

Mr. GOMEZ. Mr. Speaker, I rise today in opposition to the Trump administration's decision to end temporary protected status, TPS, for more than 200,000 Salvadorans.

TPS holders are thoroughly vetted legal residents who have contributed to our economy and to our communities for almost two decades. Most TPS recipients now call the United States home. Many are parents to children who are American citizens, and tearing these families apart is a heartless and cruel act.

In their decision, this administration claims they reviewed the disaster-related conditions on which the original determination was made; however, they failed to consider the current realities that make El Salvador one of the most dangerous countries in the world. This irresponsible decision will drop hundreds of thousands of people into violence and disaster.

Sending 200,000 Salvadorans, many from my district, to a dangerous foreign country is inhumane. Mr. Speaker, I urge my colleagues to immediately pass the American Promise Act so that we can correct this despicable action.

PAYING TRIBUTE TO PHILLIP LYONS

(Mr. GIANFORTE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIANFORTE. Mr. Speaker, I rise today to pay tribute to a member of the Greatest Generation, a Montanan whose service to our Nation and Montana stretched across eight decades.

Born and raised in Butte, Phillip “Herk” Lyons answered the call to serve following the attack on Pearl Harbor. He joined the Navy and served as a submariner in both World War II and the Korean war.

Phil became active with military service organizations in the 1950s, serving in leadership roles in the American Legion, Veterans of Foreign Wars, and Disabled American Veterans, among others.

Phil was known as “Mr. DAV.” He logged more than 50,000 miles, 16,000 hours, and carried more than 1,700 fellow veterans to appointments.

On behalf of all Montanans, I honor the memory of Phil, and I extend my condolences to his daughter, Debbie, his family, his friends, and all those whom his service touched.

ACT NOW ON A PERMANENT SOLUTION TO PROTECT DREAMERS

(Mr. GRIJALVA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GRIJALVA. Mr. Speaker, given that each day that Congress delays action on the Dream Act, 122 people lose their DACA protected status—since September 5, when Trump eliminated

DACA, close to 16,000 young people have lost their protected status and face daily risk of deportation; given the fact that we have pleaded with Republican leadership on the urgency of finding a permanent legislative solution that will protect DREAMers; given the fact that the contradictions and confusion in the negotiations going on to craft a legislative fix continue to abound; and given the fact that this House has the opportunity to vote on a clean Dream Act, we must act now on a permanent solution that will protect DREAMers.

MOTION TO ADJOURN

Mr. GRIJALVA. Mr. Speaker, I move that the House do now adjourn.

The SPEAKER pro tempore. The question is on the motion to adjourn offered by the gentleman from Arizona (Mr. GRIJALVA).

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Mr. GRIJALVA. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The vote was taken by electronic device, and there were—yeas 62, nays 324, not voting 45, as follows:

Messrs. MITCHELL and HARPER changed their vote from “yea” to “nay.”

So the motion to adjourn was rejected.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Mr. LARSON of Connecticut. Mr. Speaker, on Wednesday, January 10, 2018, I missed rollcall votes 5–7 on the motions to adjourn from Mr. ESPAILLAT, Mr. GUTIÉRREZ, and Mr. GRIJALVA. I was attending meetings off-campus and was not able to return for these unexpected votes that were not on the House schedule. If I had been present for these votes, I would have voted: “Nay” on rollcall vote 5 on the motion to adjourn from Mr. ESPAILLAT, “Nay” on rollcall vote 6 on the motion to adjourn from Mr. GUTIÉRREZ, and “Nay” on rollcall vote 7 on the motion to adjourn from Mr. GRIJALVA.

INCLUDE E-VERIFY IN
IMMIGRATION REFORM PACKAGE

(Mr. SMITH of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMITH of Texas. Mr. Speaker, Congress should include an E-Verify employment eligibility verification program in any immigration reform package. E-Verify is the most effective deterrent to illegal immigration because it shuts off the jobs magnet and saves jobs for hardworking Americans. It is no surprise that E-Verify receives the most public support—82 percent—of any proposed immigration reform.

