

EXTENSIONS OF REMARKS

RECOGNIZING MOUNT ZION MISSIONARY BAPTIST CHURCH'S 100TH ANNIVERSARY

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Mr. VISCLOSKY. Madam Speaker, it is with great respect and admiration that I take this time to congratulate Mount Zion Missionary Baptist Church of Michigan City, Indiana, as the congregation joins together in celebration of the church's 100th anniversary. The parishioners along with Mount Zion's pastor, Reverend Dr. Stanley Mason and leadership, will be commemorating this momentous occasion with a celebratory banquet on Saturday, September 28, 2019.

In 1919, Mount Zion Missionary Baptist Church was established in Michigan City by the church's founding members, Reverend and Mrs. John McGee, Mr. John Gibbons, Mother Emma Wilkies, Mother Lola Bolden, and Sister Willie Lee Thomas. After many years of holding church services in member's homes and store fronts, the congregation and leadership purchased a church building in 1923. Mount Zion has been through numerous changes in leadership, membership, and location throughout the past century, but the foundation of giving back to the community has been a steadfast and important mission, and it continues to this day.

Throughout the years, the members of Mount Zion Missionary Baptist Church have been dedicated to charitable efforts within the community of Northwest Indiana and beyond. Some of the church's important public service projects include providing Christmas baskets for those in need, visitation for the sick, and Sunday school programs.

Under the leadership of the current pastor, Reverend Dr. Stanley Mason, new educational ministries have been established, and charity work has continued and expanded. In addition, the church building has undergone numerous improvements, and the membership has increased. Reverend Mason and the congregation of Mount Zion have been a true blessing to the community of Northwest Indiana and beyond.

Madam Speaker, I ask that you and my other distinguished colleagues join me in honoring and congratulating Mount Zion Missionary Baptist Church in Michigan City, Indiana, on its 100th anniversary. The members and church leaders have dedicated themselves to serving others, especially to those most in need, and they are an inspiration to us all.

HONORING THE CAREER OF JOHN R. FLINT

HON. DEBBIE WASSERMAN SCHULTZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Ms. WASSERMAN SCHULTZ. Madam Speaker, it is with great pleasure that I recognize the distinguished career of John R. Flint, City Manager of my hometown of Weston, Florida.

Mr. Flint is one of Broward County's long-serving public servants. Appointed as the City of Weston's first City Manager in July 1997, Mr. Flint is the Chief Executive Officer of the nation's premier municipal corporation. Incorporated in 1996 by an overwhelming percentage of its voters, Weston quickly gained international attention for being one of the country's largest master-planned communities and for the progressive form of contractual municipal management which Mr. Flint has instituted. He currently oversees services to the City's 67,000 residents, over an area of 27 square miles.

Mr. Flint has served in local government management capacities in the cities of Hollywood and Cooper City where he was responsible for the design, construction and management of municipal infrastructure. He has received both gubernatorial and legislative appointments furthering his community service.

John is a consummate professional whom I am proud to call my friend. I wish him well on his retirement and thank him for the thoughtful and committed work he has done to enrich and safeguard the residents of Weston.

FAFSA TRANSLATION ACT

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Ms. MENG. Madam Speaker, I rise to bring attention to the need to have the Free Application for Federal Student Aid form available in multiple foreign languages. Currently, FAFSA forms are available only in English and Spanish.

That is why I am introducing the FAFSA Translation Act, which would amend the Higher Education Act of 1965 by requiring the Secretary of Education to translate FAFSA into no fewer than 11 foreign languages and make them available in paper and electronic formats.

Madam Speaker, the cost of higher education continues to skyrocket, and all students and families in the United States—regardless of how proficient they are in English—are entitled to seek the same financial aid they need to help pay for college. Those who face significant language barriers should not be forced to rely on for-profit companies that charge hundreds of dollars to translate this free applica-

tion. Translating FAFSA into various languages will help make the financial aid process less complicated for many families across the country. Ultimately, this would allow more students to access higher education—which is critical for the economic health of the nation. I urge my colleagues to support this legislation.

IN RECOGNITION OF THE CITY OF ANN ARBOR'S COMMUNITY-LED SOLAR INSTALLATION PROJECT

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Mrs. DINGELL. Madam Speaker, I rise today to recognize the City of Ann Arbor's community-led solar installation project. The city's efforts to increase its use of renewable energy are worthy of commendation.

