

Whereas, the changes created by the Tax Cuts and Jobs Act of 2017 will affect a disproportionately high percentage of Hawaii residents compared to other states because of Hawaii's unique physical and economic environment; and

Whereas, Hawaii currently ranks as one of the states that is least dependent on federal aid, with federal assistance comprising only 22.8 percent of general revenues: Now, be it

Resolved, By the House of Representatives of the Twenty ninth Legislature of the State of Hawaii, Regular Session of 2018, that the President of the United States and the United States Congress are urged to mitigate the high, disproportionately adverse impacts of the Tax Cuts and Jobs Act of 2017 on Hawaii citizens by increasing federal funding of Hawaii housing initiatives; and be it further

Resolved, That the President of the United States and the United States Congress are urged to request the United States Department of Housing and Urban Development to increase funding levels to Hawaii programs, regardless of potential budget cuts to that department in pending federal appropriations bills; and be it further

Resolved, That certified copies of this Resolution be transmitted to the President of the United States, Vice President of the United States, Majority Leader of the United States Senate, Speaker of the United States House of Representatives, members of Hawaii's congressional delegation, United States Secretary of Housing and Urban Development, Governor, Director of Human Services, and Executive Director of the Hawaii Public Housing Authority.
