GENERAL LEAVE

Mr. CHABOT. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The **SPEAKER pro tempore**. Is there objection to the request of the gentleman from Ohio?

There was no objection.

Mr. CHABOT. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today, this evening, in support of H.R. 1700, the SCORE for Small Business Act of 2018, which was introduced by the gentlewoman from North Carolina (Ms. ADAMS), and I want to commend her for her leadership on this legislation. This legislation will allow the SCORE program to continue to offer business mentoring and training to thousands of entrepreneurs and small business owners each year.

The SCORE program currently includes over 11,000 volunteer mentors, with expertise across 62 industries, who collectively provide more than a million hours of business counseling each year.

When an entrepreneur seeks a SCORE mentor, they are purposely paired with a business professional with knowledge in a specific field or experience facing specific challenges. This process ensures that the concerns of the entrepreneur are met by the volunteer mentor.

In addition to SCORE’s mentorship services, the program also offers in-

person business training classes at its 350 chapter locations nationwide. Entrepreneurs can also utilize the extensive online training opportunities and free business tools available on SCORE’s national website.

Last fiscal year, SCORE trained over a half million clients, empowering them to start, run, and scale their business. This legislation will allow SCORE to continue to provide these important services.

H.R. 1700 reauthorizes the SCORE program at \$10.5 million for fiscal years 2019 and 2020, providing for enhanced services to SCORE clients. This legislation also formally changes the program’s name from the Service Corps of Retired Executives to the more commonly used name of SCORE.

Additionally, H.R. 1700 requires the SCORE Association to further utilize webinars and electronic mentoring as a way of increasing SCORE’s presence nationwide.

H.R. 1700 will require the SCORE Association to develop a strategic plan for how the program will adapt to meet the needs of America’s entrepreneurs over the coming years. This requirement will not only allow for better congressional oversight of the SCORE program, but will also guarantee that taxpayer dollars contributing to the program are effectively used to serve the needs of the small business community.

Considering the important role that small businesses play throughout our Nation and our communities, it is our responsibility to ensure that our entrepreneurs and small businesses have the resources that they need to be successful. H.R. 1700 is the way of doing just that, and I urge my colleagues to support H.R. 1700, the SCORE for Small Business Act of 2018.

Mr. Speaker, I reserve the balance of my time.

Ms. ADAMS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of my bill, H.R. 1700, the SCORE for Small Business Act of 2018.

There are nearly 30 million small businesses in the United States, representing more than 99 percent of all businesses. These small firms employ nearly 50 percent of all private sector employees in the United States.

These trailblazers play a critical role in the American economy. They take great risks by launching new ventures, developing new products, and establishing new industries; and, ultimately, these brave efforts help spur growth in our economy.

The Small Business Administration, SBA, is a vital part of their support system. The SBA administers a portfolio of Entrepreneurial Development programs, which includes the Service Corps of Retired Executives, better known as SCORE.

Through this program, the SBA has undertaken efforts to connect new entrepreneurs and small-business owners with more experienced businessmen

and -women. This expansive network consists of entrepreneurs, business leaders, and executives who volunteer as mentors to small firms both in-person and online.

SCORE has grown to become one of the Federal Government's largest volunteer business adviser and mentoring programs. In 2017, 59 percent of SCORE's clients were women, 39 percent minorities, and 11 percent veterans.

My legislation reauthorizes this essential program so that it will continue to have the ability to meet the needs of entrepreneurs. With technology enhancements and streamlined service processes, SCORE mentoring will now be accessible to business owners, no matter their location.

I urge Members to support this legislation, and I reserve the balance of my time.

Mr. CHABOT. Mr. Speaker, I would ask the gentlewoman from North Carolina if she has any further speakers this evening, and, if not, I believe I have the right to close. So if she has any concluding remarks, I would be happy to yield if the gentlewoman has any other speakers to speak on this issue because I would be closing then.

