HONORING BRIGADIER GENERAL
DUSTIN A. SHULTZ

HON. JENNIFFER GONZÁLEZ-COLÓN

OF PUERTO RICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Miss GONZÁLEZ-COLÓN of Puerto Rico. Madam Speaker, I am proud to recognize Brigadier General Dustin A. Shultz of the 1st Mission Support Command in the Caribbean Army Reserve. Brig. General Shultz arrived in my Congressional district of Puerto Rico days before Hurricane Irma hit the Island on September of 2017. Since then, she has served tirelessly over the last two years, where she consolidated 5,000 Army reserves soldiers from around the Caribbean to become a united front. She quickly adapted and integrated herself seamlessly with the locals and led recovery efforts that were vital in our greatest moment of need.

Since the beginning of her career in 1989, she has served as the Headquarters Company Commander of the 647th Area Support Group, as an Intelligence Analyst for JTF-N, and in 2007 became the Executive Officer of the 373rd MI Battalion under the 201st MI Brigade and just three years later, assumed command of the Battalion. She then served as a Joint Planner in the J9, supporting Haiti relief efforts. Finally, in 2017, she was promoted to Brigadier General and was appointed to Puerto Rico. Under her exemplary leadership, the 1st Mission Support Command was activated full time in Puerto Rico for the first time and has been carrying out relief efforts since.

Throughout her career, Brig. General Shultz has been highly decorated with the Legion of Merit, the Bronze Star, the Joint Service Commendation Medal, the Meritorious Service Medal, and the General Douglas MacArthur leadership award among many others.

Her command in Puerto Rico ends this August after 2 years of hard work and dedication. She will move on to become the Operations and Training Officer for the Army Reserve Command. As the sole representative from Puerto Rico, I thank her tremendously for all she has done and wish her much success in her next command.

RECOGNIZING WAUKEGAN TO
COLLEGE

HON. BRADLEY SCOTT SCHNEIDER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Mr. SCHNEIDER. Madam Speaker, I rise today to honor Melanie Antonio, Rafael Bonilla, Nyah Brown, Melissa Bueno, Armonie Collins, Cristian Diaz-Santos, Alejandro Garcia, Marlenny Gonzalez, Syed Hussaini, Donville James, Lizbeth Jaquez-Mena,

Michelle Martinez, Valeria Mencia, Gabriel Murray, Natalia Ocampo, Pedro Ocampo, Noemi Padilla, Alex Palomar, Aliyah Plummer, Lori Ruiz, and Kaitlyn Torres for their admittance into the Waukegan to College (W2C) program.

A year-round college readiness service, W2C launched in 2009 and seeks to advance local students' intellectual and emotional development, cultivating a strong commitment to community and a profound belief that they can build a brighter future for themselves, their families and their communities. By establishing high academic expectations and counseling students and their families on the college application process, W2C helps students realize their full potential by making the dream of college a reality.

All of these students will be the first in their families to attend college, and were selected for the W2C program due to both their impressive academic achievements as well as their contributions to their communities. As leaders inside and outside the classroom, these students show tremendous dedication and potential.

Strengthening our communities requires rebuilding the ladders of opportunity so that all Americans have the opportunity to succeed and thrive. This begins with providing each and every child, regardless of zip code, access to a high quality, affordable education and continues by ensuring all families can afford to send their sons and daughters to college.

When our nation's talented young people pursue their passions and follow their dreams, they accomplish far more than personal growth. They serve as role models in their communities and their achievements inspire and motivate other young people to equally strive and achieve. These students truly are Champions of Change. I wish them the very best of luck in their higher education and in all their future endeavors.

COMMEMORATING THE ONE HUNDREDTH ANNIVERSARY OF
CUMMINS INC.

HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Mr. REED. Madam Speaker, today I rise to commemorate the one hundredth anniversary of Cummins Inc.

