#### SENATE RESOLUTION 559—RECOGNIZING THE CONTRIBUTIONS OF AFRICAN AMERICANS TO THE MUSICAL HERITAGE OF THE UNITED STATES AND THE NEED FOR GREATER ACCESS TO MUSIC EDUCATION FOR AFRICAN-AMERICAN STUDENTS, AND EXPRESSING SUPPORT FOR THE DESIGNATION OF JUNE AS AFRICAN-AMERICAN MUSIC APPRECIATION MONTH

Mr. BOOKER (for himself, Ms. HARRIS, Mr. CARPER, Mr. DURBIN, Mr. JONES, Mr. CARDIN, Mr. NELSON, and Mr. COONS) submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions:

S. RES. 559

Whereas spirituals, ragtime, blues, jazz, gospel, classical composition, and countless other categories of music have been created or enhanced by African Americans, and are etched into the history and culture of the United States;

Whereas the first Africans transported to the United States came from a variety of ethnic groups with a long history of distinct and cultivated musical traditions, brought musical instruments with them, and built new musical instruments in the United States;

Whereas spirituals were a distinct response to the conditions in the United States, and expressed the longing of slaves for spiritual and bodily freedom, for safety from harm and evil, and for relief from the hardships of slavery;

Whereas jazz, arguably the most creative and complex music that the United States has produced, combines the musical traditions of African Americans in New Orleans with the creative flexibility of blues music;

Whereas masterful trumpeters Louis Armstrong and Miles Davis achieved national and international recognition with the success of “West End Blues” by Louis Armstrong in the 1920s and “So What” by Miles Davis in the late 1950s;

Whereas talented jazz pianist and vocalist Nathaniel Adams Coles recorded more than 150 singles and sold more than 50 million records;

Whereas the talent of Ella Fitzgerald, winner of 13 Grammys, is epitomized by a rendition of “Summertime”, a bluesy record accompanied by melodic vocals;

Whereas Natalie Cole, the daughter of Nathaniel Adams Coles, achieved musical success in the mid-1970s as a rhythm and blues artist with the hits “This Will Be” and “Unforgettable”;

Whereas in the 1940s bebop evolved through jam sessions, which included trumpeter Dizzy Gillespie and the alto saxophonist Charlie Parker, that were held at clubs in Harlem, New York, such as Minton’s Playhouse;

Whereas earlier classical singers such as Elizabeth Taylor Greenfield, one of the first widely known African-American vocalists, and other early African-American singing pioneers, including Nellie Mitchell Brown, Marie Selika Williams, Rachel Walker Turner, Marian Anderson, and Flora Batson Bergen paved the way for female African-American concert singers who have achieved great popularity during the last 50 years;

Whereas the term “rhythm and blues” originated in the late 1940s as a way to describe recordings marketed to African Americans and replaced the term “race music”;

Whereas lyrical themes in rhythm and blues often encapsulate the African-American experience of pain, the quest for freedom, joy, triumphs and failures, relationships, economics, and aspiration, and were popularized by artists such as Ray Charles, Ruth Brown, Etta James, and Otis Redding;

Whereas soul music originated in the African-American community in the late 1950s and early 1960s and combines elements of African-American gospel music, rhythm and blues, and jazz, and was popularized by artists such as James Brown, Ray Charles, Sam Cooke, and Jackie Wilson;

Whereas in the early 1970s the musical style of disco emerged and was popularized by programs such as Soul Train and by artists such as Donna Summer and Tower of Power;

Whereas reggae is a genre of music that originated in Jamaica in the late 1960s and incorporates some of the musical elements of rhythm and blues, jazz, mento, calypso, and African music, and was popularized by artists such as Bob Marley;

Whereas rock and roll was developed from African-American musical styles such as gospel and rhythm and blues, and was popularized by artists such as Chuck Berry, Bo Diddley, and Jimi Hendrix;

Whereas rap, arguably the most complex and influential form of hip-hop culture, combines elements of the African-American musical tradition (blues, jazz, and soul) with Caribbean calypso, dub, and dance hall reggae;

Whereas the development and popularity of old style rap combined confident beats with wordplay and storytelling, highlighting the struggle of African-American youth growing up in struggling neighborhoods;

Whereas contemporary rhythm and blues, which originated in the late 1970s and combines elements of pop, rhythm and blues, soul, funk, hip hop, gospel, and electronic dance music was popularized by artists such as Whitney Houston and Aaliyah;

Whereas Michael Jackson, one of the most popular entertainers of all time, profoundly shaped music, dance, fashion, and popular culture around the world;

Whereas Prince Rogers Nelson, who was known for electric performances and wide vocal range, pioneered music that integrated a wide variety of styles, including funk,

rock, contemporary rhythm and blues, new wave, soul, psychedelia, and pop;

Whereas a recent study by the Department of Education found that only 28 percent of African-American students receive any kind of arts education;

Whereas African-American students scored the lowest of all ethnicities in the most recent National Assessment for Educational Progress arts assessment;