The Ann Arbor City Council passed the Climate Action Plan in December of 2012 to help combat the effects of climate change by reducing the city's emissions. In the years since, the city has striven to discover new ways to implement clean and renewable energy alternatives within the city's daily operations, exploring possibilities with sun, wind, landfill gas, and hydro energy sources. Having an average of 4 to 6 hours of sun exposure every day, sun in Southeast Michigan can satisfy a significant portion of the Ann Arbor community's needs. Thus, the city is increasingly investing in solar energy opportunities and seeking new ways to incorporate its use.

The City of Ann Arbor's solar installation project exemplifies the community's continued commitment to climate action, environmental protection, and public safety. Through the hard work of dozens of community volunteers from all walks of life, the project will lead to the installation of solar panels on the roof of Ann Arbor Fire Station 6, thereby lowering the station's harmful emissions. The solar installation project has a real and meaningful impact on Ann Arbor, as it brings our community together not only to decrease the city's carbon footprint, but to enhance the ability to guard against future, unpredictable disruptions to the city's public safety services like the fire department.

Madam Speaker, I ask my colleagues to join me in honoring the City of Ann Arbor's community-led solar installation project. I am proud to be part of a community that is so dedicated to protecting our climate and environment.

PERSONAL EXPLANATION

HON. A. DONALD McEACHIN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Mr. McEACHIN. Madam Speaker, I was unavoidably detained on September 19, 2019

during roll call no. 536, On Ordering the Previous Question, H. Res. 564, Providing for consideration of H.R. 4378, Making continuing appropriations for fiscal year 2020, and for other purposes. Had I been present, I would have voted "yea." I was also unavoidably detained during roll call no. 537, On Agreeing to the Resolution, H. Res. 564, Providing for consideration of H.R. 4378, Making continuing appropriations for fiscal year 2020, and for other purposes. Had I been present, I would have voted "yea." I was also unavoidably detained during roll call no. 538, On Passage, H.R. 4378, Making continuing appropriations for fiscal year 2020, and for other purposes. Had I been present, I would have voted "yea."

CELEBRATING LIUNA LOCAL 500'S
100TH ANNIVERSARY

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Ms. KAPTUR. Madam Speaker, I rise today to recognize a century of service of the Laborers' Local 500 union in Toledo, Ohio. Next week members will come together to celebrate this significant milestone, both reminiscing and looking toward the future.

The International Hod Carriers' and Building Laborers' Union (which would become today's Laborers' International Union of North America, or LIUNA) Local No. 500 was chartered on October 20, 1919 to represent laborers who were in demand to build roads, bridges and other infrastructure in Toledo and Northwest Ohio. The union has since provided skills training to thousands of laborers and secured living wages, health insurance and retirement pension benefits for thousands of its members who live and work in Northwest Ohio, allowing them to live decent, productive lives; provide for their families; and retire with dignity and security. Local 500 has produced many community leaders and has been a beacon in our community.

Local 500 helped protect its hundreds of members during the Great Depression of the 1930s while working to build landmark Toledo structures under the federal New Deal program, including University Stadium at the University of Toledo and the Toledo Main Public Library. Members also contributed mightily on the home front during World War II, helping to build many of the Northwest Ohio factories that supplied and eventually helped win the war effort.

Over the years, Local 500 members have helped build many of the vital highways, roads, bridges and infrastructure of Northwest Ohio, including the Toledo Municipal Airport, the Ohio Turnpike, the Davis Besse Nuclear Power Station, Veterans' Glass City Skyway, Interstate 280 and Interstate 475. Members have helped build and rebuild downtown Toledo, including the Fiberglas Tower, Promenade Park, One Seagate Tower, Owens Corning World Headquarters and the Fifth Third Field baseball stadium.

At the same time as the members of Local 500 helped to build and shape our region, they have remained eager and important contributors to our community. The union participates in charitable initiatives such as repairing the City of Toledo's Wilson and Farr pools and

sponsoring the Kings Kids Academy and Family House Homeless Shelter.

Today, as Local 500 turns 100 years old, it continues to serve and protect its membership and its six-county jurisdiction of Lucas, Wood, Fulton, Henry, Defiance, and Williams counties while providing the region with a skilled workforce involved in the placement and removal of concrete, demolition, asbestos removal, grade checking, flagging, carpenters tenders, brick mason tenders, hazardous waste removal, tunneling and more.

