Res. 502, a resolution supporting robust relations with the State of Israel bilaterally and in multilateral fora upon seventy years of statehood, and for other purposes.

#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Ms. COLLINS (for herself, Mr. KING, Mr. BLUNT, Mr. JONES, Mrs. FISCHER, Mrs. McCASKILL, Mr. MORAN, Mr. WICKER, Mr. ISAKSON, and Mrs. CAPITO):

S. 2835. A bill to require a study of the well-being of the newsprint and publishing industry in the United States, and for other purposes; to the Committee on Finance.

Ms. COLLINS. Mr. President, I rise today to introduce the Protecting Rational Incentives in Newsprint Trade Act of 2018, also known as the PRINT Act, which seeks to address an urgent crisis facing printers and publishers in the United States. I am very pleased to be joined by Senator KING and a bipartisan and distinguished group of cosponsors, including Senators BLUNT, JONES, FISCHER, McCASKILL, MORAN, WICKER, ISAKSON, and CAPITO, to advance this legislation, which is endorsed by publishers representing more than 600,000 American jobs.

Earlier this year, the Department of Commerce instituted import taxes on certain types of paper imported by the U.S. printing and publishing industry from Canada. The paper—technically known as uncoated groundwood paper, but better known as newsprint—is used by newspapers, book publishers, and numerous other commercial printers in the United States. These import taxes are being advanced under the principle of trade enforcement to protect the domestic paper industry. It is telling, however, that nearly all of the U.S. paper industry opposes these import taxes, including the large trade association representing the entire industry, the American Forest and Paper Association. The paper industry opposes the import taxes because they threaten to decimate the paper industry's customers and drive printers and publishers out of business forever.

The import taxes are as high as 32 percent on some products. The printing and publishing industry is already facing a severe economic threat from the overall trends in the publishing market, including the shift to digital consumption of news. The printing and publishing industry simply cannot absorb the increased costs of paper caused by the tariffs. The Tampa Bay
