

Women Voters in Syracuse and New York on September 19, 2019. For 100 years, the League of Women Voters has successfully engaged and educated millions of women, promoted female participation in government, and advocated for significant public policy change.

Tracing its origins to the National American Woman Suffrage Association, the League of Women Voters in Syracuse and New York was created after New York State gave women the right to vote in 1917. Since its founding, the League has operated as a non-partisan organization, dedicated to educating and empowering women voters. In the spirit of this mission, the League of Women Voters today puts out periodic legislative newsletters to inform members on major public policy issues. Additionally, the League of Women Voters works to improve female participation in elections by hosting voter registration events and Get-Out-The Vote drives.

Along with improving civic education and participation in government, the League of Women Voters in Syracuse and New York undertakes advocacy efforts at the national, state, and local levels. As part of a national effort, the League's first historic legislative success came with the passage of the Sheppard-Tower Act, which provided federal aid to maternal and child programs. Later, the League advocated for the Social Security and Food and Drugs Act, which passed in 1938 to remove hundreds of federal jobs from the spoils system and place them under the Civil Service. Most notably, they also lead efforts to form the United Nations and encourage American participation in the organization. In recognition of the League of Women Voters' contributions to help create the United Nations, it became the first American organization to receive a United Nations designation as a non-governmental organization.

Madam Speaker, I ask that my colleagues in the House join me in honoring the 100th Anniversary of the League of Women Voters in Syracuse and New York. Since its formation, the League has made great contributions to empower women voters and has played a significant role in positively shaping public policy in our country.

HONORING CWD CHUCKY AND CWD MAKO

HON. THEODORE E. DEUTCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 18, 2019

Mr. DEUTCH. Madam Speaker, I am honored to rise today in recognition of two of our country's Military heroes, Contract Working Dogs Chucky and Mako, who are being honored for their service with a celebration hosted by Mission K9 Rescue and its founders: Kristen Maurer, Louise Kastner and Bob Bryant. This special event has been underwritten by former magazine publisher and charity organizer, Mindi Rudan and attorney Debra Rochlin.

Both CWD Chucky and CWD Mako are retired explosive detonation dogs who served our country with honor and saved countless lives throughout their service. Around the world, our military is dependent on the valuable, selfless, and heroic contributions of our highly trained working dogs. These dogs faithfully serve right alongside our service men and women and, after a lifetime of service, many never make it home to spend their senior years knowing the safety and love they so deserve after giving so much.

Winner of Petco Foundation's "Helping Heroes" Award and ASPCA's Henry Bergh Founders Award in 2017, Mission K9 Rescue is a non-profit organization whose sole purpose is to rescue retiring and retired Military Working Dogs, Contract Working Dogs and other Dogs who've given so much to our country. Mission K9 Rescue provides money, transportation, adoption, veterinary care and professional assistance for these retired hero dogs. In addition, Mission K9 Rescue helps rehome them and whenever possible reunite them with their military handlers, many who

owe their own lives to these dogs and want to provide that love and home.

Once again, I would like to recognize our military heroes CWD Chucky and CWD Mako for their service, Mission K9 Rescue for their unbelievable service to our often forgotten servicemembers, and to Mindi Rudan and Debra Rochlin for their support of this event. May they go from strength to strength.

Wednesday, September 18, 2019

Mr. WALBERG. Madam Speaker, I rise today to recognize William McVey of Jackson, Michigan as he is posthumously presented the Bronze Star Medal.

McVey, and his entire M4A1 Sherman tank crew, are receiving this high honor because of their heroism during World War II.

The crew's story of battling enemy forces outside Cologne, Germany was the subject of the recent book, "Spearhead," by author Adam Makos.

Outgunned by German tanks, and facing harrowing odds, McVey and his band of brothers pushed eastward across Europe after D-Day, gaining critical ground for Allied forces.

Our nation is forever grateful to the Greatest Generation and soldiers like William McVey who fought for freedom around the world. Their actions, which came at great personal cost, changed the course of history.

While William McVey is now gone, may this long overdue Bronze Star serve as a reminder for generations to come of his incredible valor and service to the country he loved.

RECOGNIZING RLS AWARENESS DAY

HON. SCOTT R. TIPTON

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 18, 2019

Mr. TIPTON. Madam Speaker, I rise today on behalf of the millions of patients from across the country suffering from Restless Legs Syndrome, to raise awareness of this severely misunderstood neurological disease.

RLS is a serious neurological disease that devastates the lives of millions of Americans. An estimated 12 million men, women and children in the U.S. have RLS. Patients with RLS experience an overwhelming, agitating and uncontrollable urge to move their legs, which can only be relieved by moving or walking to abate the sensation. RLS is at its strongest in the

evening and nighttime hours, severely disrupting sleep. Treatment is life-long, and there is no cure.

The sleep loss caused by RLS robs people of the ability to work and live normally and may lead to depression, anxiety and suicidal thoughts. Profound sleep loss also puts people with RLS at risk for hypertension, diabetes, heart attack, stroke and Alzheimer's disease.

I ask my colleagues to join me in working to raise awareness of this devastating disease by recognizing September 23rd as RLS Awareness Day.

RECOGNIZING STATESVILLE BRICK COMPANY FOR 115 YEARS OF BUSINESS

HON. TED BUDD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 18, 2019

Mr. BUDD. Madam Speaker, I rise today to recognize Statesville Brick Company for 115 years of business.

Due to the Southeast's unique rivers that produce red clay deposits, North Carolina has long been at the center of the brick making economy. This includes companies like Statesville Brick Company which opened its doors in 1904. As times changed though and the post-World War II building boom began to slow, brick makers began closing shop, and small, local operations transitioned into large, interstate corporations. Statesville Brick Company, however, bucked that trend, and remains at heart the same family-run operation it was over a century ago.

For Statesville Brick Company President and General Manager Michael Foster and Executive Vice President Scott Rankin, the brick business is a generational affair. Scott's grandfather E.R. "Roy" Rankin joined the company in 1916 and oversaw the construction of an early iteration of the firm's plant while Michael's father, H.B. "Bob" Foster joined as a partner in 1969. Today, Statesville Brick Company currently employees over 90 people and their work can be found at some of our nation's most prestigious academic institutions such as Princeton University, Ohio State University, and Davidson College.

Statesville Brick Company's 115 years of business are a source of pride for our region, demonstrating how an operation dedicated to high craftsmanship with deep local roots can succeed and thrive in a changing landscape.

Madam Speaker, please join me today in celebrating Statesville Brick Company for 115 years of business.
