

The Chair recognizes the gentleman from Indiana.

Mr. VISCLOSKY. Mr. Chairman, the amendment before the House would bar the use of funds in contravention of existing Federal requirements for meaningful consultation and coordination with Tribal communities related to the activities that would impact them.

I do believe this is a good amendment and ask my colleagues to accept it.

Mr. Chair, I yield back the balance of my time.

Ms. GRANGER. Mr. Chairman, I claim the time in opposition, but I don't oppose the amendment.

The Acting CHAIR. Without objection, the gentlewoman from Texas is recognized for 5 minutes.

There was no objection.

Ms. GRANGER. Mr. Chair, the amendment reaffirms the requirement that the Department of Defense have proper consultation in coordination with Native American Tribes. This amendment is good government, which is supported by current law and several requirements in the National Defense Authorization Act.

I support the amendment, and I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Indiana (Mr. VISCLOSKY).

The amendment was agreed to.

The Acting CHAIR. It is now in order to consider amendment No. 23 printed in part A of House Report 115-783.

AMENDMENT NO. 24 OFFERED BY MR. BROWN OF MARYLAND

The Acting CHAIR. It is now in order to consider amendment No. 24 printed in part A of House Report 115-783.

Mr. BROWN of Maryland. Mr. Chairman, I rise before you today to offer my amendment No. 24 to the fiscal year 2019 Department of Defense Appropriations Act.

The Acting CHAIR. The Clerk will designate the amendment.

The text of the amendment is as follows:

At the end of the bill (before the short title), insert the following:

SEC. _____. None of the funds made available by this Act may be used to transfer the information technology contracting and acquisition services or the Senior Leader Communications functions of the Defense Information Systems Agency.

The Acting CHAIR. Pursuant to House Resolution 961, the gentleman from Maryland (Mr. BROWN) and a Member opposed each will control 5 minutes.

The Chair recognizes the gentleman from Maryland.

Mr. BROWN of Maryland. Mr. Chairman, in the proposed NDAA, the chief managing officer of the Department of Defense is to develop a plan no later than March 1, 2020, to transition certain functions and services from the Defense Information Systems Agency, or DISA, to other elements of the DOD.

My amendment on which I worked closely with my friend and colleague from Maryland, Congressman RUPPERS-

BERGER, prevents funds from executing this change. In fact, the administration has objected to this change in the NDAA because it would "weaken the Department's ability to secure its cyber networks and inhibit DISA's mission to provide seamless communication to warfighters and senior leaders."

While our men and women, Mr. Chairman, in uniform focus on defending our values abroad, DISA is constantly managing the information network that supports our entire defense apparatus and fighting for American interests on the global stage.

DISA's primary mission is to secure our network infrastructure for our warfighters and intelligence and security agencies. The question regarding DISA's fate has never been asked or answered by this Congress nor the Pentagon.

While I commend the effort to find efficiencies within the Department of Defense, it remains unclear what would happen to DISA's missions and functions if the measures in the NDAA were executed.

According to retired Lieutenant General Harry Raduege, who served as DISA Director from 2000 to 2005, he said: "We have looked at reorganizing DISA in the past, disestablishing it, but the missions are going to have to be performed somewhere."

DISA is an agency where numerous other functions from other agencies have been folded in over time, and the operations include global missions, such as commercial satellite communications, leasing for all of the military, secure communications for the White House and other senior government and government leaders, support to the Joint Staff, and disaster response communications.

Over the years, many missions and activities that even today are relatively unknown have been transferred to DISA because everyone has been looking to increase efficiencies and effectiveness.

□ 1815

By eliminating DISA, Congress may be increasing the costs, manpower requirements, and cyber risks that can be better managed via a shared services approach currently envisioned by DISA.

Mr. Chairman, I thank the committee chair and the entire committee for consideration of the amendment. Let's support our warfighters and help them focus on the threats that we face today.

Mr. Chairman, I reserve the balance of my time.

Ms. GRANGER. Mr. Chairman, I rise in opposition, but I am not opposed to the amendment.

The Acting CHAIR. Without objection, the gentlewoman from Texas is recognized.

There was no objection.

Ms. GRANGER. Mr. Chairman, I am prepared to accept the amendment.

I yield back the balance of my time.

Mr. BROWN of Maryland. Mr. Chairman, I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Maryland (Mr. BROWN).

The amendment was agreed to.

Ms. GRANGER. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.
