STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. HATCH (for himself and Mr. WYDEN):

S. 2526. A bill to amend the Internal Revenue Code of 1986 to encourage retirement savings, and for other purposes; to the Committee on Finance.

Mr. WYDEN. Mr. President, Senator HATCH and I have introduced the Re-

tirement Enhancement and Savings Act of 2018. This bill makes a number of improvements to our Nation's employer-provided retirement plans and is the result of several years of bipartisan work on the part of the Finance Committee. The Retirement Enhancement and Savings Act was unanimously reported out of the Finance Committee in the prior Congress, and I urge my colleagues to support this bill.

The bill that Senator HATCH and I have introduced is identical to the bill reported by the Finance Committee except for updating effective dates, omitting provisions that already have been enacted into law, and several technical modifications to the provisions impacting the United States Tax Court and to the safe harbor for employers for annuity provider selection.

The safe harbor for annuity provider selection is a critical change to current law that will encourage employers to offer annuities to employees in 401(k) and other defined contribution retirement plans. Many employers are reluctant to offer annuities in these types of plans because of uncertainty about their liability in the event that an insurer becomes insolvent and is unable to pay benefits under the annuity. This safe harbor provides certainty for employers who select insurers who are financially capable of meeting their commitments and are in good standing with State regulators. The technical modification to the safe harbor is a one-word change that clarifies that the safe harbor is solely for the selection of the insurer and the possibility that the insurer may not be able to make payments due under the contract and is not a safe harbor for the selection of the contract. As under existing law, the plan fiduciary remains required to prudently select the type of annuity that is best for participants and beneficiaries.

By Mr. CARDIN (for himself, Mr. RISCH, and Mr. KENNEDY):

S. 2527. A bill to amend the Small Business Investment Act of 1958 to increase the amount of leverage made available to small business investment companies; to the Committee on Small Business and Entrepreneurship.

Mr. CARDIN. Mr. President, I rise today to introduce a common sense piece of legislation that will expand the ability of the Small Business Administration (SBA) to nurture innovative and high-growth small businesses in Maryland and across the country.

Let me first say, I recently returned to the Senate Committee on Small Business & Entrepreneurship as the Ranking Member. I look forward to continuing the important work of helping America's 29 million small businesses—the job creating engine of the country—access the essential capital to grow, to earn their fair share of Federal contracts, and to take advantage of SBA's counseling and mentoring programs that help entrepreneurs market and manage their businesses.

The Small Business Investment Opportunity Act is straightforward. It
