

pantries and charities to meet the increased utilization of their programs. Most offensive of all, this program, a program designed to help families get on their feet and move out of poverty and up the economic scale, is being changed simply so that this administration can leave more people behind.

Madam Speaker, I urge the Trump Administration to carefully reevaluate their policies towards working families and immediately rescind this terrible policy change.

AMERICAN LEGION HORACE ORR POST 29 IN MARIETTA CELEBRATES 100 YEARS OF SERVICE

HON. BARRY LOUDERMILK

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2019

Mr. LOUDERMILK. Madam Speaker, I rise today in recognition of American Legion Horace Orr Post 29 in Marietta, Georgia; which, on Sunday, September 29, 2019, will celebrate its 100th birthday. Post 29 is one of the oldest in the country and the largest in the state of Georgia, with 971 legion members and more than 1,300 members overall.

Post 29 is named in honor of Sgt. William H. Orr, the only soldier from Marietta, Georgia killed during WWI. Sgt. Orr worked as a salesman for the Dixie Culbert Metal Company in Atlanta when he was drafted, and honorably served in the Army, Company A, 325th Infantry, 82nd Division. He was killed in action on October 14, 1918, in the battle of Argonne Forest in France, and is buried in Mars Hill Cemetery near Acworth, Georgia. The American Legion was originally founded in Paris, France in 1919, after WWI, by veterans, to support veterans and communities. Today, the Legion is the largest wartime veterans service organization, with more than 13,000 posts and nearly two million members worldwide. The American Legion organization is committed to helping American veterans from all wars, mentoring youth, promoting patriotism, serving communities, and advocating for strong national security, among other service related activities.

Given the organization's longevity and service, it is hard to put into words the impact the American Legion, and Post 29, has had on our veterans and communities; so I will repeat these words, directly from American Legion Horace Orr Post 29 in Marietta, who put it best, "We are veterans serving veterans. Please join us."

On behalf of Georgia's 11th Congressional District and the United States Congress, and as a fellow legionnaire, I congratulate the members of American Legion Post 29 on the celebration of your 100th year.

CONGRESSIONAL BLACK CAUCUS

—
SPEECH OF

HON. MARCIA L. FUDGE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 24, 2019

Ms. FUDGE. Madam Speaker, over 40 states and territories use Broad-Based Categorical Eligibility or Broad-Based Categorical Eligibility (or BBCE) to streamline the administration of SNAP and provide critical assistance to households receiving benefits and services through the Temporary Assistance for Needy Families block grant.

BBCE is proven to help millions of working poor families move toward financial security, by easing the benefits cliff as their earnings increase.

On July 24, 2019, USDA published a proposed rule to restrict the use of BBCE and eliminate SNAP benefits for an estimated 3.1 million Americans. This includes children, working families, military veterans, disabled individuals, and seniors.

Most shameful is the proposals impact on hungry school-age children. By USDA's own estimates, the new policy would take away direct access to free school meals for at least 500,000 schoolchildren.

Nearly half a million children would be left to go hungry during the school day, shifting the burden to strapped school districts.

In my state of Ohio, according to the Robert Wood Johnson Foundation, over 61,000 SNAP households would lose their benefits. USDA reports that in 2017, the prevalence of food insecurity among Ohioans was higher than the national average.

13.7 percent of Ohioans were food insecure in 2017, compared to 12.3 percent nationally.

Even USDA admits the proposed changes to SNAP will make food insecurity worse and make it harder for millions of Americans to get by.

Most notably, it would remove the current flexibility for states and territories to use BBCE to tailor SNAP to best meet the food needs of their own populations.

Republicans love to talk about states' rights when it suits them, but when it comes to the flexibility of states to meet the needs of their food-insecure populations, they want something very different.

As the economy continues to leave working families and our most vulnerable behind, programs like SNAP are needed more than ever.

Congress already debated these issues.

We came together and rejected this policy in both the 2014 and 2018 farm bills with a record bipartisan vote.

This proposed rule is shameful and cruel and is contrary to the will of Congress.

This unilateral action by the Administration only complicates legitimate bipartisan efforts to make programs like SNAP more effective and efficient for the millions of people who rely on it to put food on the table.

We should be working together to strengthen the safety net, not weaken it.

I urge USDA to rescind this harmful proposed rule immediately and finally make good on its promise to the American people to "Do Right and Feed Everyone".

CELEBRATING NORMAN WISEMAN
ON HIS 80TH BIRTHDAY**HON. JACKIE WALORSKI**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2019

Mrs. WALORSKI. Madam Speaker, I rise today to recognize Norman Wiseman, a great Hoosier celebrating his 80th birthday.

Norman was born on September 25, 1939, in Ridge Farm, Illinois, as the youngest of three brothers. At a young age, Norman moved with his family to northern Indiana, where he attended Madison High School and fell in love with his late wife, Sonja Gall. They graduated in 1958 and got married a year later on Valentine's Day.

