BEVERLY LAHAYE—40 YEARS OF  
SERVICE

**HON. VICKY HARTZLER**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 11, 2019*

Mrs. HARTZLER. Madam Speaker, today I want to commend Mrs. Beverly LaHaye of the Concerned Women for America for the work that she has done in inspiring millions of women across America to defend Christian, conservative values throughout our beloved country.

This month marks the 40th anniversary of this great national organization. LaHaye has been a hero of mine and has been an inspiration in my own public service.

She started as a pastor's wife who was serving the church and raising her family, deeply concerned about the direction some in our country wanted to take. After hearing other progressive organizations claiming to speak on behalf of all American women, LaHaye had the courage to stand up and work with other Christian, conservative women across America to join together and pray for the soul of our nation. As more women gathered and joined the group, LaHaye became instrumental in promoting Godly values of life and the value of family in the public arena.

I appreciate everything she has done in paving the way for other conservative women to speak out, to get involved, and to never give up. I wish her all the best in her well-deserved retirement.

Additionally, at the young age of 24, Ruth and Margaret founded the Glad Tidings Church of St. Claire County, Illinois. Each year, the Luzerne County Sports Hall of Fame honors those who have brought fame and recognition to the state of Pennsylvania through their outstanding achievements and contributions in athletic endeavors.

Charlie showed athletic interest from a very young age. He started off playing Little League in 1963 and was part of the Rotary team that won the Hazleton Little League City Series championship. He was also an All-Star shortstop at the Teeners level, leading his team to a state title in 1968.

During his high school career at Hazleton High School, Charlie was a three-year letterman in baseball, basketball, and football. He is one of the only Mountaineer athletes to earn this distinction. During his high school career, he earned an innumerable number of awards for all three sports. He was inducted into the Hazleton High School Sports Hall of Fame in 2015.

REMEMBERING THE VICTIMS OF  
9/11

**HON. CHRISTOPHER H. SMITH**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 11, 2019*

Mr. SMITH of New Jersey. Madam Speaker, everyone remembers where they were and what they were doing—I was here in Washington chairing a Veterans' Affairs Committee

hearing—when a group of cowards hijacked 4 airliners in order to perpetrate the worst act of terrorism in American history.

Nearly 700 New Jerseyans lost their lives that day.

No-one remembers the shock, horror and numbing sorrow more, however, than the families and close friends of the victims.

Because it was a surprise attack, there was no chance to fight back that day although when Todd Beamer and other passengers learned what happened to the Twin Towers, Todd famously said “let’s roll” and they attacked the terrorists on board the flight that crashed in a Pennsylvania field.

Who can forget the courageous first responders running up the stairs of the burning buildings—with total disregard for their own safety—saving some at the expense of their own lives.

On the morning of 9/11, I got a mere glimpse—I say again, a mere glimpse—into the sense of horror suffered by the victim’s families when I couldn’t reach my own brother Tom—an American Airlines 757 Captain who often piloted Flight 11 from Logan to LA, the flight that crashed into the North Tower.

Evacuated from the Capitol and stuck in traffic within sight of the burning Pentagon, cell phones were all but gridlocked. About noon I got through. He and his flight attendant wife Sandy were safe but were in anguish because they knew the pilots and crew on board Flight 11.

For 18 years, the families and friends of those who died that day and since have had to endure their loss and a broken heart.

Both then—and now eighteen years later—words are inadequate to convey our empathy for those who died and for the victims’ families.

For many, their faith in God has helped them survive and overcome.

THERESA JENKINS

HON. MICHAEL T. MCCAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 11, 2019

Mr. MCCAUL. Madam Speaker, I rise today to honor the life and career of Theresa Jenkins. My home state of Texas fosters a remarkable music scene. One such remarkable person I had the privilege knowing was Theresa Jenkins. Theresa was Senior Executive Director of the Texas Chapter of the Recording Academy. In that role and throughout her life, she was a tireless advocate for the music community of Texas.

Theresa began her career at Recording Academy in 2004. Soon after, the Recording Academy, best known for the annual GRAMMY Awards, quickly recognized her talent and within a year promoted her to Executive Director of the Texas Chapter. As the organization’s face in Texas, she had a hand in growing the careers of many songwriters, performers, producers and other music professionals in our state.

During her visits to Washington, I identified Theresa as an unwavering advocate for the rights of music makers. Year after year, she would walk these halls with prominent music makers from Texas and make the case for passage of legislation to help creators, such

as the landmark Music Modernization Act we passed last year. Back in Texas, Teresa led groups to the state capital for the Texas Arts Advocacy Day in Austin. No matter where or when I encountered her, Theresa’s commitment, energy, and passion was always evident.

She recently poured that energy and passion into creating a world-class celebration of Texas music at the Texas Chapter’s 25th Anniversary celebration. Sadly, Theresa was unable to attend the festivity in person as in December of last year, she was diagnosed with advanced stage Esophageal cancer, and was undergoing treatment at the time. Despite this, Theresa continued to work for the Texas music community, often making calls from her hospital bed.

Though Theresa was unable to attend the celebration, her husband Cris and daughters Jackie and Marina were on hand to hear the gratitude of the entire Texas music community. As the Recording Academy’s Chair Emeritus, Christine Albert stated at the event:

“For 15 years, Theresa has been a constant—the hub of the wheel, the eye of the hurricane, the den mother to our troop, herder of our cats and the quarterback of our team. She has also been a friend, advisor, and cheerleader.

Throughout her illness, she has continued to work on this gala as well as the ongoing robust agenda of deadlines and projects that are involved in keeping the Recording Academy’s mission moving forward. At the same time, she has made countless trips to MD Anderson in Houston, undergone chemotherapy, spent precious time with her family and friends, and taken care of her body, mind and spirit.

We are all together, in one room. I ask you to generate all the love, gratitude, prayers, healing and good juju you can find in your hearts and send it to our good friend and fearless leader, Theresa Jenkins.”

Christine’s words were conveyed to Theresa with the prayers and good wishes of a grateful community.

Sadly, last month, Theresa passed away. The moving tributes from so many musicians are a testament to the love and respect she earned so well.

I will miss seeing Theresa leading her fellow Texans through the Halls of Congress and the statehouse. However, I know her legacy will live on and that the lives of our music community have been made better by their steadfast champion, Theresa Jenkins.
