

dedication to serving veterans in North Central Montana.

Jason serves as a nurse practitioner in the Great Falls VA Community Based Outpatient Clinic and has become one of the most sought-after experts in veterans' healthcare. A veteran himself, Jason spent 20 years in the Montana Air National Guard, retiring as lieutenant colonel.

During his time in the Guard, he served as officer in charge of health promotion, medical readiness, staff development, and as assistant chief nurse, where he gained a great deal of knowledge and experience caring for fellow servicemembers.

Jason retired from the Air National Guard in 2015, and since then he has dedicated himself to providing exceptional healthcare to Montana veterans. He has built and maintained a patient panel that is at 110 percent capacity and has 1,000 patients. When another provider recently retired, he stepped up and took over the patient panel and provided care to another 556 veterans.

Jason has worked to improve the overall Montana VA system. He has recruited and mentored other nurse practitioners, which helped fill critical positions in the VA system. Jason also participated in a VA residency program that trains providers to better serve our women veterans.

In 2011, he experienced a deep personal tragedy when his wife of 16 years, Heather, passed away from a stroke, leaving him a widower with three children. After his wife's death, he dedicated himself to becoming an expert on strokes.

He regularly speaks to healthcare providers across the country about stroke prevention and treatment and received the Montana State Department of Health and Human Services Stroke Hero of the Year Award.

Montana is incredibly lucky to have a healthcare professional like Jason Gleason serving our veterans. He is truly an excellent example of someone who puts service before self. He understands that his service to our country did not end with his service in the military.

I want to personally congratulate and thank Jason for his excellent work.

Thank you, Mr. President.

I yield the floor.

The PRESIDING OFFICER. The Senator from Montana.

MORNING BUSINESS

ARMS SALES NOTIFICATION

Mr. CORKER. Mr. President, section 36(b) of the Arms Export Control Act requires that Congress receive prior notification of certain proposed arms sales as defined by that statute. Upon such notification, the Congress has 30 calendar days during which the sale may be reviewed. The provision stipulates that, in the Senate, the notification of proposed sales shall be sent to the chairman of the Senate Foreign Relations Committee.

In keeping with the committee's intention to see that relevant information is available to the full Senate, I ask unanimous consent to have printed in the RECORD the notifications which have been received. If the cover letter references a classified annex, then such annex is available to all Senators in the office of the Foreign Relations Committee, room SD-423.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

POLICY JUSTIFICATION

United Kingdom—H-47 Chinook (Extended Range) Helicopters and Accessories

The Government of United Kingdom has requested a possible sale of sixteen (16) H-47 Chinook (Extended Range) helicopters; thirty-six (36) T-55-GA-714A engines (32 installed, 4 spares); forty-eight (48) embedded GPS inertial navigation units (32 installed, 16 spares); twenty (20) common missile warning systems (16 installed, 4 spares); twenty-two (22) radio-frequency countermeasures (16 installed, 6 spares); nineteen (19) multi-mode radars (16 installed, 3 spares); nineteen (19) electro-optical sensor systems (16 installed, 3 spares); forty (40) M-134D-T mini-guns, plus mounts and tools (32 installed, 8 spares); and forty (40) M240H machine guns, plus mounts and tools (32 installed, 8 spares). This sale also includes communications equipment; navigation equipment; aircraft survivability equipment; initial training equipment and services; synthetic training equipment; support package including spares and repair parts; special tools and test equipment; aviation ground support equipment; safety and air worthiness certification; technical support; maintenance support; technical and aircrew publications; mission planning system equipment and support; and, project management and governance; U.S. Government and contractor engineering and logistics support services; and other related elements of logistic and program support. Total estimated cost is \$3.5 billion.

The United Kingdom is a close NATO ally and an important partner on critical foreign policy and defense issues. The proposed sale will enhance U.S. foreign policy and national security objectives by enhancing the United Kingdom's capabilities to provide national defense and contribute to NATO and coalition operations.

The proposed sale will improve the United Kingdom's ability to meet current and future threats by providing a heavy lift rotary wing capability able to execute missions in extreme environments across a full range of military operations. The United Kingdom will have no difficulty absorbing these helicopters into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor of this sale will be Boeing Defense and Space, Ridley Park, PA. There is no known offset agreement associated with this proposed sale.

