

We have an oversight function, and I do not subscribe to those in this Chamber who want to oppose, obstruct, resist, and impeach. That is not the path forward for America.

Mr. NADLER. Mr. Speaker, I think I made the case clear. I think Mr. ZELDIN has added nothing to the debate that I have to refute.

Mr. Speaker, I yield back the balance of my time.

Mr. MEADOWS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I thank the gentleman opposite for his impassioned arguments and debate on this issue. I thank all of those who have come down to the floor today to stand up for this institution's right to provide proper oversight and conduct it according to the Constitution, but, more importantly, for good transparency. Transparency is a good thing, and I think it is high time that we do it.

For 8 months, Mr. Speaker, we have made a request of the Department of Justice. They have not fully complied. On March 22, 99 days ago, we sent a subpoena giving them 14 days. They did not comply. Two weeks ago, the Speaker of the House actually reached out and said, "You have another week." They did not comply.

This is our last attempt to give them the benefit of the doubt that they have nothing to hide. They need to start acting like it, Mr. Speaker.

Mr. Speaker, I encourage a "yes" vote, and I yield back the balance of my time.

The SPEAKER pro tempore. All time for debate has expired.

Pursuant to House Resolution 971, the previous question is ordered on the resolution and on the preamble.

The question is on adoption of the resolution.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. NADLER. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The vote was taken by electronic device, and there were—yeas 226, nays 183, answered "present" 1, not voting 17, as follows:

## ANNOUNCEMENT BY THE ACTING CHAIR

The Acting CHAIR (during the vote).  
There is 1 minute remaining.

□ 1215

Ms. TENNEY, Messrs. RUSH, and RICHMOND changed their vote from “aye” to “no.”

So the amendment was rejected.

The result of the vote was announced as above recorded.

The Acting CHAIR. There being no further amendments under House Resolution 964, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. HOLDING) having assumed the chair, Mr. BYRNE, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 6157) making appropriations for the Department of Defense for the fiscal year ending September 30, 2019, and for other purposes, and, pursuant to House Resolution 964, he reported the bill, as amended by House Resolution 961, back to the House with sundry further amendments adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any further amendment reported from the Committee of the Whole? If not, the Chair will put them en gros.

The amendments were agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

## MOTION TO RECOMMIT

Mr. TED LIEU of California. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore (Mr. BYRNE). Is the gentleman opposed to the bill?

Mr. TED LIEU of California. I am opposed in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Ted Lieu of California moves to recommit the bill H.R. 6157 to the Committee on Appropriations with instructions to report the same back to the House forthwith, with the following amendment:

Page 8, line 15, after the dollar amount, insert “(reduced by \$25,000,000)”.

Page 34, line 13, after the dollar amount, insert “(increased by \$25,000,000)”.

Page 34, line 21, after the dollar amount, insert “(increased by \$25,000,000)”.

The SPEAKER pro tempore. The gentleman from California is recognized for 5 minutes.

Mr. TED LIEU of California. Mr. Speaker, this is the final amendment to the bill, which will not kill the bill or send it back to committee. If adopted, the bill will immediately proceed to final passage, as amended.

As a veteran, I am pleased to offer this amendment, which increases funding for peer-reviewed traumatic brain injury and psychological health research to \$150 million for fiscal year 2019.

It is imperative that we prioritize and commit to medical research to address battlefield wounds.

Funding for traumatic brain injury and psychological health research, including research on PTSD, suicide prevention, and other mental health conditions resulting from military service, has always been the highest priority for the Defense Health Program, and prior funding levels have reflected this priority.

By increasing funding for traumatic brain injury and mental health research by \$25 million, this will ensure that this research program remains the Defense Health Program's highest priority.

Just last week, the VA released its latest national suicide data report. It is very depressing. The tragic figures remain unchanged. Twenty veterans and servicemembers commit suicide every day. These suicides can result from untreated mental health conditions and even can be caused by traumatic brain injury.

Since 2000, almost 380,000 servicemembers have been diagnosed with TBI. Many of these servicemembers and veterans will need lifelong healthcare as a result of this injury. And these numbers do not capture the number of servicemembers, many of whom are now veterans, who may have sustained multiple TBIs that can lead to permanent brain injury, the early onset of Alzheimer's disease, and CTE, which can cause permanent memory loss and even suicide.

These wounded warriors need cutting-edge treatments that will address this signature injury of the wars in Iraq and Afghanistan.

We are seeing already the results of this research. Funding for DOD TBI research has resulted in improved treatments and diagnostic tests that clinicians can use to treat servicemembers when they sustain a traumatic brain injury.

Clinicians know from this research program that it is important to immediately test and treat TBI when it occurs. As a result of research, clinicians now know that it is vitally important to prevent the chance that a servicemember will sustain another TBI before the servicemember has healed from their first.

Investments in this research will pay dividends in the future so that our servicemembers and veterans receive the world-class care they need, and that must be made a top priority.

I urge my colleagues to vote “yes” on making TBI research a top priority.

I am going to conclude by noting that we are soon going to be heading off into our July 4th recess. As we sit here today, there are still thousands of babies and kids ripped away from their parents by the Trump child separation policy who have not been reunited. That is evil and it is shameful. No Democratic bills have been brought on this floor to resolve that. Have a nice vacation.

Mr. Speaker, I yield back the balance of my time.

Ms. GRANGER. Mr. Speaker, I rise in opposition to the motion.

The SPEAKER pro tempore. The gentlewoman from Texas is recognized for 5 minutes.

Ms. GRANGER. Mr. Speaker, H.R. 6157 is a critically important bill. It may be one of the most important, most consequential bills that Congress will consider this year.

The bill before you reflects the guidance and advice we received through hearings, briefings, and meetings with the Secretary of Defense, the Chairman of the Joint Chiefs of Staff, the leaders of the military services, and all other national security experts.

This legislation provides funding to maintain our military readiness, protect our Nation from those who would seek to do us harm, and ensure our defense superiority.

After years of decline, the rebuilding of our military began with the fiscal year 2018 omnibus. This bill continues that progress and makes more critical investments in our Department of Defense: more troops, more battle training, more equipment, more munitions.

The security situation around the world is rapidly changing. We are regularly reminded that we are still a Nation at war and new, unforeseen threats arise daily. A strong national defense is of the highest priority.

It is imperative that we provide ongoing stability and support for our military. This is what our military leaders have asked for, and we can provide that today, with this bill.

Not only is this legislation critical to our national security, but to the men and women in uniform, all volunteers who selflessly serve. We must show our troops and their families that they have the full support of this Congress. This includes providing them with their largest pay raise in nearly a decade.

The bill fulfills the Congress' most important constitutional responsibility: providing for the common defense. And it does this responsibly, by funding those military needs that must be addressed now, planning for those of the future, and respecting the taxpayer by making commonsense budgeting decisions.

This bill puts our Nation's security strategy on a stronger course, protecting the American people, and keeping the peace in an increasingly dangerous and unstable world.

Mr. Speaker, I urge my colleagues to reject this motion to recommit, and vote "yes" on the fiscal year 2019 Defense Appropriations bill.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

## RECORDED VOTE

Mr. TED LIEU of California. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, the 5-minute vote on the motion to recommit will be followed by a 5-minute vote on passage of the bill. This is a 5-minute vote.

The vote was taken by electronic device, and there were—ayes 186, noes 224, not voting 17, as follows:
