RECOGNIZING THE 30TH ANNIVERSARY OF HABITAT FOR HUMANITY NORTHEAST MICHIGAN

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 19, 2019

Mr. BERGMAN. Madam Speaker, it is my honor to recognize the 30th Anniversary of Habitat for Humanity Northeast Michigan. Through their dedicated service and steadfast devotion to their community, HFHNEMI has become an indispensable part of Michigan's First District.

Habitat for Humanity was founded in 1976 with the goal of helping Americans in need fulfill the dream of home ownership while fostering safe and healthy communities. In total, Habitat for Humanity has helped build or repair more than 800,000 homes and served more than 4 million people around the world. With their first home built in 1990, the volunteers and staff of HFHNEMI have served the people of Northern Michigan for three decades. In 2013, it implemented Habitat for Humanity's "A Brush With Kindness" program, providing critical repair services to low-income homeowners who are physically or financially unable to maintain their homes. These projects have included painting, landscaping, roofing, and accessibility improvements throughout Northeast Michigan. Since its founding, HFHNEMI has built, rehabbed, or repaired more than 80 homes for low-income families in Alcona, Alpena, and Presque Isle counties. Day after day, Habitat for Humanity Northeast Michigan shows what can be achieved when the people of a community work together for the common good.

Madam Speaker, it's my honor to recognize Habitat for Humanity Northeast Michigan for decades of success and service to Northern Michigan. Michiganders can take great pride in knowing the First District is home to such dedicated citizens. On behalf of my constituents, I wish them all the best in their future endeavors.

IN RECOGNITION OF THE 20TH ANNIVERSARY OF THE PROGRAM IN BIOMEDICAL SCIENCES

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 19, 2019

Mrs. DINGELL. Madam Speaker, I rise today to recognize the 20th anniversary of the Program in Biomedical Sciences at the University of Michigan Medical School.

In 1999, the Program in Biomedical Sciences (PIBS) at the University of Michigan Medical School was established to offer students a unique flexibility in their academic pursuits. As an interdisciplinary gateway, the program allows students to access 14 different Ph.D. programs through one application. Al-

though students can immediately begin training in one program, PIBS is designed to give students the opportunity to immerse themselves in a variety of different research rotations to find their ideal mentor and project match. Based on their discovered research interests and the help of over 500 faculty members, program directors, and academic advisors, students choose a permanent program to continue by the end of their first PIBS year, sometimes in a far different research area than originally anticipated.

The biomedical sciences are demanding disciplines, but PIBS has made the fields of study less daunting for many students who have entered its Ph.D. programs. Throughout the past two decades, PIBS has been helping students become more confident in their career paths by allowing them to take the time to cultivate their interests and explore different opportunities to discover their research passions. Thanks to the program, countless students have been trained to guide the nation in scientific discovery, truly becoming the leaders and best.

Madam Speaker, I ask my colleagues to join me in honoring the Program in Biomedical Sciences at the University of Michigan Medical School for its significant work in the biomedical sciences. For twenty years, PIBS has played a fundamental role in educating our nation's sharpest minds.

Mr. PAYNE. Madam Speaker, I ask my colleagues in the U.S. House of Representatives to join me as I rise to pay tribute to Annie "Anna" Mae Stewart after her passing on August 3, 2019.

On April 9, 1917, Anna Mae Johnson entered the world as the eldest child born to Elder Allen Waters and Elizabeth Johnson in Washington, DC.

She met and married Charles Earl Stewart on Oct 8, 1937 at St Augustine's Catholic Church. She chose to follow her husband in his faith and converted to Catholicism in 1951 at Our Lady of Perpetual Help Catholic Church (OLPH).

Anna began working at St Teresa's convent and later worked at the OLPH rectory, a career that would last for more than 20 years. There she fostered close relationships with many priests and seminarians, such as George Leary, Jr., a man who would become a surrogate son.

She was actively involved in parent, school and church organizations, including Confraternity of Christian Doctrine, Baptism and Confirmation prep, catechist and a passionate Catholic Youth Organization advisor. She was an active member of other organizations, such as St Joseph's Ladies' Auxiliary No. 213 KOSJI Sodality, Legion of Mary, Catholic Charities, Cursillistas, OLPH Hilltoppers, OLPH Women's Ministry, and her two favorites, Eucharistic Ministry and Lector. She enjoyed being of service to her church community in every way possible.

