

Joined by her close friend and co-founder Ada Edwards Laughlin in 1919, Mrs. Banning officially formed the Assistance League of Southern California as part of the first wave of American nonprofits that empowered ordinary citizens to serve their communities through long-term volunteerism. As the organization expanded in the coming decades, Mrs. Banning and Mrs. Laughlin founded the National Assistance League in 1935, which today supports over 120 individual branches with the Assistance League of Los Angeles as the founding chapter.

Over the last century, the Assistance League of Los Angeles has responded effectively and compassionately to national, state and local issues, staying true to Mrs. Banning's original vision, acting "as a friend at any and all times to men, women and children in need of care, guidance and assistance, spiritually, materially and physically." The League began by providing food and clothing to families severely impacted by World War I and the Great Depression, before moving on to organize blood drives supporting the Red Cross and holiday gift exchanges for soldiers during World War II. Closer to home, the League formed auxiliaries that tackled a diverse array of issues and broadened the scope of the organization's assistance. Among their many achievements, these auxiliaries organized day nurseries and preschool programs, counseled families in need, provided clothing and supplies to underserved schoolchildren, and raised funds through theater performances, fashion shows, thrift stores, and other efforts.

Today, the Assistance League of Los Angeles continues its commitment to helping the Los Angeles community, with eight auxiliaries conducting six significant services. These services include The Preschool Learning Center, Foster Children's Resource Center, Theatre for Children, Hollywood Children's Club, and Operation School Bell support children and families, giving future generations resources they need to succeed and grow. Additionally, the Court Referred Volunteer Center enables adults and youth convicted of infractions, misdemeanors, or felonies to serve the community they have wronged as a more meaningful and beneficial alternative to fines and incarceration.

I am honored to recognize the Assistance League of Los Angeles for 100 years of outstanding service to the greater Los Angeles community. I ask all Members to join me in congratulating the Assistance League for its remarkable achievements.

RECOGNIZING THOMAS J. COLLINS OF COLLINS ENGINEERS, INC. ON THE COMPANY'S 40TH ANNIVERSARY

**HON. DANIEL LIPINSKI**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 17, 2019

Mr. LIPINSKI. Madam Speaker, I rise today to recognize and applaud Thomas J. Collins, founder of Collins Engineers, Inc., on his company's 40th anniversary. Tom has been a longtime constituent and resident of La Grange, Illinois.

Born and raised in Chicago, Mr. Collins is a Vietnam War veteran, a professional engineer,

and a certified diver. He pioneered the use of engineers as diving inspectors for underwater bridge infrastructure that eventually became the basis of the U.S. Department of Transportation's (DOT's) program mandate for underwater bridge inspections. Additionally, Mr. Collins developed and carried out several DOT training programs for infrastructure assessment and management, including teaching best practices to ensure public safety.

Mr. Collins played a significant role in Vietnam as part of the 39th Detachment, setting up operations at Cam Ranh Bay in the then-largest military quarry in the world, operated by the 864th Battalion. During this time, he joined the local Society of American Military Engineers (SAME) Post and continued to advance his noteworthy military career. In February 1967, he became the quarry officer and supervised drilling, blasting, and crushing to produce aggregate. In July 1967, he was assigned as the Battalion Civil Engineer before leaving active duty to return home with an honorable discharge.

Mr. Collins' expertise led him to found Collins Engineers, Inc. in 1979, a civil and structural engineering firm with a concentration on infrastructure that supports a safe and efficient transportation system. Under Mr. Collins's leadership and with innovation as a guiding principle, Collins Engineers, Inc. pioneered the use of underwater inspections. Today, the company is using underwater imaging, unmanned aerial vehicles (UAVs), and partnerships with technology firms like Google for mobile work platforms and asset management.

Mr. Collins is a fellow of the American Society of Civil Engineers, a diplomate of the Academy of Coasts, Ocean, Port & Navigation Engineers, a member of the Standing Committee on Structure Maintenance of the Transportation Research Board (TRB), Chair of the Underwater Inspection and Maintenance Subcommittee of the TRB, and was elected a permanent member of the Ports & Harbors Committee of the Coasts, Oceans, Ports and Rivers Institute, among many other notable distinctions. He is a mentor to generations of engineers, including his five children, three of whom are currently in the business, and a devoted husband to Roxanne Horswell since 1966.

I ask my colleagues to join me in recognizing the accomplishments of Mr. Collins and Collins Engineers, Inc. as they celebrate 40 years of hard work and innovation. I look forward to their continued success for many years in the future.

#### HONORING LOUISE JEAN SIGNORE

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 17, 2019

Mr. ENGEL. Madam Speaker, it is my honor to recognize today Co-op City's oldest resident, Louise Jean Signore, who this year is turning a remarkable 107 years old.

Louise, or Jean as she is also known to her friends and family, was born on July 31, 1912 in Manhattan. One of five siblings born to Theodore and Marie, the family moved to the Bronx in 1926, where Louise's father worked as a custom tailor to the rich and famous. Louise's mother was very social, and would host open houses on Sundays, serving waffles.

Louise worked for the Mass Transit Authority for 34 years as an Administrative Assistant and retired in 1977. As a retiree, Louise loved to swim. She'd pack a lunch bag and head to Orchard Beach during the week days early in the morning. Louise did this, incredibly, into her 90's. On weekends, Louise and her sister would go dancing. In the 1940's they frequented the Essex Ballroom, Roseland Ballroom, the Savoy Manor and the ABC Club.

