

America's environmental crisis has generated both formal legislation like the Clean Water Act of 1972 and independent action to transform the severe health hazard into a regional asset. Thanks to the river's renewed health and viability, members of our community have taken the initiative to commemorate the legacy of the Ford Hunger March by planning the creation of a pocket park located at the foot of the Fort Street Bridge. The new park will honor our community's vast history and highlight the significance of the Rouge River fire and the Fort Street Bridge for generations of Michiganders to come.

Madam Speaker, I ask my colleagues to join me in honoring the 50th anniversary of the Rouge River fire and celebrate the ground breaking of the future Fort Street Bridge Park. I am grateful for our community's efforts to ensure our history is never forgotten.

**HONORING MS. KATHY TEAL**

**HON. KEN BUCK**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 11, 2019*

Mr. BUCK. Madam Speaker, I rise today to honor and celebrate the life and legacy of Ms. Kathy Teal of Greeley, Colorado.

Kathy Teal was an accomplished woman who always kept the needs of women and children at heart and fought hard for life. Ms. Teal dedicated her career to serving teenage and unwed pregnant mothers, working as a certified midwife. In the 1980s, Kathy was part of a group that founded Birthright of Greeley where she served as a counselor and later as the organization's director. She also played an instrumental role in drafting and advocating for the law legalizing lay midwifery in the state of Colorado.

From 2002 until her passing on March 21, 2019, she helped found and was actively involved in the Genesis Project of Northern Colorado, a faith-based, nonprofit organization serving single mothers and their children. She later served on the Executive Board and the Advisory Board, continually guiding this organization with her passion to protect life.

Madam Speaker, I would like to honor Ms. Kathy Teal for all her contributions to Eastern Colorado and recognize the profound legacy that she leaves behind. It is an honor to celebrate her impact on our community and state.

**CELEBRATING THE 300TH ANNIVERSARY OF AMITY TOWNSHIP**

**HON. DANIEL MEUSER**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 11, 2019*

Mr. MEUSER. Madam Speaker, it is with great respect and appreciation that I rise today to celebrate the 300th anniversary of the Township of Amity, Pennsylvania.

The oldest incorporated township in Berks County, Amity predates the county itself. Settled by Swedish settlers on land granted by William Penn in 1701, Amity is home to the county's oldest structure, the Mouns Jones House, which was built in 1716, as well as St. Gabriel's Church, Berks County's first organ-

nized religious congregation. Among Amity's other contributions to history is the White Horse Inn, which served as a gathering place for officers of the Continental Army during the American Revolution and was visited by President George Washington in 1793. The Historic Preservation Trust of Berks County has been instrumental in preserving Amity's rich history as part of Morlatton Village.

Amity's 300th anniversary has been heralded with great celebration. Events commemorating the township's tricentennial have brought the people of Amity together to recall and celebrate their longstanding sense of community that was the foundation of its establishment 300 years ago. Amity has remained a strong community because it holds the same values as at its founding.

On behalf of the U.S. House of Representatives and the citizens of Pennsylvania's Ninth Congressional District, I ask my colleagues to join me and the great people who call Amity home in celebrating 300 years and wishing them many more years of community and prosperity.

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 11, 2019*

Mr. BUDD. Madam Speaker, I rise today to recognize the career of Dr. Rodney Allen Mortenson of Greensboro, North Carolina on the eve of his retirement.

Dr. Mortenson has practiced sports medicine and orthopedic surgery for nearly five decades in the Greensboro and Eden areas. He has been a stalwart of the medical community, expertly servicing the needs of his patients while expanding the knowledge within the orthopedic field more broadly. In 1976, Dr. Mortenson founded the Sports Medicine and Orthopedic Center in Greensboro specializing in trauma care, joint function, and hand and foot surgery. Countless patients have come to see Dr. Mortenson with serious, debilitating afflictions and left his office with a new lease on life.

I am beyond grateful for the work Dr. Mortenson performed in a community that we both care deeply about, and I wish him only happiness in the years to come.