Through a lot of hard work, dedication, and compassion for one another, Norman and Sonja built a beautiful life together full of love, laughter, and happiness. They had children, started a business, grew a garden every summer, and even raised honey bees. Norman has always been active in the community and has taught his family the cherished lessons of kindness, integrity, and faith.

Though his business, Wiseman Plumbing, is Norman's passion, his greatest accomplishments are the positive contributions he has made to the lives of those around him and his family. He remained steadfast and committed as his business thrived, and he continues to work years after he closed up his shop. When he's not working, he loves connecting with people and spending time around the community. At church he is known as "Norman the Doorman," greeting churchgoers each Sunday.

His wife Dee and his five children, four grandchildren, and first great-grandchild, David, are life's true blessings for Norman. All who know him are undoubtedly touched by his friendliness and spirit, and I am humbled to call him a friend.

Madam Speaker, Norman Wiseman sets a profound example as a good father, loving grandfather, avid businessman, and caring friend. On behalf of 2nd District Hoosiers, I wish Norman a very happy birthday and many more years of continued health and happiness.

IN RECOGNITION OF THE LOCAL
781 CHAPTER OF THE INTERNATIONAL
ASSOCIATION OF FIRE
FIGHTERS**HON. EMANUEL CLEAVER**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2019

Mr. CLEAVER. Madam Speaker, I proudly rise today to recognize and celebrate the seventy-fifth anniversary of the Local 781 chapter of the International Association of Fire Fighters (IAFF). For seventy-five years, Local 781 firefighters in Independence, Missouri, have proudly served and protected their community.

Supporting one of the oldest municipalities in Jackson County, Missouri, the contributions of Local 781 are engrained in the complex history of the Independence Fire Department and steeped in tradition, dedication and bravery. In 1843, as the prospering village flourished, so

did a growing need to protect what they had established, leading to the emergence of the Independence Fire Department.

Consisting of volunteer fire fighters, the Independence Fire Department originally fought fires in the community with buckets as their only equipment. For 175 years, the Independence Fire Department has upheld this same tenacious, innovative spirit. It has evolved and grown to meet the everchanging needs of the community it serves, and today encompasses ten fire stations, over 150 personnel, an area of seventy-eight square miles, and an institution that boldly protects and serves the community.

The men and women employed by the Independence Fire Department have been proudly and faithfully represented by the Local 781 chapter of the International Association of Fire Fighters (IAFF) since the formation of the local chapter in 1944, empowering them to maintain the same selfless sacrifice in the protection of countless lives.

Moreover, the International Association of Fire Fighters (IAFF) represents more than 295,000 full-time professional firefighters and paramedics who protect eighty-five percent of the nation's population. This endeavor is assisted by the nearly 3,100 affiliates and their members in every state across the United States and Canada. The IAFF not only represents firefighters and paramedics but also includes state employees, federal workers, and fire and emergency medical personnel employed at certain industrial facilities.

As leaders, advocates, and champions for its members, the International Association of Fire Fighters has played a pivotal role in every advance in fire and emergency services in the 20th century. From the introduction of shift schedules early in the last century to the enactment of SAFER in 2003, which helps bolster access to careers in essential emergency response, ensuring better work conditions for these responders, and providing established professional standards for fire service. The IAFF has consistently been there to fight for responders and improvements to public safety.

Today, the International Association of Fire Fighters continues to spearhead policy that ensures the well-being of its members and places emphasis on their ability to safely execute their duties. The growth and success of this institution is reflective of its member-driven initiatives and commitment to be an organization for firefighters, by firefighters.

Madam Speaker, please join me and all of Missouri's Fifth Congressional District in celebrating the seventy-fifth anniversary of Local 781 chapter of the International Association of Fire Fighters. Let us join in recognizing the bravery of its members, both past and present, who honorably serve the community of Independence, Missouri.

RECOGNIZING NATIONAL ATAXIA
AWARENESS DAY**HON. ADRIANO ESPAILLAT**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 25, 2019

Mr. ESPAILLAT. Madam Speaker, I rise today in recognition of National Ataxia Awareness Day, and to honor the courage of the one hundred and fifty thousand Americans living with Ataxia, a neurodegenerative disease that affects the ability to coordinate movement. Those with Ataxia may have difficulty walking, speaking, and executing fine motor skills, and for some may lead to early death.

I would also like to honor the contributions of the National Ataxia Foundation, which is dedicated to improving the lives of those impacted by Ataxia including those with the disease, and their caregivers through support, education, and research.

I applaud their commitment and advocacy at the State and Federal levels to raise awareness of this disease and urge my colleagues to learn more about it and laud the efforts being taken to break down the isolation barriers and misconceptions around Ataxia.

I especially want to thank my constituent, Ms. Kim Brown for reaching out to me and my office to raise awareness of Ataxia and support research efforts to benefit those in my district and across the nation who live with this condition.

Today I stand in solidarity with all Americans battling Ataxia, and the dedicated scientists, health care workers, and caregivers who support them. I look forward to the day when this devastating condition can be cured.