In 1919, Clessie Cummins and his business partner, William G. Irwin, joined together to form the Cummins Engine Company, developing diesel engines. From these humble beginnings, the Cummins Engine Company has grown to become Cummins Inc., a leader among independent engine manufacturers producing a wide variety of engines and engine system components. Today Cummins is listed as a Fortune 150 company, employing more than 62,000 people worldwide.

While their headquarters may be located in Columbus, Indiana, Cummins Inc. has a long history with Jamestown, New York. In 1974, Cummins acquired a more than one million square foot facility in Jamestown to manufacture engine components. Since the Jamestown Engine Plant produced its first engine in 1981 it has built more than two million en-

gines. The engines made in Jamestown serve customers around the world and the plant serves an important role in the company by serving a wide variety of markets. The Jamestown Engine Plant is also dedicated to improving the community around them, annually contributing one million dollars through charitable donations. It is a pleasure to recognize the success of Cummins and celebrate the contributions that the Jamestown Engine Plant has made to our communities over the last forty-five years.

One hundred years of successful business and forty-five years of serving the community is certainly a cause for celebration. I congratulate Cummins Inc. on this impressive milestone and look forward to their continued success in the years to come.

Given the above, I ask that this Legislative Body pause in its deliberations and join me to commemorate the one hundredth anniversary of Cummins Inc.

HONORING THE 75TH ANNIVERSARY OF
TOASTMASTERS
FOUNDER'S DISTRICT

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Mr. CORREA. Madam Speaker, I rise today to honor Toastmasters Founder's District for their 75th anniversary of service and support to our local community.

Ralph C. Smedley founded the Toastmasters Founder's District 75 years ago with the vision of establishing a first-choice center for developing dynamic, high-value, experiential communication and leadership skills. Since

then, the Toastmasters has grown to over 140 clubs throughout Orange County, California, and has more than 2,500 members. The Toastmasters Founder's District assists other communities in building new clubs while supporting existing clubs in achieving and maintaining excellence. The Toastmasters Founder's District continues to grow and now includes an international community under Toastmasters International.

The Founder's District and Toastmasters International aim to empower individuals to become more effective communicators and leaders. Members of Toastmasters, both past and present, have used their skills and experiences from the organization and applied them to careers in politics, teaching, and more.

Notably, one member placed in the top three at the World Championship Competition of Public Speaking, surpassing over 30,000 competitors. Furthermore, the member was invited to speak at a TEDx event as well as in various countries throughout Europe, the Middle East, and Asia. They believe that although there are many types of speeches, if you can master one, you can master them all. Toastmasters provides the tools and valuable experience to practice and master skills such as speaking on a global platform. Through the experience, members are better equipped to achieve their goals.

I ask my colleagues to join me in commending the Toastmasters Founder's District for its dedication to our local community and in honoring its 75 years of achievements and innovation in communication and leadership skills.

TRIBUTE TO CAROL S. LARSON

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Ms. ESHOO. Madam Speaker, I rise to honor and celebrate the career of Carol S. Larson, President and CEO of the David and Lucile Packard Foundation, who is retiring at the end of 2019 after 30 years with the Packard Foundation and 15 years serving as its President and CEO. Carol's dedication to helping children and families in California, the United States, and around the world has improved countless lives and made immeasurable contributions to the field of philanthropy.

A graduate of Stanford University and Yale Law School, Carol joined the Packard Foundation in 1989 and assumed the role of Director of Research and Grants, Law and Public Policy at the then-titled Center for the Future of Children where she focused her grantmaking on child health and welfare issues. She edited and contributed to the journal publication *The Future of Children* on topics ranging from drug-exposed infants, to school-linked services, to home visiting, to juvenile courts, and taught two courses at Stanford Law School on child abuse and neglect.

