

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. MCCLINTOCK. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 5420, by Congressman FASO of New York, would allow 89 acres to be added to the historic site that was Franklin Roosevelt's lifelong home and birthplace in Hyde Park, New York, which was designated as a National Historic Site in 1944. The land is currently owned by the Scenic Hudson Land Trust, and they would like to deed it to the National Park Service.

The addition would provide important context for visitors and better connectivity to the Hyde Park Trail that links the FDR National Historic Site to the Vanderbilt Mansion National Historic Site to the north.

The addition would not require any outlay of Federal funds. The transfer would be by donation, exchange, or purchase, using donated funds only.

I would like to commend Congressman FASO for sponsorship of this legislation.

Mr. Speaker, I urge adoption of the measure, and I reserve the balance of my time.

Mr. HUFFMAN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I agree with the gentleman's description of this very good bill.

These two sites draw nearly 200,000 visitors to the Dutchess County region. They are significant contributors to the local economy. It is only fitting that we should work to improve the integration between these two sites and enhance their management and increase their accessibility to the public.

I know Representative FASO has worked hard on this bill and that it is a priority for his office. I want to commend him for working across the aisle, including with Senator GILLIBRAND's support, and I congratulate him on this success today.

Before wrapping up, I do want to mention that the money to carry out the expansion proposed in this bill will likely come from the Land and Water Conservation Fund, a popular program that expires at the end of this week. That is right. After more than 50 years of bipartisan support, LWCF is once again on the brink of expiring. This is despite the fact that a bill to make the program permanent has earned the support of 235 Members of the House. The bill was voted out of the committee by voice, and all this body must do is bring it up on the floor for a vote.

I am always happy to support legislation that protects our public lands and cultural legacies, like this bill by Mr. FASO. I urge immediate action, however, on the other step we need to take, and that is bringing forward the bill to address the pending expiration of the LWCF.

Mr. Speaker, I yield back the balance of my time.

Mr. MCCLINTOCK. Mr. Speaker, I would simply like to remind the ranking member that the transfer of this land would be by donation, exchange, or purchase, using donated funds only. No Federal funds are involved from the LWCF or anywhere else.

Mr. Speaker, I ask for adoption of the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. MCCLINTOCK) that the House suspend the rules and pass the bill, H.R. 5420, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. MCCLINTOCK. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

#### MODIFYING APPLICATION OF TEMPORARY LIMITED APPOINTMENT REGULATIONS TO THE NATIONAL PARK SERVICE

Mr. MCCLINTOCK. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 6599) to modify the application of temporary limited appointment regulations to the National Park Service, and for other purposes, as amended.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 6599

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled.*

#### SECTION 1. APPLICATION OF TEMPORARY LIMITED APPOINTMENT REGULATIONS TO THE NATIONAL PARK SERVICE.

With respect to the National Park Service, for purposes of carrying out section 316.401 of subpart D of part 316 of title 5, Code of Federal Regulations (relating to temporary limited appointments)—

(1) the term “major subdivision” in paragraph (1) of subsection (c) of such section shall be defined by the Director of the National Park Service; and

(2) the requirement in such paragraph that a position be in the same local commuting area shall not apply.

#### SEC. 2. SUNSET.

The modification authority provided by section 1 and any such modification shall expire on the date that is one year after the date of enactment of this Act.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from California (Mr. MCCLINTOCK) and the gentleman from California (Mr. HUFFMAN) each will control 20 minutes.

The Chair recognizes the gentleman from California (Mr. MCCLINTOCK).

#### GENERAL LEAVE

Mr. MCCLINTOCK. Mr. Speaker, I ask unanimous consent that all Mem-

bers may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. MCCLINTOCK. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, recently, the Office of Personnel Management questioned how the National Park Service rehired temporary seasonal employees. The NPS did not agree with OPM's interpretation of the relevant regulation but, nonetheless, complied.

