

human trafficking. More than 900 of those victims were children. Abolishing ICE would mean that these people, these precious lives, would still be in grave peril. If we were to heed these extremist calls to abolish ICE, thousands of pounds of heroin, cocaine, and fentanyl would be in our schools and on the streets of our neighborhoods. We cannot ignore the role that ICE agents play in combatting terrorism, sex trafficking, child pornography, gang activity, labor exploitation, and the opioid crisis.

I want to make sure that our agents understand that the American people have their back. My resolution will honor the mission of the Immigration and Customs Enforcement Agency and commend the bravery of these men and women who put their lives on the line every day to dismantle violent and dangerous gangs. I thank all my Republican colleagues who are joining with me on this crucial piece of legislation.

Although much of their work is thankless and goes sight unseen, I am grateful to the thousands of ICE agents who work around the clocks to keep our streets safe. Without them and their tireless service, I can only imagine what our headlines would look like, and I am ashamed of my colleagues on the radical left who are calling for the elimination of this vital agency. I know I speak for more than just myself when I say, simply, don't abolish ICE.
