##### TRIBUTE TO CAITLIN "KATIE" BRAND AND RECOGNIZING UCWIP

• Mr. CRAPO. Mr. President, today I wish to honor the Uni-Capitol Washington Internship Programme, UCWIP. Our Nation has benefited from the service of outstanding Australian college students who participate in internships throughout the U.S. Congress through this program.

The program provides students with the opportunity to obtain considerable experience through their congressional internships, while also making available other educational experiences throughout their time in the U.S. Uni-Capitol Washington Programme interns have helped me serve Idaho constituents, and I am grateful for their efforts and dedication.

Caitlin "Katie" Brand, a UCWIP participant, joined my staff as an intern this semester. Katie is studying a double bachelor of commerce, accounting, and law with a diploma of languages, Mandarin, at Monash University. Upon completion of her degree, Katie intends to pursue a career in either the international relations, finance, or banking fields. Katie has been a pleasure to have on my staff and quickly adapted to her role and responsibilities in the office. Her eager and intelligent demeanor have allowed Katie to put forth her best work in helping to advance crucial work for Idahoans. I commend the level of professionalism Katie exhibits in every office interaction. She has shared with us some of the political and cultural differences between the U.S. and Australia, and it has been a great learning experience for both Katie and the staff.

"Being part of the UCWIP program and working in Senator Mike Crapo's office was an invaluable experience," Katie has said about her experiences in Washington. "The opportunity has afforded me unparalleled insight into the world's foremost legislative body and

enriched my professional development, including opportunities beyond what I imagined, such as attending the State of the Union as the Senator's guest. I want to wholeheartedly thank Senator Crapo and the staff in Senator Crapo's office who have made my internship so enjoyable and educational."

Eric Federer, UCWIP's director and founder, has successfully focused his Capitol Hill and Australia experiences to provide this valuable educational exchange opportunity that benefits Australian students and congressional offices. His dedication to advancing this learning experience is remarkable.

I have been honored to have worked with the Uni-Capitol Washington Internship Programme for several years. The program is shaping young leaders who are helping to deepen understanding between our two nations while providing outstanding constituent support. I commend Katie Brand, Eric Federer, and the other Uni-Capitol Washington Internship Programme participants and interns for their achievements and wish them continued success.●

Irma's friends describe her as an independent spirit with a great sense of humor. She loves wildlife, playing cards and dominos, and keeping up with basketball games. As a young woman, she cleaned people's houses to help support her family. While working as a cook at the Village Bath School, Irma was well known for her baking skills.

Irma is a dedicated member of the Bath Congregational Church where she has sung in the choir and served as the church treasurer. Twenty-three years ago, Irma started the annual Fall Foliage Festival in her town. She has also been a member of Pine Grove Grange for over 85 years and continues to serve as their treasurer.

Irma and her husband, Edwin Clough, who passed away in 1993, were married for 45 years. Together they raised three children, and now, Irma has 8 grandchildren and 10 great-grandchildren.

I hope everyone joins me in wishing an accomplished and well-loved Granite Stater, Irma Clough, a very happy 100th birthday.●

##### TRIBUTE TO KATERI CALLAHAN

• Mrs. SHAHEEN. Mr. President, I want to recognize the leadership of Kateri Callahan, who has served as president of the Alliance to Save Energy since 2004. As the honorary chair of the alliance, I have been a firsthand witness to many of Kateri's most recent accomplishments. Before Kateri

starts the next chapter of her career, I want take this opportunity to look back upon her 14 years with the alliance and thank her for her contributions to Federal energy-efficiency policy.

In 1977, Senators Charles Percy and Hubert Humphrey—a Republican from Illinois and a Democrat from Minnesota—founded the alliance as the leading energy-efficiency coalition of businesses, governments, environmental groups, and consumer advocates. The goal of the Alliance from the start has been simple: "Use less and do more." In the wake of the oil embargoes and energy shortages of the 1970s, that message resonated loud and clear, and it still does.

Energy efficiency saves money, improves national security, reduces pollution, encourages innovation, boosts U.S. competitiveness, and creates jobs. Without the economywide improvements in energy efficiency made since 1973, it is estimated that today's economy would require 60 percent more energy than we consume now. In fact, savings from energy-efficiency improvements over the last 40 years have reduced our national energy bill by an estimated \$800 billion, all while growing and expanding our economy.

Since its establishment, the alliance has taken great care to cultivate and maintain bipartisan support for policies supporting energy efficiency. While doing so, the organization has been led by a distinguished groups of energy efficiency thought-leaders and advocates like Kateri.

For my colleagues who have not met Kateri, you need to know she is persistent and tenacious. Once she gets ahold of something, believe me she never lets go and sees it through to the end. I am thankful for Kateri's leadership, and on behalf of my House and Senate colleagues who are also part of the alliance, I am thankful for the coalition's support for my proposals over the years.

Highlights abound during Kateri's tenure at the alliance. She was a key negotiator on many of the most impactful energy-efficiency provisions of the 2005 and 2007 energy bills that passed Congress with strong bipartisan support and were signed into law by President George W. Bush. She helped ensure that the 2009 stimulus package provided significant investments in energy efficiency and encouraged states to adopt updated building energy codes. In 2015, she stood with me and my colleagues, Senator ROB PORTMAN and Representatives DAVID MCKINLEY and PETER WELCH, as President Barack Obama signed our bipartisan and bicameral bill, the Energy Efficiency Improvement Act, which was the first significant energy-efficiency legislation to pass Congress in nearly a decade.

In addition to her work in Washington, Kateri has spurred initiatives to connect directly with energy consumers and educate the public about

the economic and environmental opportunities of energy efficiency. She produced a series of award-winning consumer education campaigns, including the Power is in Your Hands, Energy Hog, DriveSmarter, LUMEN, and Six Degrees of Energy Efficiency. She also led the establishment of the Southeast Energy Efficiency Alliance to ensure that American families and businesses in the southeastern States have the knowledge, resources, and opportunities to optimize energy use.

The alliance's reach does not stop at our borders. Under the leadership of Kateri, the alliance created the European Alliance to Save Energy and established EE Global, the world's premier gathering of energy-efficiency leaders to discuss new ideas and chart new paths to do more by using less.

Serving 14 years as president of an organization like the alliance is its own commendable accomplishment, but Kateri has had a more profound and positive impact on Federal energy-efficiency policy than can be counted just in years. I congratulate Kateri and express sincere thanks for her support over the years. I wish her the best in her future pursuits and good health and good luck.

Thank you.●