**RECOGNIZING STU SKAUGE, TOMMY SPENCER, AND SHANA THORNTON FOR THEIR INDUCTION INTO THE UPPER PENINSULA LABOR HALL OF FAME**

**HON. JACK BERGMAN**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 11, 2019*

Mr. BERGMAN. Madam Speaker, it's my honor to recognize the lives and service of Stu Skauge, Tommy Spencer, and Shana Thornton on the occasion of their induction into the Upper Peninsula Labor Hall of Fame. Through a lifetime of unparalleled service and devotion to the public good, these three leaders have become indispensable parts of the state of Michigan.

The U.P. Labor Hall of Fame was established in 1993 to recognize unionists who have made an outstanding contribution to the cause of worker dignity and workplace fairness. With their lifetimes in service to their fellow workers, Shana, Tommy, and Stu are all clearly deserving of this honor.

Stu Skauge served as a Michigan school teacher for 33 years. As a member of the Michigan Education Association (MEA), Stu served as president-elect, president, and chief negotiator for his bargaining unit in the Marquette Area Public Schools district for over 25 years. He would go on to become the MEA UniServ director in Marquette and Alger Counties for another 10 years before his retirement. He has remained a dedicated leader in retirement, serving on the Ishpeming City Council and continuing to be active with the MBA-Retired organization. Stu also served as a Sergeant E-5 in the Korean War and is a life member and former commander of the Ishpeming VFW.

As a member of the United Steelworkers for 38 years, Tommy Spencer served as a leader, trainer, and activist for on-the-job health and safety, eventually becoming the Company Committee Safety Chairperson. His efforts were critical in forming the Steelworkers Coalition and establishing the Worker Memorial Day event—helping to remember workers killed or injured on the job and continue the fight for stronger safety and health protections. Tommy has devoted countless hours to volunteer work and public service through organizations like the Marquette County Labor Council, the Cliff's Shaft Mining Museum Board, the Negaunee Township Building and Recreation Committee, and the Harley Owners Group.

While she started her career as a teacher's aide, Shana Thornton quickly found her calling as a union activist—serving as steward, chapter chair, and local president in her local organization. Her drive led her to become a Staff Representative for the American Federation of State, County, and Municipal Employees (AFSCME) before ultimately serving as the Director of Field Services for AFSCME Council 25, where she supervised 23 Staff Representatives across the state of Michigan. Shana was the first and only woman to serve as President of the Marquette County Labor Council. She also served at the state-level on the Michigan AFL-CIO General Board and the Michigan Labor-Management Council, representing the U.P.

Madam Speaker, induction into the U.P. Labor Hall of Fame is a tremendous honor

and reflects a lifetime of service towards the rights and well-being of fellow workers. None are more deserving of this honor than Stu Skauge, Tommy Spencer, and Shana Thornton. Michiganders can take great pride in knowing the First District is home to such dedicated leaders. On behalf of my constituents, I wish them all the best in their future endeavors.

IN RECOGNITION OF THE AMERICAN HUMAN RIGHTS COUNCIL

---

**HON. DEBBIE DINGELL**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 11, 2019*

Mrs. DINGELL. Madam Speaker, I rise today to recognize the American Human Rights Council. Their exemplary efforts in defending and protecting human rights are worthy of commendation.

The American Human Rights Council (AHRC) was founded in 2014 as a non-profit organization committed to protecting, promoting, and defending human rights as defined by the U.S. Constitution and outlined in the United Nations' 1948 Universal Declaration of Human Rights. Since its inception, the AHRC has worked tirelessly with community leaders and human rights advocacy organizations to intervene in situations where human rights are at risk. Through high-level legislative work, media outreach, and grassroots mobilization, the AHRC strives to protect individuals whose rights are being violated regardless of geographical or other boundaries.

The AHRC's Annual Community Forum and Dinner Reception exemplifies the council's continued commitment to protecting and uplifting human rights worldwide. The 2019 forum titled "Human Trafficking: Universal Challenge, Common Responsibility" will focus on the challenges of human trafficking and generate awareness of its prevalence on a local, national, and global scale. Human trafficking constitutes a serious human rights violation and must be handled with the upmost care and concern. Thus, the AHRC strives to use its platform to educate attendees further on the impacts of human trafficking and provide opportunities to learn about ways to combat this alarming human rights crisis.