Anna was also a dedicated community activist. She joined her local Orange Hat Coalit-

tion and helped rid her neighborhood of drug dealers at the height of the crack cocaine epidemic. She was instrumental in getting the Eastover Shopping Center integrated, which led to her recognition for her commitment to the civil rights movement. She was acknowledged by Sigma Gamma Rho Sorority, Inc as a Village Keeper for that effort and received other honors, including Mother of the Year 1960 and 1963 by the Afro American newspaper. She participated in the March on Washington in 1967 and took much pride in voting for the first Black President in 2008.

Madam Speaker, I know my fellow members of the U.S. House of Representatives agree that Anna Mae Stewart deserves to be recognized at the time of her passing for her dedication to her church, her family, and her community.

REMEMBERING THE LIFE OF JESSI COMBS

HON. PAUL COOK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 19, 2019

Mr. COOK. Madam Speaker, I rise today to recognize the life and accomplishments of Jessi Combs, who passed away on August 27, 2019 from injuries sustained during a land speed record attempt.

Jessi was born in Rockerville, South Dakota on July 27, 1980. After graduating from High School, Combs established a career in metal fabrication, and graduated from the Collision & Refinishing Core Program at Wyo Tech in 2004. Her unique blend of technical and personal skills led to her rapid career growth, and she frequently appeared on television shows showcasing different aspects of the automotive industry. This included serving as host of *Mythbusters* and *Xtreme 4x4*.

As a competitor, Jessi was fierce and unrivaled. She competed in the Baja 1000, the

Rallye Aicha des Gazelles, and was the first woman to place at Ultra4's King of the Hammers. In 2016 she followed up her earlier King of the Hammers success by finishing first in the 2016 Smittybilt Everyman Challenge Modified Class. In 2013, Combs successfully set the women's land speed record at the Alvord Desert in Oregon, holding a record of 398 mph with a top speed of 483.227 mph.

Jessi was an incredible person who was taken from this Earth far too soon. My condolences are with her family, friends, and the entire automotive industry as they continued to mourn her loss.

RECOGNIZING NANCY WHEELER-NICHOLS AS THE KERN COUNTY FAIR PERSON OF THE YEAR

HON. KEVIN McCARTHY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 19, 2019

Mr. McCARTHY. Madam Speaker, I rise today in recognition of Nancy Wheeler-Nichols, who has been selected as the 2019 Person of the Year by the Kern County Fair, a county that I'm honored to represent in this Chamber.

Nancy, a graduate of Bakersfield's Garces High School and the University of San Diego, first started volunteering with the Kern County Fair in 1989, almost 30 years ago, when she was painting faces, putting together buttons, and inspiring a new generation of leaders to become involved in Agriculture. Nancy was appointed to the Board of the Kern County Fair in 2003 and has been a consistent presence for over 15 years in the fair's operations. Her agricultural insights have taken her beyond the needs of my district, however, as she

was recently appointed by then Governor Jerry Brown to the Board of Directors for California's Mid State Fair.

Outside of her work with the Kern County Fair, Nancy has served our community through a variety of organizations, including the Junior League of Bakersfield. She has been a tireless and much-needed voice for children experiencing abuse and neglect as a Court Appointed Special Advocate, and also on the board of the California Living Museum, an animal rehabilitation facility in my district that specializes in nursing back to health many of California's most vulnerable species.

In Kern County, agriculture is the lifeblood of our community, and the Kern County Fair has emerged as one of the biggest showcases of livestock and talent in our agricultural community. Although Nancy no longer lives in Bakersfield or Kern County, she is one of our own who consistently makes Kern County proud. Through her time and expertise, Nancy has made a tangible impact in our community and has made her a staple of the Kern County community.

Kern County Fair Person of the Year is a well-deserved honor for Nancy, who has provided years of public service to our community and has contributed to countless events, successful animal shows, and old-fashioned family fun. A selfless leader, Nancy juggles her volunteer and board work along with raising horses, cattle, and her four children: Kelsey, Jake, Sawyer, and Tommy. On behalf of our community, the Kern County Fair Board, and the thousands of people who have benefited from her guidance, I want to thank Nancy and her husband Jimmy for all that they do, and congratulate her on being the Kern County Fair's 2019 Person of the Year.