Ms. ADAMS. Mr. Speaker, I do have the gentleman from Pennsylvania (Mr. EVANS), who will speak on this issue.

Mr. CHABOT. Mr. Speaker, I reserve the balance of my time.

Ms. ADAMS. Mr. Speaker, I yield such time as he may consume to the gentleman from Pennsylvania (Mr. EVANS).

Mr. EVANS. Mr. Speaker, I want to lend my voice to this very important essential legislation. Nothing is more important than mentoring, particularly in small businesses. I know in the particular case of the city of Philadelphia and the Commonwealth of Pennsylvania, SCORE is an important asset.

I thank the gentlewoman from North Carolina for her leadership on something that is extremely essential, something that transcends parties. It is about economic growth and economic opportunity, and I thank her for her leadership that she has shown in understanding the importance of mentoring.

Ms. ADAMS. Mr. Speaker, I yield myself the balance of my time.

I do want to thank Chairman CHABOT for his support.

There is no question that we need to support our small businesses across the country, no matter their location, industry, or expertise level. My bill, H.R. 1700, provides that critical support by reauthorizing a major component of SBA's entrepreneurial programs and clarifying the utilization of the volunteer base.

This bill is supported by the SCORE Association and is reflective of the growth of this program that actively engages business owners, as well as retired executives, to mentor the next generation of job makers.

I want to again thank Chairman CHABOT for working in a bipartisan

manner to help our Nation's small businesses and for his support to reauthorize SCORE.

I would urge all of the Members to support this bill, and I yield back the balance of my time.

Mr. CHABOT. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, the commonsense improvements in this bill will allow the SCORE program to continue its mission: helping entrepreneurs to start and grow their businesses.

With over 99 percent of all businesses in the United States being classified as small, it is vital that these business owners have access to effective entrepreneurial resources.

H.R. 1700 would ensure that, regardless of location, a small-business owner can access SCORE mentoring and training.

Mr. Speaker, I would, again, like to commend the gentlewoman from North Carolina for her leadership on this important matter. I urge my colleagues to support this legislation, and I yield back the balance of my time.

Ms. JACKSON LEE. Mr. Speaker, I rise in strong support of H.R. 1700, the SCORE for Small Business Act of 2017.

H.R. 1700 amends the Small Business Act to reauthorize the SCORE program (Service Corps of Retired Executives) for FY2018–FY2019.

The program is renamed as simply the SCORE program.

The Small Business Administration (SBA) shall award a grant to the SCORE Association (or any successor group) in order to strengthen resources for entrepreneurs.

By passing this bill, we are ensuring that the program and each of its chapters develop and implement plans and goals to provide services more effectively and efficiently to individuals in rural areas, economically disadvantaged communities, and other traditionally underserved communities.

Such requirements includes plans for electronic initiatives, web-based initiatives, chapter expansion, partnerships, and the development of new skills by participating volunteers.

The SBA's SCORE program embodies the power of public-private partnerships and is dedicated to educating and assisting entrepreneurs and small business owners in the formation, growth and expansion of their small businesses.

I want to thank all the trained volunteers that serve as counselor's advisors and mentors to aspiring entrepreneurs and business owners.

Further, there are approximately 13,000 volunteer business counselors with 348 chapters across the country.

Established in 1965, the Houston chapter has more than 130+ volunteers covering the 9-county Greater Houston Area.

These services are offered at no fee, as a community service.

According to the SCORE Association, in FY13, SCORE estimates that it served over 400,000 clients, and helped to create more than 40,500 new businesses and more than 67,098 new jobs.

I urge my colleagues to join me in voting for H.R. 1700 as it is vital that we support.

The SPEAKER pro tempore (Mr. LEWIS of Minnesota). The question is

on the motion offered by the gentleman from Ohio (Mr. CHABOT) that the House suspend the rules and pass the bill, H.R. 1700, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

SMALL BUSINESS INNOVATION PROTECTION ACT OF 2017