The E-Verify legislation, the Legal Workforce Act, approved by the Judiciary Committee, has the support of the U.S. Chamber of Commerce and immigration enforcement groups. It provides employers with an efficient and workable system to verify their employees' work status, and the requirement for employers to verify their workers only applies to new employees, not existing workers.

Members should hesitate to support any immigration reform package that does not include requiring employers to use E-Verify. Congress should put the interests of American workers first.

LET STATES REGULATE
MARIJUANA

(Mr. POLIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POLIS. Mr. Speaker, I was gravely concerned last week when Attorney General Sessions removed the guidance of the Cole memo regarding the way that the Department of Justice treats marijuana in jurisdictions where it is legal for medicinal or commercial circumstances. I happen to represent one of those States, the State of Colorado, which has a regulatory system for

marijuana that has now been called into jeopardy through a Federal overreach.

Effectively, Attorney General Sessions has left the entire fate of not just the industry and those who work in it but also consumers in my State in the hands of 93 U.S. attorneys, including the one for our State who, if they wake up on the wrong side of the bed one morning, could engage in a mass enforcement action against residents of Colorado who are following our State law.

I call on President Trump to overturn his attorney, and I call upon this body to put the appropriate funding restrictions, based on the McClintock-Polis amendment, into the final funding bill in the next few weeks to prevent the Department of Justice from using funds given to them by Congress to contravene State law in jurisdictions that have chosen to regulate marijuana.

RECOGNIZING THE BICENTENNIAL
OF SPENCER COUNTY, INDIANA

(Mr. BUCSHON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BUCSHON. Mr. Speaker, I rise today in recognition of an important milestone in Indiana history, the bicentennial of Spencer County, Indiana.

Founded in 1818 by Captain Spier Spencer, this rural county along the Ohio River was the boyhood home of Abraham Lincoln. Years later, when recalling his time in Spencer County, the man who became our 16th President stated quite succinctly: “There, I grew up.”

In addition to the Lincoln Boyhood National Memorial and a scenic state park, Spencer County is home to St. Meinrad Archabbey and Indiana's premier tourist destinations, Holiday World and Splashin' Safari. Wildly recognized as the world's first theme park, Holiday World draws hundreds of thousands of visitors to the county each year.

Today, strategically connected to the world by Interstate 64, US 231, rail, and the Ohio River, Spencer County has become a leader in agriculture, manufacturing, maritime and ground logistics, steel production, power generation, and world class family entertainment.

I proudly salute the citizens and the wonderful hometowns of Spencer County on this notable occasion.

CONGRATULATING CENTRAL
PENNSYLVANIA INSTITUTE OF
SCIENCE AND TECHNOLOGY
LANDSCAPING STUDENTS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to congratulate the landscaping students at the

Central Pennsylvania Institute of Science and Technology for their fourth consecutive first-place win at the Pennsylvania Farm Show.

CPI students again took home the top prize this year in the agricultural education landscape exhibits. In total, eight schools entered this competition at the Farm Show, which is the Nation's largest indoor agricultural event.

Mr. Speaker, I congratulate the following students who are a part of the winning team: Charlee Marshall, Alexis Witherite, Landon Wagner, Jarod Williams, Robert Ficarro, and Calen McCool.

The students have learned from CPI's horticulture and landscaping instructor Joe Luther. Just a couple of weeks ago, Mr. Luther was named the National Career and Technical Education Teacher of the Year.

Mr. Speaker, as co-chair of the Congressional Career and Technical Education Caucus, I am most proud of these CPI students and Mr. Luther for being four-time first-place champions at the Pennsylvania Farm Show.

I congratulate them, and I know that they will continue this fine tradition of being the team to beat at the Pennsylvania Farm Show.

The SPEAKER pro tempore (Mr. HULTGREN). The gentleman from Oklahoma is recognized for 1 hour.

Mr. COLE. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Colorado (Mr. POLIS), pending which I yield myself such time as I
