

located in the midst of shallow bodies of water and what is known as the steelhead fishing capital of the world.

Whether for a hunter, fisherman, or an adventurer, SJX Jet Boats, Inc., have honed their design through continuous research and development in order to provide the best possible product. One of the primary factors of boat design is the boat's durability. The make of an SJX Jet Boat consists of a continuous weld, which prevents cracks and creates a solid foundation. Because of this weld, along with the innovative inboard tunnel hull, these boats are able to traverse water as shallow as 4 inches. This inboard tunnel allows the jet to be elevated off of the surface of the boat; therefore, any debris potentially hitting the bottom of the boat is unable to reach the jet itself. Testing of any new features for the boat are carried out by Stajkowski himself, as a means of ensuring that new products will be crafted to exceed customer expectations.

In addition to sport and leisure, the benefits of SJX Jet boats extend beyond the recreational user. SJX Jet boats are customizable for policing, search and rescue, fire, and other first responder operations. A number of communities within our Nation are adjacent to shallow waterways, streams, and rivers, and in these places, SJX Jet Boats are preferred by some emergency organizations since they allow for easier access to disaster victims in times of emergency. SJX Jet Boats have repeatedly proven to be capable of reaching these stranded residents. During a search and rescue mission during a flood in the Philippines, approximately 1,200 individuals were rescued due to the jet boat's capability to maneuver through large amounts of debris. Thanks to the unique innovation of SJX Jet Boats, rescue missions like these are much easier to carry out.

The State of Idaho is proud to be home to small businesses like SJX Jet Boats. The ability of an SJX Jet Boat to operate in such remote locations is an innovative feat that makes these boats truly one of a kind. I would like to congratulate Steve Stajkowski and all of the employees at SJX Jet Boats, Inc., for being named the Small Business of the Month for August 2018. I look forward to watching your continued growth and success.●