Carol became President and CEO of the Packard Foundation in 2004. Under her leadership, the Foundation averaged \$300 million in annual grantmaking and deployed \$500 million in total mission investments to hundreds of partners, ranging from community-based organizations around the world to renowned in-

stitutions in the Bay Area. During Carol's tenure, the Foundation also provided \$349 million in funding to organizations and efforts working to improve the health and well-being of children through the Packard Foundation's Children, Families, and Communities program. This funding has helped increase health care coverage for uninsured children; enrolled more children in preschool and introduced a new Transitional Kindergarten for four-year-olds; improved pediatric and obstetric care through the world-renowned Lucile Packard Children's Hospital at Stanford University; strengthened the quality of early childhood programs; and ushered in a new understanding that the well-being of children must be viewed through the lens of the whole family. The Packard Foundation's integration of two-generation strategies that seek better outcomes for parents and children together into its work promoting the well-being of children has shaped how philanthropy, policymakers, and advocates act on behalf of families.

Under Carol's tenure, the Packard Foundation has also reinforced the Packard family's strong commitment to Northern California. Since 2008, the Foundation has devoted over \$156 million through its Local Grantmaking program to organizations committed to increasing opportunities for families and communities in the Bay Area, raising the bar for other Silicon Valley philanthropists to support local organizations.

In recognition of her work and her contributions to the field of philanthropy, Carol received the Council on Foundation's Distinguished Service Award in 2016; the American Leadership Forum—Silicon Valley's 2019 John W. Gardner Award; and the World Affairs 2019 Global Citizenship Award for her leadership and dedication to the public good.

Madam Speaker, I ask the entire House of Representatives to join me in congratulating Carol S. Larson on her extraordinary career and expressing our deepest appreciation to her for dedicating her life to improving the lives of children and families, and strengthening our county immeasurably.

IN RECOGNITION OF THE GOLD MEDAL CONGRESSIONAL AWARD ACHIEVED BY MR. TREVOR REY

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Mr. CLEAVER. Madam Speaker, I rise today to commemorate Mr. Trevor Rey's accomplishment in receiving the Gold Medal Congressional Award, Congress's highest honor for the youth of our country. In attaining this award, Mr. Rey demonstrated his commitment to succeed in both his academic endeavors and athletic events. Such an achievement could not have been done without the support and dedication of his family and community. I am honored and proud to represent the exemplary work of young people like Trevor Rey in Missouri's Fifth Congressional District.

The Congressional Gold Medal Award requires much from those who seek to attain it, including a tenacity and drive that few possess. The Congressional Award was originally created in 1979 in an effort to recognize initiative, service, and achievement in young peo-

ple. In order to receive such a prestigious award, applicants must complete a wide array of assignments, including at least 400 hours of voluntary public service, 200 hours of personal development and physical fitness, and a 5-day expedition. In order to complete his 400 hours of public service, Mr. Rey split his time among several community organizations. First, he served as a troop guide for his local Boy Scout Troop, Troop No. 46, on their trip to the Philmont Scout Camp, where they worked to earn merit badges and learn how to be good scouts. Mr. Rey also volunteered at his church, the Red Bridge United Methodist Church, and at his high school, Center High School in Kansas City. In addition, Mr. Rey serves in the United States Naval Sea Cadet Corps where he developed an appreciation for our country's rich naval history and helped senior citizens affected by Hurricane Harvey in Houston, Texas by cleaning debris and painting houses. Mr. Rey also set physical goals in order to become a better wrestler for his high school. In order to fulfill this goal, Mr. Rey attended a wrestling camp to learn advanced wrestling skills and improve his endurance and strength. Through his commitment, Mr. Rey demonstrated what it means to work for the betterment of your community and achieve personal growth in the process. Mr. Rey and his fellow recipients continue the great legacy of those receiving the Congressional Award.

Madam Speaker, please join me and all of Missouri's Fifth Congressional District in congratulating Mr. Trevor Rey for receiving the Gold Medal Congressional Award. I encourage my fellow citizens to follow the example of Mr. Rey and the rest of the Congressional Award recipients and commit ourselves not only to personal improvement, but to the improvement of our communities as well.