Whereas students who are eligible for the school lunch program established under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) have significantly lower scores on the music portion of the National Assessment for Educational Progress arts assessment than students that are ineligible for that program, which suggests that students in low-income families are disadvantaged in the subject of music;

Whereas a recent study showed that nearly ¾ of music ensemble students were Caucasian and middle class and only 15 percent were African-American;

Whereas the same study found that only 7 percent of music teacher licensure candidates were African-American; and

Whereas minority students face many barriers to accessing musical training, especially students in large urban public schools: Now, therefore, be it

*Resolved*, That the Senate recognizes—

(1) the contributions of African Americans to the musical heritage of the United States;

(2) the wide array of talented and popular African-American musical artists, composers, songwriters, and musicians who are underrecognized for contributions to music;

(3) the achievements, talent, and hard work of African-American pioneer artists, and the obstacles that those artists overcame to gain recognition;

(4) the need for African-American students to have greater access to and participation in music education in schools across the United States; and

(5) Black History Month and African-American Music Appreciation Month as an important time—

(A) to celebrate the impact of the African-American musical heritage on the musical heritage of the United States; and

(B) to encourage greater access to music education so that the next generation may continue to greatly contribute to the musical heritage of the United States.

#### SENATE RESOLUTION 560—DESIGNATING THE MONTH OF JUNE 2018 AS “IMMIGRANT HERITAGE MONTH”

Mr. HELLER submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 560

Whereas the United States has a rich history because the United States has always been a country of immigrants;

Whereas the diverse heritage of the United States is one of the defining aspects of the country’s success story;

Whereas generations of immigrants from every corner of the globe have helped build the economy of the United States and created the unique character of the country;

Whereas the United States has long served as a melting pot of cultural diversity;

Whereas immigrants continue to grow businesses, innovate, strengthen the economy, and create jobs for people in the United States; and

Whereas many immigrants are entrepreneurs and business owners: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates June 2018 as “Immigrant Heritage Month”;

(2) recognizes the significance of Immigrant Heritage Month as an important time to celebrate the contributions of immigrants to the history of the United States; and

(3) urges the people of the United States to observe Immigrant Heritage Month with appropriate programs and activities.

**SENATE RESOLUTION 561—DESIGNATING JULY 15, 2018, AS “NATIONAL LEIOMYOSARCOMA AWARENESS DAY” AND THE MONTH OF JULY 2018 AS “NATIONAL SARCOMA AWARENESS MONTH”**

Ms. STABENOW submitted the following resolution; which was referred to the Committee on the Judiciary:

**S. RES. 561**

Whereas sarcoma is a rare type of cancer that arises in the connective tissue of the body and accounts for approximately 1 percent of all newly diagnosed cancers;

Whereas the National Institutes of Health designates sarcoma as a rare form of cancer, and sarcoma contains approximately 70 different subtypes;

Whereas sarcomas are largely resistant to current chemotherapy agents, immunotherapy agents, and radiation therapies, posing a formidable challenge for researchers and specialists;

Whereas sarcoma subtypes largely have not benefitted from immunotherapies because of the complexity of the DNA, genomes, and mutations associated with the many variations in the sarcoma subtype landscape;

Whereas leiomyosarcoma (referred to in this preamble as “LMS”) is a malignant, aggressive subtype of sarcoma derived from smooth muscle cells typically of uterine, gastrointestinal, or soft tissue origin, and can metastasize to the bone, spine, brain, and liver;

Whereas the National Institutes of Health classifies LMS as a rare disease, accounting for approximately 15 percent of all sarcomas, and LMS itself encompasses at least 4 different LMS subtypes;

Whereas LMS primarily affects adults without regard to gender, research and clinical trials remain complicated, and survival and longevity remain difficult;

Whereas multidisciplinary care coordination teams, because of their expertise and experience, are critical to the health of sarcoma and LMS patients;

Whereas sarcoma and LMS research will allow medical professionals to improve the quality of care for affected patients, lead to better clinical outcomes, and promote longer survival for patients; and

Whereas increased education and awareness about sarcoma and LMS will contribute to the well-being of the communities of the United States: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates July 15, 2018, as “National Leiomyosarcoma Awareness Day”;

(2) designates the month of July 2018 as “National Sarcoma Awareness Month”;

(3) recognizes the challenges faced by sarcoma and leiomyosarcoma patients; and

(4) commends the dedication of organizations, volunteers, researchers, and caregivers across the country working to improve the quality of life of sarcoma and leiomyosarcoma patients and their families.

