The **SPEAKER** pro tempore. Pursuant to the rule, the gentleman from Colorado (Mr. LAMBORN) and the gentlewoman from Hawaii (Ms. HANABUSA) each will control 20 minutes.

The Chair recognizes the gentleman from Colorado.

GENERAL LEAVE

Mr. LAMBORN. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The **SPEAKER** pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

Mr. LAMBORN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of S. 2074 sponsored by Senator HOEVEN of North Dakota. This legislation is nearly identical to legislation sponsored by our colleague, Congressman KEVIN CRAMER, which was favorably reported by the Natural Resources Committee in August.

This is another bill similar to the one that was discussed a few minutes ago that looks to transfer small parcels of Federal land to State and local government, this time surrounding the Jamestown Reservoir in North Dakota. The land will continue to be used for recreation and public purposes, public access, fish and wildlife habitat, a fish and game headquarters, and for cabins. If any of the land is sold, the proceeds will be given to the Federal Government or the land will revert to the United States.

Like S. 440, which the House just considered, this legislation aims to alleviate financial uncertainty for private citizens residing around the reservoir and will help support the local community through tax revenue.

Mr. Speaker, I urge adoption of the measure, and I reserve the balance of my time.

Ms. HANABUSA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 2074 authorizes the conveyance of certain public lands owned by the Bureau of Reclamation around Jamestown Reservoir in North Dakota.

Like S. 440, this bill ensures that taxpayers receive appropriate compensation for transferred lands and also ensures that transferred recreation lands continue to be available to the public for recreational uses.

For these reasons, Mr. Speaker, I support the passage of S. 2074, and I yield back the balance of my time.

Mr. LAMBORN. Mr. Speaker, I yield back the balance of my time.

The **SPEAKER** pro tempore. The question is on the motion offered by the gentleman from Colorado (Mr. LAMBORN) that the House suspend the

rules and pass the bill, S. 2074, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

COTTONWOOD LAND EXCHANGE ACT OF 2018

Mr. GOSAR. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 6146) to authorize, direct, expedite, and facilitate a land exchange in Yavapai County, Arizona, and for other purposes, as amended.

SEC. 4. EQUAL VALUE EXCHANGE AND APPRAISALS.

(a) **APPRAISALS.**—The values of the lands to be exchanged under this Act shall be determined by the Secretary through appraisals performed in accordance with—

(1) the Uniform Appraisal Standards for Federal Land Acquisitions;

(2) the Uniform Standards of Professional Appraisal Practice;

(3) appraisal instructions issued by the Secretary; and

(4) shall be performed by an appraiser mutually agreed to by the Secretary and the County.

(b) **EQUAL VALUE EXCHANGE.**—The values of the Federal and non-Federal land parcels exchanged shall be equal, or if they are not equal, shall be equalized as follows:

(1) **SURPLUS OF FEDERAL LAND VALUE.**—If the final appraised value of the Federal land exceeds the final appraised value of the non-Federal land, the County shall make a cash equalization payment to the United States as necessary to achieve equal value, including, if necessary, an amount in excess of that authorized pursuant to section 206(b) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1716(b)).

(2) **USE OF FUNDS.**—Any cash equalization moneys received by the Secretary under paragraph (1) shall be—

(A) deposited in the fund established under Public Law 90-171 (commonly known as the “Sisk Act”; 16 U.S.C. 484a); and

(B) made available to the Secretary for the acquisition of land or interests in land in Region 3 of the Forest Service.

(3) **SURPLUS OF NON-FEDERAL LAND VALUE.**—If the final appraised value of the non-Federal land exceeds the final appraised value of the Federal land, the United States shall not make a cash equalization payment to the County, and surplus value of the non-Federal land shall be considered a donation by the County to the United States for all purposes of law.

SEC. 5. WITHDRAWAL PROVISIONS.

Lands acquired by the Secretary under this Act are, upon such acquisition, automatically and permanently withdrawn from all forms of appropriation and disposal under the public land laws (including the mining and mineral leasing laws) and the Geothermal Steam Act of 1930 (30 U.S.C. 1001 et seq.).

SEC. 6. MANAGEMENT OF LAND.

Land acquired by the Secretary under this Act shall become part of the Coconino National Forest and be managed in accordance with the laws, rules, and regulations applicable to the National Forest System.

SEC. 7. MAPS, ESTIMATES, AND DESCRIPTIONS.

(a) **MINOR ERRORS.**—The Secretary and the County may, by mutual agreement—

(1) make minor boundary adjustments to the Federal and non-Federal lands involved in the exchange; and

(2) correct any minor errors in any map, acreage estimate, or description of any land to be exchanged.

(b) **CONFLICT.**—If there is a conflict between a map, an acreage estimate, or a description of land under this Act, the map shall control unless the Secretary and the County mutually agree otherwise.

(c) **AVAILABILITY.**—The Secretary shall file and make available for public inspection in the headquarters of the Coconino National Forest a copy of all maps referred to in this Act.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Arizona (Mr. GOSAR) and the gentlewoman from Hawaii (Ms. HANABUSA) each will control 20 minutes.

The Chair recognizes the gentleman from Arizona.

GENERAL LEAVE

Mr. GOSAR. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

Mr. GOSAR. Mr. Speaker, I yield myself such time as I may consume.

Like many of my colleagues from Western States, I represent rural coun-

ties that are growing quickly but are hitting roadblocks due to the large amount of Federal land in them. Yavapai County in my district is no different.

My bill, the Cottonwood Land Exchange Act, is a commonsense land exchange between the Forest Service and Yavapai County that would allow the county to expand a park by adding new trails and bridges for the residents of Cottonwood to enjoy.

In exchange for 80 acres in the Coconino National Forest, the county has offered to the Forest Service nearly 370 acres of land adjacent to the forest. This land is habitat for the endangered Arizona cliffrose, and the exchange will allow for better protection and conservation of the rose and other sensitive species.

H.R. 6146 is truly a win-win for both the residents of Yavapai County and the Federal Government at no cost to the taxpayers.

Mr. Speaker, I urge adoption of the measure, and I reserve the balance of my time.

Ms. HANABUSA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, this bill authorizes a land exchange between the U.S. Forest Service and Yavapai County, Arizona. The Federal land that will be conveyed to the county is surrounded by county-owned and private land, including Windmill Park, a popular recreation destination for local residents.

Yavapai County intends to manage the land as part of the park in an effort to increase access and improve management efficiency. In exchange, the Forest Service will receive a parcel of land adjacent to Coconino National Forest that provides habitat for the cliffrose—an endangered plant species. The bill ensures an equal value exchange based on standard appraisal requirements—a critical safeguard that guarantees a fair return for taxpayer-owned assets.

Mr. Speaker, I urge adoption of this measure, and I yield back the balance of my time.

Mr. GOSAR. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arizona (Mr. GOSAR) that the House suspend the rules and pass the bill, H.R. 6146, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
