Almighty God, we come to You asking You grant us humility of heart and sobriety of mind as we lead the people You have entrusted to us.

Grant our Representatives wisdom from above and a steady resolve to administer justice over the land and people they have been appointed. Fill them with hope and dogged determination to work as if they are working for You and usher in Your Kingdom come.

PUBLICATION OF BUDGETARY MATERIAL

STATUS REPORT ON CURRENT LEVELS OF ON-BUDGET SPENDING AND REVENUES FOR FY 2018, FY 2019, AND THE PERIOD FY 2019 THROUGH FY 2028

HOUSE OF REPRESENTATIVES,
COMMITTEE ON THE BUDGET,
Washington, DC, October 30, 2018.

Hon. PAUL RYAN,
Speaker, Office of the Speaker, House of Representatives, Washington, DC.

DEAR MR. SPEAKER: To facilitate application of sections 302 and 311 of the Congressional Budget Act, I am transmitting an updated status report on the current levels of on-budget spending and revenues for fiscal year 2018, fiscal year 2019, and for the period of fiscal years 2019 through 2028. This status report is current through October 24, 2018. The term "current level" refers to the amounts of spending and revenues estimated for each fiscal year based on laws enacted or awaiting the President's signature.

Table 1 in the report compares the current levels of total budget authority, outlays, and revenues to the overall limits, as adjusted, contained in H. Con. Res. 71, as agreed to on October 26, 2017, for fiscal year 2018. Table 2 compares the current levels of total budget authority, outlays, and revenues to the overall limits filed in the Congressional Record on May 10, 2018, for fiscal year 2019 and for the 10-year period of fiscal years 2019 through 2028. These comparisons are needed to implement section 311(a) of the Congressional Budget Act, which establishes a rule enforceable with a point of order against measures that would breach the budget resolution's aggregate levels. The table does not show budget authority and outlays for years after fiscal year 2019 because appropriations for those years have not yet been completed.

Table 3 compares the current levels of budget authority and outlays for legislative action completed by each authorizing committee with the limits contained in the Statement of Committee Allocations of the Fiscal Year 2018 Concurrent Resolution on the Budget, published in the Congressional Record on November 2, 2017, for fiscal year 2018. For fiscal year 2018, "legislative action" refers to legislation enacted after the adoption of the levels set forth in H. Con. Res. 71 and the Statement of Committee Allocations referenced above. Table 4 compares the current levels of budget authority and outlays for legislative action completed by each authorizing committee with the limits filed in the Congressional Record on May 10, 2018, for fiscal year 2019 and for the 10-year period of fiscal years 2019 through 2028. These comparisons are needed to enforce the point of order under section 302(f) of the Congressional Budget Act, which prohibits the consideration of measures that would breach the section 302(a) allocation of new budget authority for the committee that reported the measure. It is also needed to implement section 311(b), which exempts committees that comply with their allocations from the point of order under section 311(a).

Tables 5 and 6 compare the current status of discretionary appropriations for fiscal year 2018 and fiscal year 2019, respectively, with the "section 302(b)" suballocations of discretionary budget authority and outlays among Appropriations subcommittees. The comparison is needed to enforce section 302(f) of the Congressional Budget Act because the point of order under that section equally applies to measures that would

breach the applicable section 302(b) sub-allocation. The table also provides supplementary information on spending in excess of the base discretionary spending limits allowed under section 251(b) of the Balanced Budget and Emergency Deficit Control Act.

Table 7 compares the levels of changes in mandatory programs (CHIMPs) contained in appropriations acts with the permissible limits on CHIMPs as specified in section 5103 of H. Con. Res. 71. Table 8 compares the levels of CHIMPs contained in appropriations acts with the permissible limits on CHIMPs as deemed in force pursuant to section 30104(f) of Public Law 115–123, the Bipartisan Budget Act of 2018. These comparisons are needed to

enforce a rule against fiscal year 2018 and fiscal year 2019 appropriations measures containing CHIMPs that would breach the permissible limits for fiscal year 2018 and fiscal year 2019, respectively.

Table 9 displays the current level of advance appropriations for fiscal year 2019 of accounts identified for advance appropriations pursuant to the statement of the Chairman published in the Congressional Record on November 2, 2017. These tables are needed to enforce a rule against appropriations bills containing advance appropriations that are: (i) not identified in the statement of the Chairman published in the Congressional Record on November 2, 2017 and

(ii) would cause the aggregate amount of such appropriations to exceed the level specified in section 5104 of H. Con. Res. 71.