OPM's directive caused confusion for Park Service hiring managers and threatened the ability of parks to open and operate as normal this past summer. Additionally, many temporary seasonal employees were unexpectedly left without a job.

H.R. 6599 addresses this issue and allows the Park Service to continue its longstanding practices in hiring its essential seasonal employees for 1 year while Congress acts to address the issue systemically.

Congressman STEVE KNIGHT of California has brought us this measure, and I would like to commend him for his leadership on the issue. Americans across the country are going to benefit from this work. I would like to thank him for his cooperation, allowing this to go forward.

Mr. Speaker, I urge adoption of the measure, and I reserve the balance of my time.

HOUSE OF REPRESENTATIVES,  
COMMITTEE ON NATURAL RESOURCES,  
Washington, DC, September 24, 2018.

Hon. TREY GOWDY,  
Chairman, Committee on Oversight and Government Reform, Washington, DC.

DEAR MR. CHAIRMAN: On September 5, 2018, the Committee on Natural Resources ordered favorably reported H.R. 6599, to modify the application of temporary limited appointment regulations to the National Park Service, and for other purposes. While this bill was not originally referred to the Committee on Oversight and Government Reform, I believe your Committee has a valid jurisdictional interest in the measure.

I ask that you not seek a sequential referral of the bill so that it may be considered by the House of Representatives this week. This action in no way affects your jurisdiction over the subject matter of the bill, and it will not serve as precedent for future referrals. In addition, should a conference on the bill be necessary, I would support your request to have the Committee on Oversight and Government Reform represented on the conference committee. Finally, I would be pleased to include this letter and your response in the bill report and in the Congressional Record.

Thank you for your consideration, and I look forward to further opportunities to work with you this Congress.

Sincerely,

ROB BISHOP,  
Chairman,  
Committee on Natural Resources.

HOUSE OF REPRESENTATIVES, COMMITTEE ON OVERSIGHT AND GOVERNMENT REFORM, Washington, DC, September 24, 2018.  
Hon. ROB BISHOP, Chairman, Committee on Natural Resources, House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: Thank you for your letter concerning H.R. 6599, a bill to modify the application of temporary limited appointment regulations to the National Park Service, and for other purposes. As a result of your having consulted with me concerning the bill, the Committee on Oversight and Government Reform will not seek a sequential referral and agrees to forego formal action on the bill.

The Committee takes this action with our mutual understanding that by foregoing a request for a sequential referral of H.R. 6599 at this time we do not waive any jurisdiction over the subject matter contained in this or similar legislation. I appreciate your agreement to support appointment of members of the Committee on Oversight and Government Reform as conferees in any House-Senate conference on this or related legislation. In addition, I request the Committee be consulted and involved as the bill or similar legislation moves forward so we may address any remaining issues within our jurisdiction.

Finally, I would ask that a copy of our exchange of letters on this matter be included in the bill report filed by the Committee on Natural Resources, as well as in the Congressional Record during floor consideration, to memorialize our understanding.

Sincerely,

TREY GOWDY.

Mr. HUFFMAN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, it is correct; this decision created a lot of confusion and frustration. Staff needs at national parks fluctuate throughout the year. They are highly seasonally dependent, and many career personnel work at different parks through the year, a lifestyle that is supported by the ability to return to a position every year without having to recompete for it. Without that certainty, they lose job security, and it becomes extremely difficult to ensure adequate experienced staff throughout the National Park system.

I agree with my colleague. I want to thank Representatives KNIGHT and PANNETTA for coming up with this bipartisan solution.

Mr. Speaker, I urge my colleagues to support its adoption, and I yield back the balance of my time.

Mr. MCCLINTOCK. Mr. Speaker, I ask for adoption of the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. MCCLINTOCK) that the House suspend the rules and pass the bill, H.R. 6599, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

---

EXTENDING AUTHORIZATION FOR CAPE COD NATIONAL SEASHORE ADVISORY COMMISSION

Mr. MCCLINTOCK. Mr. Speaker, I move to suspend the rules and pass the

bill (H.R. 5585) to extend the authorization for the Cape Cod National Seashore Advisory Commission.