President Barack Obama noted, "Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek." As the membership of LIUNA Local 500 looks back on a century of progress and changing both lives and community for the better, we pause to remember those on whose shoulders we stand. We look forward to the next century with promise. Onward.

INTERAGENCY COMMITTEE ON
WOMEN'S BUSINESS ENTERPRISE
ACT OF 2019

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Ms. MENG. Madam Speaker, I rise to bring attention to the critical need to support women-owned businesses. Women-owned businesses are driving economic growth in our nation.

Since 1972, the number of women-owned businesses increased nearly 3,000 percent. Between 2018 and 2019, U.S. women of all backgrounds started an average of 1,817 new businesses per day, representing 42 percent of all businesses. These businesses generate \$1.9 trillion and employs 9.4 million workers. As of 2019, women of color account for 50 percent of all women-owned businesses, and these businesses in particular are growing at a significantly faster rate than women in general and all businesses. The social and economic benefits of encouraging and supporting women entrepreneurs are undeniable and enormous.

Despite the incredible ingenuity of women entrepreneurs, women still face significant barriers to business ownership due to unmanageable expectations for work-life balance, implicit biases against women in STEM, and limited access to capital.

That is why I am introducing the Interagency Committee on Women's Business Enterprise Act of 2019—a bill to reauthorize a federal agency (of the same name) that would help coordinate federal resources and grow women-owned businesses. Better coordination is critical to making sure women business owners and entrepreneurs receive the assistance they need to help start, grow, and sustain their business enterprises. The Interagency Committee's responsibility will be to look at the behavior of the federal agencies in how they support, expand, and strengthen resources and programs for women-owned businesses—ultimately making sure our federal government is doing all that it must to support women entrepreneurs.

First established in 1979, the ICWBE led several federal agencies in the development of

policies to assist women business owners. While the Interagency Committee was initially maintained through both Democratic and Republican administrations, it has been inactive since 2000 with no chairperson at the helm. My bill would amend Title IV of the Women's Business Ownership Act to reauthorize the Interagency Committee by making sure a Chairperson is at the helm. Getting the Interagency Committee back to functioning status would help increase the ability of the federal government to provide targeted assistance to women entrepreneurs so they can achieve their business goals, while ensuring this entity carries out its mission to support and reinvest in women-owned businesses.

Madam Speaker, women entrepreneurs are the key to engineering new and better innovations in today's global economy—and I urge my colleagues to support this legislation.

PERSONAL EXPLANATION

HON. VERONICA ESCOBAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Ms. ESCOBAR. Madam Speaker, my votes were not recorded on September 26, 2019. I am not recorded because I had to attend to a family matter. Had I been present, I would have voted "yea" on Roll Call No. 549; "yea" on Roll Call No. 550; "nay" on Roll Call No. 551; and "yea" on Roll Call No. 552.

TAIWAN NATIONAL DAY

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Mr. WILSON of South Carolina. Madam Speaker, on October 10, 2019, Taiwan will celebrate its 108th National Day—also known as Double Ten Day. I am grateful for the opportunity to offer my best wishes to the people of Taiwan in advance of this occasion.

Taiwan is a friend, an ally, and an important economic and security partner of the United States. Trade ties between the U.S. and Taiwan have grown rapidly over the years, and Taiwan is now the United States' 11th largest trading partner and South Carolina's 10th largest trading partner worldwide. We appreciate the enormous investment of Nan Ya Plastics Corporation in Lake City as a subsidiary of Formosa Plastics Group, creating jobs.

The U.S.-Taiwan relations are broader than just trade. This year marks the 40th anniversary of the Taiwan Relations Act. In the years since the Act's adoption, Taiwan has blossomed into a thriving full-fledged democracy. With its respect for the rule of law, human rights, open market economy and a robust civil society, Taiwan has served as a beacon of freedom and an indispensable strategic partner of the United States in the Indo-Pacific. My lifelong appreciation of the people of Chinese heritage was inspired by my father, 1st Lt. Hugh deV. Wilson, U.S. Army Air Corps, 14th Air Force, with the Flying Tigers. He developed an affection for the people of China as he served in 1944 in Chengdu, Xi'an, and Kunming to protect Chinese citizens from aggressors.