In addition, a letter from the Congressional Budget Office is attached that summarizes and compares the budget impact of legislation enacted after the adoption of the budget resolution against the budget resolution aggregates in force.

If you have any questions, please contact Brad Watson.

Sincerely,

STEVE WOMACK,

Chairman, Committee on the Budget.

U.S. CONGRESS,
 CONGRESSIONAL BUDGET OFFICE,
 Washington, DC, October 25, 2018.
 Hon. STEVE WOMACK,
 Chairman, Committee on the Budget,
 House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The enclosed report shows the effects of Congressional action on the fiscal year 2018 budget and is current through the end of fiscal year 2018. This re-

Consolidated Appropriations Act, 2018 (Public Law 115-141); and
 VA MISSION Act of 2018 (Public Law 115-182).

Sincerely,

MARK P. HADLEY

n.a. = not applicable. P.L. = Public Law.

^a Includes the budgetary effects of the following acts that affect budget authority, outlays, or revenues and were cleared by the Congress during the 1st session of the 115th Congress, but before the adoption of H.Con.Res. 71, the concurrent resolution on the budget for fiscal year 2018: the VA Choice and Quality Employment Act of 2017 (P.L. 115-46); the Harry W. Colmer Veterans Educational Assistance Act of 2017 (P.L. 115-48); a joint resolution granting the consent and approval of Congress for the Commonwealth of Virginia, the State of Maryland, and the District of Columbia to enter into a compact relating to the establishment of the Washington Metrorail Safety Commission (P.L. 115-54); the Continuing Appropriations Act, 2018 and Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (P.L. 115-56); the Emergency Aid to American Survivors of Hurricanes Irma and Jose Overseas Act (P.L. 115-57); the Department of Veterans Affairs Expiring Authorities Act of 2017 (P.L. 115-62); the Disaster Tax Relief and Airport and Airway Extension Act of 2017 (P.L. 115-63); the Hurricanes Harvey, Irma, and Maria Education Relief Act of 2017 (P.L. 115-64); and the Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (P.L. 115-72).

^b In the House of Representatives, and pursuant to section 314(d) of the Congressional Budget and Impoundment Control Act of 1974 (Congressional Budget Act), amounts designated as an emergency requirement shall not count for purposes of Title III and Title IV of the Congressional Budget Act, and are excluded from current level totals. In addition, emergency funding designated that was not designated pursuant to the Deficit Control Act does not count for certain budgetary enforcement purposes. Those amounts, which are not included in the current level totals, are as follows:

	Budget authority	Outlays	Revenues
Discretionary Emergency Requirements:			
Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (P.L. 115-56, Division B)	0	3,406	0
Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (P.L. 115-72)	36,517	16,256	0
Department of Defense Missile Defeat and Defense Enhancements Appropriations Act, 2018 (P.L. 115-96, Division B)	4,686	803	0
Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (P.L. 115-123, Division B, Subdivision 1)	84,436	11,185	0
Consolidated Appropriations Act, 2018, Divisions A-L (P.L. 115-141)	0	1	0
Other Emergency Requirements:			
Disaster Tax Relief and Airport and Airway Extension Act of 2017 (P.L. 115-63)	263	263	0
Bipartisan Budget Act, 2018 (P.L. 115-123, Division B, Subdivision 2)	2,217	1,469	-509
Total, emergency requirements	128,119	33,383	-509

^c Sections 1001-1004 of the 21st Century Cures Act (P.L. 114-255) require that certain funding provided for 2017 through 2026 to the Department of Health and Human Services—in particular the Food and Drug Administration and the National Institutes of Health—be excluded from estimates for the purposes of the Deficit Control Act or the Congressional Budget Act. Therefore, the amounts shown in this report do not include \$866 million in budget authority and \$706 million in estimated outlays from such amounts.

^d The Bipartisan Budget Act of 2018 (P.L. 115-123) contains seven divisions: Division A, Subdivision 2 of Division B, and Divisions C-F contain authorizing legislation, of which the budgetary effects of Subdivision 2 of Division B were designated as being for emergency requirements. Subdivisions 1 and 3 of Division B contain appropriations legislation: Subdivision 1 provided supplemental appropriations for fiscal year 2018 for disaster relief and designated those amounts as being for emergency requirements; Subdivision 3 provided continuing appropriations until March 23, 2018, while Section 158 provided authority, for the duration of fiscal year 2018, for the Secretary of Energy to draw down and sell crude oil from the Strategic Petroleum Reserve. Division G of P.L. 115-123 provided for the budgetary treatment of Divisions A-F.