Implementation of this proposed sale will require approximately 29-32 U.S. Government personnel and 26 contractors assigned to the United Kingdom plus 3 equivalent man years TDY to support fielding and initial sustainment for a duration of 3-5 years.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

REMEMBERING PRIVATE FIRST CLASS MATTHEW A. COX

Mr. GRASSLEY. Mr. President, today I wish to pay tribute to a fallen soldier from Iowa, PFC Matthew A. Cox. Private Cox, of Leon, joined the Iowa National Guard in October 2017 after completing home-schooling. He was a member of the Iowa National Guard's 186th Military Police Company and had deployed to Cuba to support the joint military task force at Guantanamo Bay. Matthew Cox enjoyed participating in the children's ministry at 1st Baptist Church in Urbandale. He was inspired to join the National Guard by his grandfather and enjoyed farming with his grandparents. His family and friends describe him as an outstanding young man, always willing to help others. While in the National Guard, Matthew Cox was awarded the National Defense Service Medal and the Army Service Ribbon. He died at the age of 19 in a swimming accident.

My prayers are with his parents, Jason and Beth Cox, as well as his brother Mark Cox and his grandparents Fred and Linda Cox. Our country owes a debt of gratitude to Matthew Cox and all those who make the choice to serve a cause greater than themselves. His service to our State of Iowa and to the Nation will always be remembered.

HONORING OFFICER DAVID TINSLEY

Mr. DONNELLY. Mr. President, today, I wish to recognize and honor the extraordinary service and sacrifice of Fort Wayne Police officer David Tinsley. His life was characterized by humility, selflessness, and commitment to his community.

Born in Bloomington, IN, David graduated from Owen Valley High School in Spencer in 1986 before going on to earn a bachelor's degree from Ball State University. In 2002, David began his work as a police officer in Fort Wayne, receiving his southeast division second shift assignment shortly thereafter. In 2005, David switched to the overnight shift, continuing his law enforcement service. For 16 years, David valiantly put his life on the line as a member of the Fort Wayne Police Department to protect those in the Fort Wayne community.

David is remembered fondly by his fellow officers. Fort Wayne Police Chief Steve Reed called him a "cop's cop" and, at David's funeral, told the many people gathered that David was looked up to by those in the department. Pastor Thomas Eggold recognized David's selflessness, his willingness to sacrifice his time and be of assistance. Pastor Eggold also called David quiet and soft-spoken, a sincere

and humble man of God. David's friends knew him as caring and compassionate, a loyal and genuine friend, but also as a tough and courageous man. He enjoyed music and was taking lessons to learn to play the bagpipes.

On Monday, September 10, 2018, David and an officer in training began pursuing what appeared to be a stolen vehicle. Eventually, the pair got out of the car and, with a police canine, searched the area on foot before arresting the suspect. On the way back to the squad car, David collapsed, suffering a heart attack, and died shortly thereafter.

Known to be a loyal and loving father and husband who cared immensely for his family and beloved by many, David is survived by his wife Kristina Tinsley; his children, Tyler, Ian, and Lexie; parents Albert and Bonnie Tinsley; siblings, Albert, Lane, and Scott; and many other relatives and friends.

Through his work as a Fort Wayne Police Department officer, David put the safety and well-being of his fellow Hoosiers above his own every day. He exemplified the very best of Hoosier values, and the Fort Wayne community is eternally grateful for his years of service keeping it safe. Let us honor the legacy he left for us and strive to emulate his commitment to serving his fellow citizens.

TRIBUTE TO SERGEANT BRENT PATTERSON

Mr. CARDIN. Mr. President, today I wish to recognize SGT Brent Patterson of Frostburg, MD, for his outstanding service to our Nation. As a U.S. Army infantryman, Sergeant Patterson distinguished himself for his personal valor during the global war on terror while deployed in Iraq for 15 months as part of Operation Iraqi Freedom and in Afghanistan for 12 months as part of Operation Enduring Freedom. During his final deployment in Afghanistan's Charkh District, Sergeant Patterson was wounded on three separate occasions and was subsequently awarded three Purple Hearts.

On December 9, 2010, Sergeant Patterson and his squad were attacked while operating a traffic control point in the Charkh Bazaar. With significant injuries from a grenade to his upper body and while under fire, Sergeant Patterson ignored his own safety in order to drag his severely wounded squad leader to safety and direct his remaining squad members into defensive positions. After first aid and medical transport had been arranged for his squad leader, Sergeant Patterson and three other members of his squad accompanied the transport on foot to their command outpost to provide protection against additional attacks. Having secured his squad leader and team at their command post, Sergeant Patterson was treated for his injuries and returned to his post the following day.
