

thank the ranking member, Mr. DEFazio, and also the subcommittee ranking member, JOHN GARAMENDI, for their hard work. I also thank Dave Jansen and John Rayfield for helping guide this bill to a successful conclusion.

Mr. Speaker, I urge support of this bill.

Mr. SHUSTER. Mr. Speaker, I yield 1 minute to the gentleman from Ohio (Mr. CHABOT).

Mr. CHABOT. Mr. Speaker, I rise in very strong support of this legislation.

I want to thank the chairman and the ranking member for their leadership.

I would like to highlight a specific portion of the bill. This provision preserves an important piece of American history and it supports American jobs. It would reinstate the Delta Queen's grandfathered status from a law that prohibits wooden boats from carrying overnight passengers.

Congress granted the Delta Queen a reprieve from that grandfathered law, which adversely impacts it, for four decades. In doing so, Congress recognized that the Delta Queen was constructed before the law that adversely impacted it was in place and that the law was intended to regulate vessels at sea, oceangoing vessels. It was never intended for river-faring boats like the Delta Queen. That is why Congress granted this reprieve for 40 years. We failed to do that back in 2008.

We are looking at \$100 million in development, in economic dollars in the river areas of this country, including the city of Cincinnati, my area. It used to be the home port. It will be one of the stops. It means a lot of jobs for a lot of people. It will be safely done.

Mr. DEFazio. Mr. Speaker, I yield myself such time as I may consume.

I want to thank Dave Jansen for his hard work and again congratulate the chairman on his last bill passing on the floor.

Mr. Speaker, I yield back the balance of my time.

Mr. SHUSTER. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I urge all my colleagues to support S. 140, the Frank LoBiondo Coast Guard Authorization Act of 2018. It is a good bipartisan bill. I urge all my colleagues to vote for it.

Finally, I would like to thank the staff on both sides of the aisle. On our side, especially, I thank the Coast Guard Subcommittee staff and John Rayfield, who heads up that staff, for his tremendous work. He just informed me that, under the subcommittee's jurisdiction, we will have authorized every single program under that committee's jurisdiction. Great work by John and his team on the subcommittee.

Mr. Speaker, I include in the RECORD the names of the staff on the committee.

From Chairman Shuster's Staff:  
John Rayfield  
Bonnie Bruce  
Lt. Commander Luke Peterson

Kevin Reig  
Maggie Chan  
Kathy Loden  
Brittany Smith  
Hannah Matesic  
Fred Miller  
Geoff Gosselin  
Chris Vieson  
From Ranking Member DeFazio's Staff:  
Dave Jansen  
Kathy Dedrick  
Alex Burkett  
From the Office of Legislative Counsel:  
Hank Savage  
Tom Dillon

Mr. SHUSTER. Mr. Speaker, I would also like to thank all my members for the great support they have given me on both sides of the aisle to move a lot of bipartisan legislation. I want to thank them for that. I thank my subcommittee chairmen for their leadership in working with me.

Finally, I thank my counterpart, the leader of the Democrats on the Transportation and Infrastructure Committee, sometimes being a worthy foe, most of the time being a dependable and able ally. I thank him for all his work. I also thank him for the very, very thoughtful small going away gift that he gave me. I appreciate that greatly. Again, I finally thank him for all his effort and work.

I have no say in who is going to be the next chairman of the committee, but I can tell you that nobody is more able and knowledgeable about the transportation and infrastructure world than PETER DEFazio. I wish him the best and look forward to seeing him down the road.

Mr. Speaker, I urge passage of S. 140, and I yield back the balance of my time.

Mr. PASCRELL. Mr. Speaker, I rise today in strong support of S. 140, the Frank LoBiondo Coast Guard Authorization Act of 2018. Congressman LOBIONDO has served his constituents in New Jersey's 2nd congressional district well, including the Coast Guard Training Center Cape May in Cape May, New Jersey. From his position on the House Transportation and Infrastructure Committee, a panel on which we served together for a decade, he successfully fought on behalf of our state and the brave men and women in uniform who guard our nation. Congressman LOBIONDO has focused on strengthening our nation's maritime industry, which is a critical source of jobs and economic output in New Jersey. During his time in Congress, Congressman LOBIONDO fought to improve the lives of our service men and women and their families. Given his service to bettering the Coast Guard, it is fitting that this year's authorization legislation is named after Congressman FRANK LOBIONDO. I look forward to this bill's passage and strongly urge all my colleagues to support S. 140.