^e In the House of Representatives, and pursuant to section 5111 of H.Con.Res. 71, the budgetary effects related to the Federal Reserve's surplus funds are excluded from current level totals. As a result, the amounts shown do not include estimated increases in revenues of \$2,450 million in fiscal year 2018, \$2,180 million over the 2018-2022 period, and \$1,750 million over the 2018-2027 period.

^f Sections 540-543 of the Department of Homeland Security Appropriations Act, 2017 (Division F of P.L. 115-31), extended several immigration programs through the end of fiscal year 2017. Several continuing resolutions continued those authorities through March 23, 2018, and sections 202-205 of title II of Division M of P.L. 115-141 further extended those programs through 2018. Consistent with the budgetary treatment of Divisions K-V of P.L. 115-141, the budgetary effects of extending the immigration programs through March 23, 2018, are charged to the Appropriations Committee, while the remainder is charged to the relevant authorizing committees.

^g For purposes of enforcing section 311 of the Congressional Budget Act in the House, the resolution, as approved by the House of Representatives, does not include budget authority, outlays, or revenues for off-budget amounts. As a result, current level does not include those items.

^h Periodically, the House Committee on the Budget revises the budgetary levels in H. Con. Res. 71, pursuant to various provisions of the resolution.

	Budget authority	Outlays	Revenues
Original House Resolution:	3,136,721	3,131,688	2,490,936
Adjustment for H.R. 1625 (Consolidated Appropriations Act, 2018)	153,962	65,875	0
Revised House Resolution	3,290,683	3,197,563	2,490,936

n.a. = not applicable; P.L. = Public Law.

As of the transmittal of this report, H.R. 6 had been signed into law, but not yet assigned a public law number.

a Sections 1001-1004 of the 21st Century Cures Act (P.L. 114-255) require that certain funding provided for 2017 through 2026 to the Department of Health and Human Services—in particular the Food and Drug Administration and the National Institutes of Health—be excluded from estimates for the purposes of the Balanced Budget and Emer-gency Deficit Control Act of 1985 (Deficit Control Act) or the Congressional Budget and Impoundment Control Act of 1974 (Congressional Budget Act). Therefore, the amounts shown in this report do not include \$771 million in budget authority, and \$767 million in estimated outlays.

b For purposes of enforcing section 311 of the Congressional Budget Act in the House, the resolution, as approved by the House of Representatives, does not include budg- et authority, outlays, or revenues for off-budget amounts. As a result, current level does not include those items.

c In the House of Representatives during the 115th Congress, pursuant to section 5111 of H.Con.Res. 71, the budgetary effects related to the Federal Reserve's surplus funds are excluded from current level totals. As a result, the amounts shown do not include estimated increases in revenues of \$655 million in fiscal year 2019, \$570 million over the 2019-2023 period, and \$455 million over the 2019-2028 period.

d Division I of P.L. 115-254 provided \$1.68 billion in supplemental appropriations for fiscal year 2019, and designated those amounts as being for emergency requirements pursuant to section 251 of the Deficit Control Act. In general, the budgetary effects of authorizing legislation are recorded as direct spending or revenue. However, consistent with the language in Division I, and at the direction of the House Committee on the Budget, those budgetary effects are classified as discretionary spending.

e In the House of Representatives, and pursuant to section 314(d) of the Congressional Budget Act, amounts designated as an emergency requirement shall not count for purposes of Title III and Title IV of the Congressional Budget Act, and are excluded from current level totals. In addition, emergency funding designated that was not designated pursuant to the Deficit Control Act does not count for certain budgetary enforcement purposes. Those amounts, which are not included in the current level totals, are as follows:

Table with columns: Budget authority, Outlays, Revenues. Row: Discretionary Emergency Requirements Supplemental Appropriations for Disaster Relief Act, 2018 (P.L. 115-254, Division I) with values 1,680, 25, 0.

f Section 30104 of the Bipartisan Budget Act of 2018 required—in the absence of a concurrent resolution on the budget for fiscal year 2019—that the Chair of the House Committee on the Budget publish the aggregate spending and revenue levels for fiscal year 2019; those aggregate levels were first published in the Congressional Record on May 10, 2018. The Bipartisan Budget Act of 2018 also allows the Chair of the House Committee on the Budget to revise the budgetary aggregates:

ADJOURNMENT

The SPEAKER pro tempore. Pursuant to section 4(b) of House Resolution 1084, the House stands adjourned until 11:30 a.m. on Friday, November 2, 2018.

Thereupon (at 1 o'clock and 2 minutes p.m.), under its previous order, the House adjourned until Friday, November 2, 2018, at 11:30 a.m.
