### HONORING DAVE KOEHLER

### HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 10, 2019*

Mr. HUFFMAN. Madam Speaker, I rise today with Representative MIKE THOMPSON, in recognition of Dave Koehler on the occasion of his retirement after nearly 30 years of leading two of California's most successful land trusts.

Dave is a native of California who has been drawn to nature his entire life. During high school and college, Dave nurtured this passion by working in the summers for both the U.S. Forest Service and the California Division of Forestry. He later graduated from California State University, Fresno, in 1979, with a Bachelor of Arts in Environmental Biology.

In 1990, Dave became the executive director of the San Joaquin River Parkway and Conservation Trust. Under his leadership the organization developed and established phases of the San Joaquin River Parkway restoration. He was appointed coordinator of the San Joaquin River Partnership in 2009. This collaborative of fifteen organizations supported the goals authorized by Congress to restore salmon to a 130-mile portion of the river. In 2012, Dave was recognized by the Department of the Interior for his work on this historic river restoration project. Dave's leadership also led to the conservation of nearly 5,000 acres during this period of time.

Dave became the executive director for the Sonoma County Land Trust in 2015. Building on the organization's record of success, Dave oversaw the acquisition of several key properties while adding new areas of focus to the organization's overall mission. This included programming for Russian River watershed protection, expanding community conservation programs, and opening the organization's first public preserve. Under his leadership,

Sonoma County Land Trust has protected over 2,500 acres of open space and an additional 10,000 acres through the organization's active protection project pipeline. Dave also created a community programs department for the Land Trust that focuses on diversifying the organization's reach through programming targeted at people of color, young people, and families.

Madam Speaker, Dave Koehler has dedicated the majority of his professional life to the conservation and protection of our country's natural wealth. It is therefore appropriate that we recognize his accomplishments and service to the public today, on the occasion of his retirement from Sonoma Land Trust. Please join me in wishing him the best of luck on his future endeavors.