The Clerk read the title of the bill. The text of the bill is as follows:

H.R. 5585

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

**SECTION 1. CAPE COD NATIONAL SEASHORE ADVISORY COMMISSION.**

Effective September 26, 2018, section 8(a) of Public Law 87-126 (16 U.S.C. 459b-7(a)) is amended in the second sentence by striking “2018” and inserting “2028”.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from California (Mr. MCCLINTOCK) and the gentleman from California (Mr. HUFFMAN) each will control 20 minutes.

The Chair recognizes the gentleman from California (Mr. MCCLINTOCK).

□ 2115

GENERAL LEAVE

Mr. MCCLINTOCK. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. MCCLINTOCK. Mr. Speaker, H.R. 5585 extends authorization of the Cape Cod National Seashore Advisory Commission until 2028. The commission provides valuable feedback to the Cape Cod National Seashore, which helps to promote sound park management, improve public access, and ensure that the National Park Service is a good neighbor to the surrounding communities.

Mr. Speaker, I ask for adoption of the measure and am prepared to close when my colleague is finished. I reserve the balance of my time.

Mr. HUFFMAN. Mr. Speaker, I yield such time as he may consume to the gentleman from Massachusetts (Mr. KEATING), my colleague and champion of the Cape Cod National Seashore.

Mr. KEATING. Mr. Speaker, I thank the gentleman for yielding.

Mr. Speaker, I rise in support of my bill, H.R. 5585, to reauthorize the Cape Cod National Seashore Advisory Commission for another decade.

One of President John F. Kennedy’s first acts was to sign into law the bill that created the Cape Cod National Seashore, a bill which he himself had previously offered when he was a Senator from Massachusetts.

This beautiful expanse of sand dunes, marshlands, highland woods, lakes, rivers, streams, and pristine coastal estuaries stretches from Chatham in the south to Provincetown in the north, and includes the six towns that form the Outer Cape and spans over 43,000 acres.

Today, more than 4 million visitors from around the world come to my district every year to experience the nat-

ural beauty and recreational opportunities that the seashore offers. In this way, the seashore is crucial for the many local businesses that depend on the cape’s tourism industry for their livelihoods.

Yet, even while hosting the millions of visitors each summer, the seashore continues to protect dozens of threatened endangered species, invests in important local science and education, expands cultural arts, and hosts numerous environmental endeavors. One of these projects, the Herring River Restoration Project, will be the largest salt marsh restoration project in New England history.

It is important to note that, for many communities on the cape, the parklands make up more than 75 percent of their land area. That is why this regional board—the first of its kind in the National Park System—is so important. It links Federal partners in the National Park Service with their State and local partners to inform the public about park matters; to problem-solve on numerous environmental, economic, and public infrastructure issues; and to promote open lines of communication with the National Park Service.

Think about it. Six small communities and a large Federal agency drawing several million people into their towns each year, in solutions rather than conflict.

Time and time again, this commission has proven itself to be an important forum for the communities that make up the Outer Cape to have productive discussions with their leadership on the Cape Cod National Seashore about issues that affect not only the seashore but the broader Outer Cape region as well.

For 60 years, the relationship that the commission has provided between the National Seashore and its host communities represents the best of what a partnership with local entities and Federal officials can and should be.

The track record of success that the Cape Cod National Seashore Advisory Commission has shown since its inception clearly demonstrates the need for it to continue its exemplary work for the challenges of the next decade.

I would like to thank the chairman of the committee and the ranking member, my two colleagues from California, for their help in moving this bill forward. I urge my colleagues, all my colleagues, to join me in support of this legislation.

Mr. HUFFMAN. Mr. Speaker, I yield back the balance of my time.

Mr. MCCLINTOCK. Mr. Speaker, I ask for adoption of the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. MCCLINTOCK) that the House suspend the rules and pass the bill, H.R. 5585.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.
