TEXT OF AMENDMENTS

SA 2269. Mr. MORAN (for himself and Mr. ROBERTS) submitted an amendment intended to be proposed by him to the bill H.R. 5515, to authorize appropriations for fiscal year 2019 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes, which was ordered to lie on the table, as follows:

At the end of subtitle D of title XXVIII, add the following:

SEC. ____ . NOTIFICATION OF CHANGES IN FORCE STRUCTURE OF THE UNITED STATES ARMY.

(a) NOTIFICATION.—Consistent with notification requirements set forth under section 993(a) of title 10, United States Code, the Secretary of the Army shall, as provided under subsection (b), notify the congressional defense committees and congressional members of the affected States of changes in force structure of a battalion-size unit or other units of approximately 500 members assigned at a military installation. In determining the change in force structure of a locality, the Secretary shall take into consideration both short-term and long-term cost factors.

(b) NOTICE REQUIREMENTS.—No action may be taken to effect or implement a change in force structure described under subsection (a) until—

(1) the Secretary of the Army—

(A) submits to Congress a notice of the proposed change in force structure, including the detailed scoring data analyzed by the Army and a justification for any changes to the methodology, attributes in the Military Value Analysis, and other categories weighed at the direction of the Secretary; and

(B) includes in the notice a report on the change in force structure as described under subsection (c); and

(2) a period of 90 days expires following the day on which the notice is submitted to the congressional defense committees and congressional members of the affected States as appropriate.

(c) REPORT ON THE CHANGE IN FORCE STRUCTURE.—The report referred to under subsection (b)(1)(B) is a report from the Secretary of the Army on the changes in force structure, including updates to the Procedures for Army Stationing related to the changes in force structure, as follows:

(1)(A) Military Value Analysis training attribute data and scoring for contiguous and non-contiguous training areas, including airspace, according to the associated installation, as separate and distinct training areas measured by average daily use and the cost of use.

(B) For purposes of determining training areas pursuant to this paragraph, non-contiguous training areas owned by the National Guard or other government agencies with formal agreements with the Army may be considered under the Military Value Analysis training attribute as a separate and distinct training area measured by average daily use and the cost of use.

(2) A standardized explanatory statement for each associated installation with a non-contiguous training area attribute that includes a justification for its use as it relates to the specific change in force structure under consideration and the cost and benefit to access a non-contiguous training area due to geographic separation, as described in Department of the Army Pamphlet (DA PAM) 5-13.

(3) Military Value Analysis investment attribute data and scoring for infrastructure surrounding each associated installation, including housing, schools, and transportation, funded by State or local governments and communities measured by the last five fiscal years.

(4)(A) Programmatic Environmental Assessment data and scoring for the projected cost of military construction and sustainment, restoration, and maintenance requirements, according to each associated installation, as separate and distinct measurements projected by the Future Year Defense Program planning to meet change in force structure mission requirements.

(B) For purposes of this paragraph, relocatable buildings or structures designated as temporary that are not eligible to receive sustainment, restoration, and maintenance funding, shall be measured as separate and distinct buildings or structures for each associated installation.

(5) Projected cost savings or cost avoidance to the Army that may impact the long-term total cost of the change in force structure, including total lifecycle cost factors of installation energy and utility costs, installation operating cost, installation renovation and maintenance cost, and the rate of basic allowance for housing.

(6) Projected cost savings to the Army and force structure unit members and their dependents measured by State and local exemptions in the form of a tax credit, State professional license reciprocity, education, employment, or other benefits as determined by the Secretary.

SA 2270. Mr. MORAN submitted an amendment intended to be proposed by him to the bill H.R. 5515, to authorize appropriations for fiscal year 2019 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of subtitle D of title III, add the following:

SEC. 340. PROHIBITION ON THE REDUCTION IN FORCE CAPACITY OR CAPABILITY OF THE ADVANCED TURBINE ENGINE ARMY MAINTENANCE OF THE ARMY NATIONAL GUARD.

(a) IN GENERAL.—No action may be taken—

(1) to reduce the capacity or capability of the Advanced Turbine Engine Army Maintenance (ATEAM) of the Army National Guard