They also traveled extensively to Europe; twice by ship to Italy and also to places like Spain. She also enjoyed domestic trips, especially to Los Angeles. Louise felt like she educated herself through her travels.

Though she is now 107, Louise is not slowing down. She still loves to dance and exercise, has a great sense of humor, and is still as sharp as a whip. Louise's younger sister, Renee, credits both of their long lives to their faith in God and their avoidance of prescription medication.

Madam Speaker, I lived in Co-op City and know what makes it so special. It's the people. People like Louise Signore, who have made an indelible impact on the community. I want to congratulate Louise in reaching this incredible milestone. Here's to many more years of joy and happiness.

CONGRATULATING KENNETH COOK

**HON. JOHN JOYCE**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 17, 2019*

Mr. JOYCE of Pennsylvania. Madam Speaker, it is my honor to congratulate Kenneth Cook, one of the recipients of this year's Encompass Health Personal Achievement Award.

Last October, Kenneth first came to Encompass Health with the diagnosis of Guillain Barre. He had very little movement in his lower extremities and little strength in his upper extremities. On his first day, he needed the help of two therapists to get out of bed.

Kenneth knew that he had a long road to recovery ahead of him, but he was determined to emerge victorious. He never missed a day of therapy and always showed up with a positive attitude and willingness to work.

In four short weeks, Kenneth was able to walk under his own power with a walker. He eventually regained his ability to walk without a walker and return to work.

It is thrilling to hear that Kenneth was able to accomplish this with hard work and determination. Congratulations once again to Kenneth on this recognition.

Helal Farhat has established himself as a pillar of the Dearborn community, earning his impeccable reputation amongst his peers, the legal community at large, and the judiciary through his accomplished legal background. Aside from serving southeast Michigan in a professional capacity, Farhat also dedicates a significant amount of time to charity work and involvement with advocacy organizations. Notably, Farhat is the President of the Leaders Advancing and Helping Communities, a non-profit organization dedicated to empowering Michigan families by supporting their social, health, educational, and economic well-being. HONORING GLADYS BARKER GRAUER

**HON. DONALD M. PAYNE, JR.**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 17, 2019*

Mr. PAYNE. Madam Speaker, I ask my colleagues in the U.S. House of Representatives to join me as I rise to pay tribute to Gladys Barker Grauer, the "Mother of Newark Arts," after her passing on September 5, 2019.

Gladys Barker Grauer was a renowned artist, gallery owner, and arts educator for more than 70 years. She was born Gladys Frances Barker in Cincinnati, Ohio on August 15, 1923, to Maudie and Charles Barker. When her family moved to Chicago, Illinois, she discovered her love of art at Englewood High School and later studied at the Art Institute of Chicago. In 1946, she met and married Solomon Grauer. Five years later, they moved to Newark's South Ward, a place where she would live her entire life.

Mrs. Grauer established herself as a true force in Newark's art scene in 1971 when she opened the city's first African-American-owned art gallery, the Aard Studio Gallery on Bergen Street. Her art focused on Newark's marginalized populations with themes that included poverty, homelessness, and urban conflict. Her art has been exhibited locally, nationally and internationally in locations as varied as the Victoria and Albert Museum in London; the National Museum of American Art in Washington, D.C.; The Newark Museum and the Jane Voorhees Zimmerli Art Museum at Rutgers-New Brunswick. Her most recent show, called "Speaking Her Mind: Then and Now," was showcased at Gallery Aferro in Newark just last year. In addition, she has

painted five murals around the city for current residents and visitors to enjoy.

More than an artist, she was a dedicated teacher of art. The Aard Studio Galley was a place where young artists, particularly young artists of color, could learn and showcase their artistic talents. They knew that the Aard Studio provided them a rare and critical place for mutual support and professional networking as well as a location for exhibitions and sales of their work. Also, she taught commercial art for the Essex County Vocational Schools from 1974 to 1989.

She was a founding member of Black Woman in Visual Perspective, New Jersey Chapter of the National Conference of Artists, and the Newark Arts Council. She even received the 2019 Lifetime Achievement Award from the Women's Caucus for the Arts for her contributions to the local art scene and support for local artists.

Madam Speaker, I know my fellow members of the U.S. House of Representatives agree that Gladys Barker Grauer deserves to be recognized at the time of her passing for her tremendous contributions to the international artistic community and her dedication to the education and betterment of Newark's artists of color.

CONGRATULATING CAMERON YINGLING

**HON. JOHN JOYCE**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 17, 2019*

Mr. JOYCE of Pennsylvania. Madam Speaker, it is my honor to congratulate Cameron Yingling, one of the recipients of this year's Encompass Health Personal Achievement Award.

This past summer, Cameron and his brother were diagnosed with Friedreich's Ataxia. This disease affects balance, coordination, mobility, and the heart. There is no treatment or cure, but that has not deterred the boys. Following their diagnosis, they started selling blue "Fight Ataxia" bracelets and donated all to research.

Since coming to Encompass Health, he and his brother have always shown up with a fighting spirit and a positive attitude each session as they participate in aqua and land therapy to maintain muscle strength and mobility.

It is thrilling to hear that Cameron was also able to help others in his program to push a little harder once they saw his work ethic.

Congratulations once again to Cameron on this recognition.
