

Chrysler, Ford Motor, and General Motors employ more than 35,000 people and operate 10 facilities in Macomb County. There are more than 1,600 manufacturers in Macomb County employing more than 69,000 individuals. I am so proud to represent these hardworking Michigan workers.

The county is also an important defense hub for both Michigan and the United States. It is home to Selfridge Air National Guard Base, which was established in 1917 and, today, is home to operations of all branches of the U.S. military, as well as several Department of Homeland Security agencies. In the 10 years immediately following September 11, 2001, approximately 3,816 Michigan Air National Guard airmen from Selfridge deployed to locations around the world. Macomb County is also home to the Detroit Arsenal, the first ever mass-production tank plant in the United States and a vital part of our Nation's "Arsenal of Democracy" during World War II. The Detroit Arsenal now hosts the headquarters of the U.S. Army Tank Automotive Research, Development and Engineering Center, called TARDEC, and the U.S. Army Tank-automotive and Armaments Command, or TACOM, Life Cycle Management Command.

Numerous events and celebrations are planned in the county throughout this year to mark this special historical milestone. Congratulations to the people of Macomb County on 200 years of distinguished history. We all look forward to many years of prosperity and success in the years ahead.●
