H.R. 7163

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

**SECTION 1. FINDINGS.**

Congress finds the following:

(1) Major Brent Taylor began his military service following the attacks of September 11, 2001. He joined the Army National Guard in 2003, three days after his engagement to his wife, Jennie. Five of his brothers would eventually serve in the Armed Forces following the deadly attacks.

(2) During his time in the Army National Guard, Major Taylor distinguished himself in service to the United States and the State of Utah. He received a commission as a second lieutenant from the Brigham Young University Reserve Officer Training Corps in 2006, while graduating as a member of the National Society of Collegiate Scholars.

(3) During his impressive career with the Utah National Guard, Major Taylor distinguished himself in multiple specialties, including Intelligence and Military Police. One of his earliest assignments included analyzing foreign language documents in support of the Defense Intelligence Agency. He also led document exploitation efforts in multiple European and South American languages for a variety of intelligence community customers. Major Taylor also managed a team that assessed security vulnerabilities at high-profile facilities across the United States, all while maintaining a successful private sector career in Utah.

(4) Major Taylor was continuously ready to take up his Nation's call to arms and deployed four times in support of operations in Iraq and Afghanistan. His deployed duties varied from Platoon Leader and Combat Advisor to Chief of Staff to the Special Operations Advisory Group, responsible for leading a joint task force advising and assisting an elite Afghan special operations unit.

(5) Throughout his deployments, Major Taylor distinguished himself on several occasions, earning a multitude of awards including the Bronze Star. The citation credits Major Taylor's ability to think calmly and decisively with keeping his subordinates safe while traversing 600,000 miles of roads in Iraq, laden with improvised explosive devices (hereinafter, "IED") and ripe for ambush.

(6) During one particularly harrowing mission, Major Taylor's vehicle was struck by an IED. While he survived the attack, the wounds he received earned him the Purple Heart.
