving man who treasured the time he spent with his family. Brett loved lake trips, family gatherings, hunting, and camping. His favorite thing to do was go out into the middle of the woods and purposely get lost. Brett would do anything for anyone who needed help. His family remembers Brett as being funny, generous, and full of joy.

I would like to extend my condolences to Brett's family and friends. Please know that the city of Las Vegas, the State of Nevada, and the whole country grieve with you.

THE CONGRESSIONAL BASEBALL GAME

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, I would like to just highlight an amazing thing we saw last night at the Congressional Baseball Game: the power of prayer and perseverance. Exactly 1 year after that horrific shooting out in Virginia, we saw our Officers Griner and Bailey as well as our friend here on the floor, our whip, STEVE SCALISE, take the field, as well as Mr. SCALISE taking second base escorted out by our colleagues, Mr. RICHMOND and Mr. WENSTRUP.

It was amazing to see that happen. Again, it is the power of prayer and perseverance with him taking the base and taking his position on the field.

You couldn't write it better in a Hollywood script, in that the first ball hit in the infield went right to STEVE. He fielded it and threw the runner out at first base.

What an amazing thing, and what an inspiration for all of us.

God bless you, STEVE, as well as the officers who were hurt on the field that day. A year later here we are seeing great things happen in a bipartisan way, a nonpartisan way, and a miraculous way.
