By Mr. KAINE (for himself, Mr. GARDNER, Mr. REED, and Mr. MCCAIN):

S.J. Res. 62. A joint resolution formalizing congressional opposition to any withdrawal from the North Atlantic Treaty, requiring the advice and consent of the Senate to modify or terminate the North Atlantic Treaty, and authorizing litigation to advance the Senate’s constitutional authority; to the Committee on Foreign Relations.

Mr. KAINE. Mr. President, I regret it is necessary to introduce legislation that prevents a President from withdrawing from NATO. Our allies with whom we have fought alongside since World War II and earlier in some cases, are seriously questioning our allegiance for the first time in the history of the modern international order. President Trump has chosen to call our European allies “foes” while aligning himself with a brutal and repressive authoritarian, Vladimir Putin, over the professional assessment of the U.S. intelligence community. Troubling news continues to flow from the President’s disastrous trip to Europe for the NATO summit and his meeting with President Putin in Helsinki. And for the first time ever, we are forced to ask what options we have to preserve U.S. membership in the primary tool of peace and stability for the last 70 years, the North Atlantic Treaty Organization.
