(f)(1) In this subsection:

(A) The term “appropriate Federal official” means—

(i) in the case of a marine or coastal hypoxia or harmful algal bloom event, the Under Secretary of Commerce for Oceans and Atmosphere; and

(ii) in the case of a freshwater hypoxia or harmful algal bloom event, the Administrator of the Environmental Protection Agency.

(B) The term “event of national significance” means a hypoxia or harmful algal bloom event that has had or will likely have a significant detrimental environmental, economic, subsistence use, or public health impact on an affected State.

(C) The term “hypoxia or harmful algal bloom event” means the occurrence of hypoxia or a harmful algal bloom as a result of a natural, anthropogenic, or undetermined cause.

(2)(A) On a determination under paragraph (3) that there is an event of national significance, the appropriate Federal official is authorized to make sums available to the affected State or local government for the purposes of assessing and mitigating the detrimental environmental, economic, subsistence use, and public health effects of the event of national significance.

(B) The Federal share of the cost of any activity carried out under this subsection for the purposes described in subparagraph (A) may not exceed 50 percent of the cost of that activity.

(C)(i) Notwithstanding any other provision of law, an appropriate Federal official may accept donations of funds, services, facilities, materials, or equipment that the appropriate Federal official considers necessary for the purposes described in subparagraph (A).

(ii) Any funds donated to an appropriate Federal official under this paragraph may be expended without further appropriation and without fiscal year limitation.

(3)(A) At the discretion of an appropriate Federal official, or at the request of the Governor of an affected State, an appropriate Federal official shall determine whether a hypoxia or harmful algal bloom event is an event of national significance.

(B) In making a determination under subparagraph (A), the appropriate Federal official shall consider the toxicity of the harmful algal bloom, the severity of the hypoxia, its potential to spread, the economic impact, the relative size in relation to the past 5 occurrences of harmful algal blooms or hypoxia events that occur on a recurrent or annual basis, and the geographic scope, including the potential to affect several municipalities, to affect more than 1 State, or to cross an international boundary.

At the appropriate place in title I of division A, add the following:

SENSE OF CONGRESS RELATING TO THE NEED TO UNDERSTAND AND RESPOND TO THE HEALTH CARE NEEDS OF THE CITIZENS OF COMPACT OF FREE ASSOCIATION NATIONS IN THE UNITED STATES

SEC. 1 \_\_\_\_\_. (a) Congress finds that—

(1) the United States has entered into mutually-beneficial Compacts of Free Association with the governments of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau (referred to in this section as the “Compact of Free Association Nations”);

(2) as a result of the mutually-beneficial Compacts of Free Association, the citizens of the Compact of Free Association Nations are entitled to travel to, work in, and otherwise live in the United States;

(3) the number of citizens of Compact of Free Association Nations living in the United States and territories of the United States has grown, particularly in Hawaii and Guam;

(4) because of the unique relationship between the United States and the Compact of Free Association Nations, information on the number of citizens of Compact of Free Association Nations that access the health care programs and services of States, territories of the United States, and local jurisdictions is difficult to quantify; and

(5) to better meet the needs of citizens of Compact of Free Association Nations and the communities that host the citizens of Compact of Free Association Nations, it is in the interest of the Federal Government to develop a more complete understanding of—

(A) the estimated costs to States, territories of the United States, and local jurisdictions of providing health care services for citizens of Compact of Free Association Nations in the United States;

(B) projections with respect to ways in which the number of citizens of Compact of Free Association Nations and the health care needs of citizens of Compact of Free Association Nations in the United States may change over the 10-year period beginning on the date of enactment of this Act; and

(C) recommendations for legislative or administrative actions to address the health care needs of citizens of Compact of Free Association Nations in the United States.

(b) It is the sense of Congress that the Secretary of the Interior should—

(1) not later than 60 days after the date of enactment of this Act, consult with the heads of other Federal agencies with the necessary expertise and resources for assistance in developing—

(A) a plan for assessing the current and future health care needs of citizens of Compact of Free Association Nations residing in the United States; and

(B) recommendations for legislative or administrative actions to address the needs assessed under subparagraph (A); and

(2) not later than 30 days after the date on which the consultations have been completed under paragraph (1), submit to the Committee on Appropriations of the House of Representatives, the Committee on Appropriations of the Senate, the Committee on Natural Resources of the House of Representatives, and the Committee on Energy and Natural Resources of the Senate a report on the plan developed under paragraph (1)(A), including the estimated time and cost for the assessment provided for under the plan.
