

on average, 1,000 people are treated in emergency rooms for opioid misuse.

I am happy to work with my colleagues on expanding addiction treatment services, but that should not distract from what we are considering today: increasing access to specialized inpatient treatment for the most vulnerable in society who are struggling with an opioid addiction.

We are helping to ensure that people get the care they need in the midst of this crisis, and most importantly, it will save lives.

A recent MACPAC report clearly stated that the Medicaid IMD exclusion acts as a barrier for individuals with an opioid use disorder and is one of the few instances in Medicaid where Federal financial participation cannot be used for medically necessary and otherwise covered services for a specific Medicaid enrollee population receiving treatment in a specific setting.

The IMD CARE Act is vital to helping our communities end the opioid epidemic by removing that barrier. This bill provides for a targeted repeal of the IMD prohibition. The bill gives States a quicker alternative than Medicaid waivers to provide this much needed care. This bill was carefully crafted to ensure that patients are not being held in IMDs for longer than necessary and the bill also includes an offset.

For these reasons, the National Governors Association and the American Hospital Association support the bill.

Numerous stakeholder groups have identified the IMD exclusion repeal as one of the most significant reforms we can make to end the opioid crisis.

This is such a critical first step.

Mr. Speaker, I urge my colleagues to oppose this motion to recommit and to vote “yes” on final passage.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

INDIVIDUALS IN MEDICAID DESERVE CARE THAT IS APPROPRIATE AND RESPONSIBLE IN ITS EXECUTION ACT

The SPEAKER pro tempore. The unfinished business is the vote on the motion to recommit on the bill (H.R. 5797) to amend title XIX of the Social Security Act to allow States to provide under Medicaid services for certain individuals with opioid use disorders in institutions for mental diseases, offered by the gentlewoman from Florida (Ms. CASTOR), on which the yeas and nays were ordered.

The Clerk will redesignate the motion.

The Clerk redesignated the motion.

The SPEAKER pro tempore. The question is on the motion to recommit.

The vote was taken by electronic device, and there were—yeas 190, nays 226, not voting 11, as follows:

ANNOUNCING 10TH ANNUAL CONGRESSIONAL WOMEN'S SOFTBALL GAME

(Mrs. ROBY asked and was given permission to address the House for 1 minute.)

Mrs. ROBY. Mr. Speaker, I yield such time as she may consume to the gentlewoman from Florida (Ms. WASSERMAN SCHULTZ).

Ms. WASSERMAN SCHULTZ. Mr. Speaker, I thank the gentlewoman for yielding.

Mr. Speaker, I am thrilled to be able to join my sisters on Team Congress for the 10th annual Congressional Women's Softball Game tonight. Many of you know that our game started in 2009, after our former colleague, Congresswoman Jo Ann Emerson, and I came together and hatched a plan that—unlike the men, whom we love and respect and cheer on in the baseball game—women, being the more collegial sex, would come together and play on a bipartisan team against the common enemy: the press corps.

Those of you who were here will remember that we lost our minds in the first year and actually thought that we might be able to take on our political staff at the DNC, the RNC, the NRCC, the DCCC, and other assorted alphabet political organizations, and it didn't go so well. So the next year, we thought better of it and came together to take on the press corps.

Through those years, we have had a hearty record where the Members have won three of the nine contests that we have engaged in. But most importantly, we have always played for the Young Survival Coalition to raise awareness and put a spotlight on the millions of young women who are under 40 years old who are diagnosed with breast cancer every year.

Many of you know that I am a breast cancer survivor now of 10 years. I am very thrilled to be able to stand in front of you. Back then, I told you that I was so fearful of not being able to see the special events in my children's lives: their bar and bat mitzvahs, their high school graduations. I have been to all three of their bar and bat mitzvahs, two high school graduations, and one more to go in a few years.
