TRIBUTE TO MARK PETERSON

Mr. DURBIN. Mr. President, I want to join with Members of Congress and congressional staff in celebrating Mark Peterson's 30 years of service and retirement from the town of Normal. Mark has honorably served the people of Normal, IL, since 1988 and as its city manager since 1998.

He has served on the governing boards for a variety of public and community organizations, including the MetCom Emergency Communications Center, the Bloomington-Normal Economic Development Council, the Central Illinois Regional Broadband Network, the McLean County Regional Planning Commission Executive Committee, the Community Development Corporation, the BN Advantage Leadership Council, and Connect Transit.

Mark was instrumental in the planning and successful redevelopment of Uptown Normal, including the Children's Discovery Museum, as well as Uptown Station and its new rail platform, waiting area, bus bays, and related development at the Marriott Hotel and Conference Center and the Hyatt Place Bloomington-Normal Hotel.

Under the administration of Mark Peterson, the Shoppes at College Hills grew into a thriving modern retail center. The Constitution Trail also grew to nearly 50 miles of recreational trail through the cities of Normal and Bloomington, providing the community with an outstanding linear park.

Mark oversaw a period of tremendous growth in the town of Normal, while maintaining an AAA bond rating and serving as independent confirmation of the town's fiscal health and stability. He also cultivated fruitful partnerships with members of the Illinois congressional delegation, but most importantly, Mark has been a loyal leader and community servant for the residents of Normal and will continue to be an admired citizen of the community.

Mark's commitment to the town of Normal can be seen in every corner of the city, and that work will not be forgotten.

TRIBUTE TO MARK BOOTH

Mr. ENZI. Mr. President, today I wish to honor and recognize the out-

standing service of Mark Booth on his retirement after 31 years of public service at the Congressional Budget Office. Mark's expertise as a forecaster and modeler has made him an invaluable contributor to CBO's analysis of the budget outlook. Since 2003, Mark has been chief of the revenue estimating unit of CBO's tax analysis division, overseeing its forecasts of tax revenues and cost estimates of legislative proposals.

Mark came to CBO in 1986 from the private sector, where he began his career as a forecaster and analyst. He took over responsibility for CBO's corporate income tax projections and quickly demonstrated his analytic skills. As a result, Mark's portfolio continuously expanded, as he soon also became the lead analyst for CBO's projections of individual income taxes and Federal Reserve System's earnings. In addition, Mark joined the tax analysis division's cost-estimating team, overseeing assistant analysts to produce timely estimates of legislative proposals. Over those years, Mark won the CBO Director's Award for Exceptional Service, the agency's highest recognition for work by a CBO staffer, twice.

In recognition of Mark's abilities and breadth of experience, he was promoted to the position of unit chief for revenue estimating in 2003, and he has overseen the division's projections and cost estimates ever since. As head of the revenue estimating unit, Mark has led his staff in providing high-quality and timely projections of revenues and analysis of budget issues. Mark has made valuable contributions to numerous reports, testimonies, and cost estimates in just about every subject area covered by CBO, including the economy, energy, transportation, and healthcare. He also has served a crucial role in trying to make CBO's analysis more transparent, preparing several background papers that describe CBO's methods of forecasting revenues and evaluate the agency's projections record.

I know my colleagues join me in extending our thanks and appreciation to Mark for his service to our Nation. We wish him well in his retirement from CBO and hope he will continue in future years to lend his expertise to the analysis of important tax policy issues.

ADDITIONAL STATEMENTS

TRIBUTE TO KELLI LOHR

• Mr. DAINES. Mr. President, this week I have the honor of recognizing Kelli Lohr, the new owner of the Prairie Peddler in Shelby. The Prairie Peddler has been a community business for over two decades. Families throughout the years have come to indulge in scones, cookies and coffee, and shop for household decor and gifts.

When Kelli saw that the notable community establishment may close without a new owner, she stepped up with-

out any prior experience as a businessowner and took a chance. Working together with the former owner to make a smooth transition, Kelli was able to ensure that the community's favorite staples would still be available as she stocked the shelves with new and exciting items as well. Her work has paid off. The family business is growing as folks have more money in their paychecks following the recent tax cuts and the community is eager to support the new management.

Thank you, Kelli, and the rest of the Lohr family. Your dedication to maintaining a community business is appreciated by the people of Toole County and the surrounding area. It is businesses like yours that make Montana the "Last Best Place."•