**SENATE RESOLUTION 562—EXPRESSING THE SENSE OF THE SENATE THAT THE TREATY ON THE NON-PROLIFERATION OF NUCLEAR WEAPONS (NPT) CONTINUES TO MAKE AN INVALUABLE CONTRIBUTION TO UNITED STATES AND INTERNATIONAL SECURITY, 50 YEARS AFTER IT OPENED FOR SIGNATURE ON JULY 1, 1968**

Mr. MERKLEY (for himself, Mrs. GILLIBRAND, Mrs. FEINSTEIN, Ms. WARREN, Mr. DURBIN, Ms. SMITH, Mr. MARKEY, and Mr. BROWN) submitted the following resolution; which was referred to the Committee on Foreign Relations:

**S. RES. 562**

Whereas the Treaty on the Non-Proliferation of Nuclear Weapons (NPT) opened for signature 50 years ago on July 1, 1968;

Whereas the United States and former Soviet Union averted a catastrophic nuclear exchange during the October 1962 Cuban Missile Crisis, which led to a series of bilateral and multilateral agreements to lessen the chance of nuclear war, including the NPT;

Whereas President John F. Kennedy predicted in 1963 that as many as 25 countries would acquire nuclear weapons by 1970 absent a treaty to control nuclear weapons;

Whereas the United States Senate provided its advice and consent to the NPT on March 13, 1969, with a vote on ratification of 83 to 15;

Whereas the NPT has grown to include 191 State Parties, making an irreplaceable contribution to United States national and international security by preventing the spread of nuclear weapons;

Whereas Article III of the NPT obligates each non-nuclear weapon state to the NPT to conclude a Safeguards Agreement with the International Atomic Energy Agency (IAEA) to verify treaty compliance, 174 of which are Comprehensive Safeguards Agreements crafted to detect the diversion of nuclear materials from peaceful to non-peaceful uses;

Whereas the 2018 Department of Defense Nuclear Posture Review affirms, “The Nuclear Non-Proliferation Treaty (NPT) is a cornerstone of the nuclear nonproliferation regime. It plays a positive role in building consensus for non-proliferation and enhances international efforts to impose costs on those that would pursue nuclear weapons outside the Treaty.”;

Whereas the success of the NPT has and will continue to depend upon the full implementation by all States Parties of the Treaty’s three mutually reinforcing pillars: non-proliferation, access to peaceful uses of nuclear energy, and disarmament;

Whereas over the past half century, the United States has exhibited leadership in strengthening each of the NPT’s three pillars for the global good, including—

(1) reducing its nuclear weapons stockpile of more than 85 percent from its Cold War heights of 31,225 in parallel with equally massive reductions of Russia’s stockpile through bilateral coordination;

(2) cooperating with Kazakhstan, Ukraine, and Belarus—to facilitate the surrender of nuclear weapons on their soil after the fall of the Soviet Union—leading to each country’s accession to the NPT as non-nuclear weapons states;

(3) providing voluntary contributions to the IAEA Peaceful Uses Initiative exceeded more than \$320,000,000 since 2010 to help in the treatment of cancer and in other life-saving applications; and

(4) extending deterrence to United States allies in the North Atlantic Treaty Organization (NATO), Japan, and the Republic of Korea—which is an unmistakable demonstration of the United States commitment to collective security;

Whereas heightened geopolitical tensions in recent years have made cooperation on nonproliferation and arms control issues with the Russian Federation more challenging;

Whereas a range of actions by the Government of the Russian Federation has led to a deterioration in bilateral relations with the United States, including Russia’s brazen interference in the 2016 United States presidential elections, its violation of the Treaty between the United States of America and the Union of Soviet Socialist Republics on the Elimination of Their Intermediate-Range and Shorter-Range Missiles (commonly known as the “INF Treaty”), signed at Washington, D.C., December 8, 1987, and entered into force June 1, 1988, its illegal annexation of Crimea, its invasion of Eastern Ukraine, and its destabilizing actions in Syria; and

Whereas within a difficult environment, preserving agreements that continue to contribute to United States and global security, particularly the Treaty between the United States of America and the Russian Federation on Measures for the Further Reduction and Limitation of Strategic Offensive Arms, signed April 8, 2010, and entered into force February 5, 2011 (commonly known as the “New START Treaty”), is all the more essential, and that to that end, the Department of State confirmed in February 2018 that Russia had met New START’s Central Treaty Limits and stated that “implementation of the New START Treaty enhances the safety and security of the United States”: Now, therefore be it

*Resolved*, That it is the sense of the Senate that—

(1) any United States negotiated agreement with the Democratic People’s Republic of Korea (DPRK) on denuclearization must require it to return to the NPT as a Party in good standing;

(2) the United States must maintain support for the IAEA through its assessed and voluntary contributions and promote the universal adoption of the IAEA Additional Protocol;

(3) the United States and its allies should pursue diplomatic efforts to ensure that the Islamic Republic of Iran remains in compliance with the NPT, as the 2016 and 2017 Reports on Adherence to and Compliance with Arms Control, Nonproliferation, and Disarmament Agreements and Commitments both affirmed;

(4) the United States should enter into negotiations on the extension of the New START Treaty until 2026, which would make any current or future Russian strategic systems of a range greater than 5,500 kilometers accountable under the Treaty;

(5) the United States should work to resolve Russia’s violation of the INF Treaty;

(6) all countries who have yet to ratify the Comprehensive Nuclear-Test-Ban Treaty, done at New York September 10, 1996, including the United States, should venture to create the conditions that allow for entry-into-force of the Treaty, and should observe a moratorium on nuclear testing until that time; and

(7) the United States Government should continue to encourage opportunities for cooperation with other nuclear possessing states to reduce the salience, number, and role of nuclear weapons in global military strategies.