Madam Speaker, I ask my colleagues to join me in honoring the American Human Rights Council. The AHRC's meaningful work plays a crucial role in protecting human rights worldwide, and we are grateful for the tremendous dedication to solving the world's toughest human rights challenges.

HONORING THE WORK OF ELVIRA RAMOS

---

**HON. JOE NEGUSE**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 11, 2019*

Mr. NEGUSE. Madam Speaker, there are people in every community who are the gears that make the entire engine run, and who make their homes better, stronger and more interconnected. On the precipice of her retirement, I wish to honor one of those people from my community, Elvira Ramos. For over a decade, Elvira served the Community Foundation of Boulder County in grantmaking, mentorship, and as co-director of the Leadership Fellows Program. We have been blessed by her service and commitment to all of us, and now it is our chance to honor her.

An experienced trainer and facilitator, one of Elvira's greatest gifts to the Colorado community is her willingness to mentor and further the leadership skills of others, focusing especially on those from communities that are too often overlooked. She has led workshops in board and leadership development, inclusive leadership, volunteer management and strategic planning. Elvira convenes thoughtful, thorough conversations that tackle critical subjects and empower others with knowledge and expertise which they can pay forward to create a more just and representative society.

Elvira has made inclusivity and diversity pillars of her work. As an activist and philanthropist, she has built beloved and vital local organizations, ensuring that these organizations were always reaching outwards and creating more space at the table. Elvira has worked to create permanent and positive change through civic engagement and has built a foundational legacy upon which new community leaders will stand. Each of us are truly fortunate to feel the effects of her life's work.

One of Elvira's favorite quotes comes from Lao Tzu: "A leader is best when people barely know he exists, when his work is done, his aim fulfilled, they will say: we did it ourselves." Though for countless Coloradans Elvira has emulated this exact form of leadership, kindly and gently guiding so many of us on a righteous path, today I would like to shine a bright light on her myriad contributions and powerful influence for good. The Colorado community wishes Elvira happiness and relaxation in her retirement, and sends our endless gratitude for her many contributions.

HONORING THE LIFE OF FORMER AMBASSADOR TO UKRAINE, WILLIAM GREEN MILLER

---

**HON. MARCY KAPTUR**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Friday, October 11, 2019*

Ms. KAPTUR. Madam Speaker, I rise to pay respectful tribute to the gifted, compassionate, and persevering life of American diplomat William Green Miller, our nation's second Ambassador to Ukraine following the collapse of the Soviet Union in 1991.

A highly trusted advisor and valued friend to Members of Congress, and the diplomatic and intelligence communities, Ambassador Miller's distinguished service to our nation elevated the possibilities and promise of liberty to people living in nations that had never known freedom.

He dedicated his life at liberty's edge with great humility. His steady, unselfish, and tenacious nature allowed him to tackle infinitely complex situations— Iran, the Soviet Union, Ukraine—and advise ways forward. He never really retired and remained engaged and insightful during his golden years.

A renaissance man, Ambassador Miller's career spanned assignment in Iran, staff director of the Senate Intelligence Committee, senior Administrator and professor at Tufts University, chairman of the board of the Kyiv Mohyla Foundation, and president of the American Committee on U.S.-Soviet Relations. Upon leaving Congress, the U.S. Senate recognized his leadership by passing a special resolution commending him for "contributions and for his dedication, loyalty, integrity, and service."

Simply, he was exceptional.

It is with deepest condolences that I offer sympathy to his beautiful wife Suzanne, their two sons, and extended family at this difficult time.

May the life he has lived continue to inspire a new generation of Americans to embrace his calling to scholarship, service, and patriotic commitment to liberty's cause at home and abroad.

[From the Kyiv Post Sept. 24, 2019]  
WILLIAM GREEN MILLER, SECOND US AMBASSADOR TO INDEPENDENT UKRAINE, DIES AT AGE 88

William Green Miller, who served as U.S. ambassador to Ukraine in the 1990s as the euphoria of national independence gave way to the misery of economic destitution for many Ukrainians, died in his home in northern Virginia on Sept. 23, according to friends. He was 88. He served as America's second ambassador in Kyiv, from 1993-1998, and is the first of nine American ambassadors to independent Ukraine to have died.