Mrs. TORRES. Mr. Speaker, I rise in support of S. 140, the Frank LoBiondo Coast Guard Authorization Act. No institution is more critical to our national defense and homeland security than the United States Coast Guard, and every day, the men and women of the Coast Guard carry out vital, life-saving missions, including drug interdiction and search and rescue. On November 9, I had the opportunity to tour the Coast Guard's District 11 fa-

cilities in Alameda, California. I was deeply impressed by the dedication and professionalism of the Coast Guard officials I met. However, I was also troubled by the state of some of Coast Guard's equipment. Resources for the Coast Guard are clearly needed, now more than ever, so it is deeply unfortunate that the Trump administration has sought to cut the Coast Guard's budget by as much as 14 percent and has transferred millions of dollars in Coast Guard funding to Immigration and Customs Enforcement. Congress should not allow the Trump administration to raid the Coast Guard budget to implement its anti-immigrant policies. But today, I urge all my colleagues to support S. 140, and I applaud the Chairman and Ranking Member for their hard work bringing this important measure to the floor. Likewise, it is vitally important that, as negotiations regarding the Fiscal Year 2019 Department of Homeland Security Appropriations Act continue, Congress include sufficient funding for the Coast Guard so that it has the resources it needs to carry out its vital missions.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Pennsylvania (Mr. SHUSTER) that the House suspend the rules and concur in the Senate amendment to the House amendment to the bill, S. 140.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the Senate amendment to the House amendment was concurred in.

A motion to reconsider was laid on the table.

#### BLOCKING PROPERTY OF CERTAIN PERSONS CONTRIBUTING TO THE SITUATION IN NICARAGUA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 115-173)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and the Committee on the Judiciary and ordered to be printed:

*To the Congress of the United States:*

Pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), the National Emergencies Act (50 U.S.C. 1601 *et seq.*), section 212(f) of the Immigration and Nationality Act of 1952 (8 U.S.C. 1182(f)), and section 301 of title 3, United States Code, I hereby report that I have issued an Executive Order declaring a national emergency to deal with the threat posed by the situation in Nicaragua, including the violent response by the Government of Nicaragua to the protests that began on April 18, 2018, and the Ortega regime's systematic dismantling and undermining of democratic institutions and the rule of law, its use of indiscriminate violence and repressive tactics against civilians, as well as its corruption leading to the destabilization of Nicaragua's economy.

The Executive Order blocks all property and interests in property within

United States jurisdiction of any person determined by the Secretary of the Treasury, in consultation with the Secretary of State:

(i) to be responsible for or complicit in, or to have directly or indirectly engaged or attempted to engage in, any of the following:

(A) serious human rights abuse in Nicaragua;

(B) actions or policies that undermine democratic processes or institutions in Nicaragua;

(C) actions or policies that threaten the peace, security, or stability of Nicaragua;

(D) any transaction or series of transactions involving deceptive practices or corruption by, on behalf of, or otherwise related to the Government of Nicaragua or a current or former official of the Government of Nicaragua, such as the misappropriation of public assets or expropriation of private assets for personal gain or political purposes, corruption related to government contracts, or bribery;

(ii) to be a leader or official of an entity that has, or whose members have, engaged in any activity described in section (i) or of an entity whose property and interests in property are blocked pursuant to the Executive Order;

(iii) to be an official of the Government of Nicaragua or to have served as an official of the Government of Nicaragua at any time on or after January 10, 2007;

(iv) to have materially assisted, sponsored, or provided financial, material, or technological support for, or goods or services in support of:

(A) any activities described in section (i); or

(B) any person whose property and interests in property are blocked pursuant to the Executive Order; or

(v) to be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to the Executive Order.

I have delegated to the Secretary of the Treasury, in consultation with the Secretary of State, the authority to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA as may be necessary to carry out the purposes of the Executive Order. All agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the Executive Order.

I am enclosing a copy of the Executive Order I have issued.

DONALD J. TRUMP.
