S. RES. 483

Whereas volunteers in the United States who are 55 years of age and older (referred to in this preamble as "senior volunteers") provide much-needed services to their communities, neighbors, and friends;

Whereas Senior Corps, through the RSVP, Foster Grandparent, and Senior Companion programs administered by the Corporation for National and Community Service, provides meaningful opportunities to 220,000 senior volunteers and recruits thousands of additional community volunteers;

Whereas, for more than 5 decades, RSVP volunteers, Foster Grandparents, and Senior Companions have played an important role in strengthening communities by contributing their experience, knowledge, and accomplishments in order to—

- (1) help their neighbors recover from natural and manmade disasters;
- (2) provide nutrition services;
- (3) mentor and tutor schoolchildren;
- (4) support veterans and military families; and
- (5) provide respite care to caregivers;

Whereas, in 2017, Senior Corps volunteers provided 54,000,000 hours of direct service through more than 25,000 nonprofit, educational, and faith-based community groups nationwide;

Whereas structured volunteering by senior volunteers—

- (1) keeps those senior volunteers active, healthy, and engaged;
- (2) helps the United States by saving taxpayer dollars and reducing health care costs; and
- (3) supports the ability of seniors to live independent and productive lives;

Whereas the RSVP, Foster Grandparent, and Senior Companion programs have proven to be cost-effective ways to engage senior volunteers in service that meets pressing community needs;

Whereas the United States should expand senior volunteer service opportunities to take advantage of the talents and experiences of the 10,000 baby boomers who will retire each day for the next 20 years; and

Whereas, at a time of mounting social need and growing interest in service by older individuals in the United States, the United States has an unprecedented opportunity to harness the talents of senior volunteers to address community challenges: Now, therefore, be it

Resolved, That the Senate—

(1) designates the week of April 29 through May 5, 2018, as "National Senior Corps Week"; and

Whereas Parkinson's disease is a chronic, progressive neurological disease and is the second most common neurodegenerative disease in the United States;

Whereas there is inadequate data on the incidence and prevalence of Parkinson's disease, but it is estimated to affect nearly 1,000,000 individuals in the United States, with that number expected to more than double by 2040;

Whereas Parkinson's disease is the 14th leading cause of death in the United States according to the Centers for Disease Control and Prevention;

Whereas millions of individuals in the United States are caregivers, family members, and friends who are greatly impacted by Parkinson's disease;

Whereas research suggests the cause of Parkinson's disease is a combination of genetic and environmental factors, but the exact cause in most individuals is still unknown;

Whereas there is currently no objective test or biomarker to diagnose Parkinson's disease;

Whereas there is no known cure or drug to slow or halt the progression of Parkinson's disease, and available treatments are limited in their ability to address the medical needs of patients and remain effective over time;

Whereas the symptoms of Parkinson's disease vary from person to person and can include—

- (1) tremors;
- (2) slowness of movement and rigidity;
- (3) gait and balance difficulty;
- (4) speech and swallowing disturbances;
- (5) cognitive impairment and dementia;
- (6) mood disorders; and
- (7) a variety of other non-motor symptoms;

Whereas volunteers, researchers, caregivers, and medical professionals are working to improve the quality of life of individuals living with Parkinson's disease and their families; and

Whereas increased research, education, and community support services are needed to find more effective treatments and to provide access to quality care to those living with Parkinson's disease today: Now, therefore, be it
