#### MICHIGAN PTA CENTENNIAL

Ms. STABENOW. Mr. President, today I wish to pay special tribute to the Michigan Parent Teacher Association, which this year is celebrating 100 years of advocacy on behalf of Michigan's children and families.

A lot has changed since the Michigan PTA was first established in Battle Creek on May 19, 1918. Parents today are as likely to learn school news via Facebook or text messages as they are from notes sent home, and students are as likely to learn their lessons on laptops and tablets as they are on the chalkboard.

However, one thing hasn't changed at all: Michigan PTA members are still working together every day to provide a quality education and nurturing environment for every Michigan child.

They do that in the best way possible, by bringing together families, educators, school boards, nonprofit organizations, businesses, community leaders, and elected officials around a common cause: promoting the welfare of Michigan children in school, at home, and in the community.

It has been said that it takes a village to raise a child, and the PTA is building that village.

They are building that village by offering parents resources on important topics like teen driving, bullying prevention, online safety, and career planning.

They are building that village by presenting the Fran Anderson Michigan PTA Scholarship to high school seniors who have demonstrated leadership and advocacy skills through their involvement in PTA.

They are building that village through Advocacy Day and advocacy training that gives members the tools they need to speak up for policies that benefit students, families, and schools.

They are building that village by ensuring that parents remain strong partners in the education of their children.

For a century, the Michigan PTA has made sure that the voices of our parents are heard and that the needs of our children are not forgotten. I have been honored to join them in this effort and look forward to continuing our work together.

Michigan's future is found in our children. Thanks to the Michigan PTA for 100 years of making that future a bright one.

Thank you.

## PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-181. A concurrent resolution adopted by the Legislative Assembly of the Commonwealth of Puerto Rico requesting the United States Congress to extend the unemployment and the Disaster Unemployment Assistance (DUA) benefits for an additional twenty-six (26) weeks, due to the catastrophic impact of Hurricanes Maria and Irma on Puerto Rico; to the Committee on Energy and Natural Resources.

### CONCURRENT RESOLUTION 50

#### STATEMENT OF MOTIVES

Only two weeks after Hurricane Irma hit the Island, on September 20th, 2017, Hurri-

cane Maria struck Puerto Rico. The eye of this Category 4 hurricane made landfall in the municipality of Yabucoa.

Puerto Rico suffered damages estimated in at least ninety billion dollars (\$90,000,000,000), and a never-before-seen devastation. The power grid as well as the telecommunications and drinking water systems were down. One month after landfall, a mere eighteen percent (18%) of the population had power service, fifty-nine percent (59%) had telecommunications service, and seventy-three percent (73%) had drinking water service.

Many businesses have been unable to operate due to the lack of these services. Consequently, a significant number of employees have lost their jobs or their work hours have been reduced considerably.

Through a contribution based on a percentage of payroll expenses, employers participate in a program where job-seeking unemployed persons are able to receive financial assistance and labor advisory from the Government.

Workers who have been wrongfully discharged may receive the following benefits:

Unemployment compensation equivalent to a percentage of the salary earned up to one hundred thirty-three dollars (\$133.00) a week. Such compensation may be extended for an additional twenty-six (26) weeks, if eligible.

Job search assistance through their job center locations.

Furthermore, the Disaster Unemployment Assistance (DUA) is available for employed and self-employed persons who have been determined not otherwise eligible for regular unemployment insurance benefits. This program provides unemployment benefits to individuals who have become unemployed as a direct result of a major disaster. Just as the unemployment benefit, this assistance is available for twenty-six (26) weeks.

Hurricanes Irma and Maria have had a major impact on the economy. Countless Puerto Ricans have lost their jobs, either temporarily or permanently. The lines at the regional offices of the Department of Labor are endless.

Moreover, it has been estimated that more than sixty thousand (60,000) Puerto Ricans have left the Island over the thirty (30) days following Hurricane Maria, forty thousand (40,000) of which have relocated to Florida.

If the U.S. Congress approves the unemployment benefit extension it will greatly contribute to the recovery of the People of Puerto Rico and prevent many others from making the difficult decision of moving from Puerto Rico.

This is not the first time that such a request is made. The U.S. Congress approved a similar extension in 2006 after Hurricanes Katrina and Rita struck Louisiana and Texas, respectively.

For all of the foregoing, this Legislative Assembly of Puerto Rico deems it meritorious to request the Congress of the United States of America to extend the unemployment and the Disaster Unemployment Assistance (DUA) benefits for an additional twenty-six (26) weeks, due to the catastrophic impact of Hurricanes Maria and Irma on Puerto Rico.

*Be it resolved by the Legislative Assembly of Puerto Rico:*

Section 1.—To request the Congress of the United States of America to extend the unemployment and the Disaster Unemployment Assistance (DUA) benefits for an additional twenty-six (26) weeks, due to the catastrophic impact of Hurricanes Maria and Irma on Puerto Rico.

Section 2.—It is hereby directed that a copy of this Concurrent Resolution, translated into English, be delivered to the lead-

ership of the Congress of the United States of America, including the Resident Commissioner of Puerto Rico in Washington, D.C., the President of the United States of America, and the U.S. Secretary of Labor.

Section 3.—This Concurrent Resolution shall take effect upon its approval.
