

As Congress considers ways to address the deadly gun violence that is plaguing too many of our communities, one of the central themes and solutions to consider are ways to increase resources and training available to community members themselves to help prevent or de-escalate conflict that can help break the deadly cycle that violence has in our communities.

There is no question that stronger gun laws are an important part of efforts to prevent gun violence. I again urge Senator MCCONNELL to take up the bills the House has already passed that would help strengthen background checks, a move which is broadly supported by the American public, and to close the Charleston loophole that allows gun sales to go through if not completed within three days.

But just as critical is the need to develop and strengthen community wide resources and tools that can help prevent violence, including gun violence, in the first place. One such way is to increase support so that a broader range of individuals in communities can learn conflict prevention and de-escalation and violence interruption strategies that can help prevent situations from turning violent while helping to connect individuals to community supports.

Now more than ever we need to explore all the ways to end this epidemic of violence. A study published in the October 2019 issue of Health Affairs shows that the rate at which Americans died from firearm injuries increased sharply starting in 2015. And while high profile mass shootings make up a small portion of these incidences, the vast majority are from the daily violence that too many of our communities continue to endure.

According to that study, the United States saw a 14 percent rise in the rate of gun-related deaths of all kinds from 2015 to 2017 compared with the rate from 1999 to 2014.

Like other cities around the country, the city of Milwaukee has experienced multiple forms of violence that have caused significant injury and trauma for individuals, families, and neighborhoods. From 2010 to 2016, there has been a 76 percent increase in firearm-related homicide victims, a 38 percent increase in nonfatal shooting victims, and a 43 percent increase in combined victims.

During this time of crisis with violence happening around the country, we need to focus on how all elements of our society, government and the communities themselves, can work to help end violence.

We need to invest in policies and programs that could literally save lives. Communities standing together can make a difference.

I applaud the organizations that have come together to sponsor this week and help make our communities safer including Black Women for Positive Change, the National Black Nurses Association, Moms Demand Action and others.

In addition, governors in Wisconsin, Colorado, Michigan, and Virginia have all issued proclamations recognizing this week.

RECOGNIZING HISTORIC DOWNTOWN DELAWARE, OHIO FOR THEIR DESIGNATION OF "GREAT NEIGHBORHOOD" BY THE AMERICAN PLANNING ASSOCIATION

HON. TROY BALDERSON

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 16, 2019

Mr. BALDERSON. Madam Speaker, I rise today to celebrate Delaware, Ohio as they are recognized by the American Planning Association as one of America's "Great Neighborhoods."

The American Planning Association introduced the first of its annual "Great Places" list in 2007 as a way to acknowledge the ingenuity and precision of city planners, city members, and local organizations around the country. The American Planning Association strives to expose the importance of city planners and their impact on communities.

Chosen from a pool of 200 nominees, Downtown Delaware became one of four neighborhoods around the country to receive this prestigious title. Throughout the nomination process, Downtown Delaware stood out for its outstanding revitalization and attention to the city's history. This impressive balance between historical preservation and innovative expansion can be credited to the city planners, business owners, workers, and community members of Historic Downtown Delaware that dedicated their time to improving their city.

The historic downtown area remains as one of Delaware's defining elements. Rooted in 200 years of history, Downtown Delaware's charm and antiquity have withstood the test of time. This achievement showcases both the beauty of this historic community as well as the thorough planning that went into the creation of Downtown Delaware. Downtown Delaware's revival has been decades in the making and Delaware's nomination as one of America's Great Neighborhoods is the honor this city and its dedicated citizens deserve.

Downtown Delaware's established history, set alongside up-and-coming innovations and improvements, creates for a one-of-a-kind city found in the heart of Ohio. The efforts of

Downtown Delaware's city planners and the community as a whole set high standards for cities all over America. As the city of Delaware celebrates its new title with the community on Thursday, October 17th, I cannot express how honored I am to serve the committed people of Delaware as their efforts resulted in this national recognition.

HONORING MR. LUIS LAURO LONGORIA

HON. VICENTE GONZALEZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 16, 2019

Mr. GONZALEZ of Texas. Madam Speaker, I rise today to honor Mr. Luis Lauro Longoria, a marine, a father, and a leader.

Mr. Longoria was born in La Grulla, Texas, on June 5, 1950, before he moved to Longview, Texas. In Longview, Luis attended Hart High School and graduated alongside a high school class of 32 students. After high school, Luis made the selfless and honorable decision to enlist in the military—at only 18 years old.

Mr. Luis Lauro Longoria chose to enlist in the United States Marine Corps in 1968, where he became a M60 Machine Gunner and a Recon Marine. Mr. Longoria honorably served in the Vietnam War and was stationed at Marine Quang Tri Province DMZ, Vietnam. While enlisted in the United States Marine Corps, Mr. Longoria served this country for four years of his early life, experiencing many aspects of military life.

Mr. Luis Lauro Longoria was decorated with two Purple Hearts and a Bronze Star Medal for the injuries he sustained and courage he showed during his time in Vietnam. Everything we hold dear as a community, state, and country is owed to the brave sacrifice of service members like Mr. Longoria. I know that his legacy will inspire future generations to honorably serve our fellow man.

Mr. Longoria later returned to the United States where he met and married his wife, Olivia Longoria. Luis and Olivia have now been married for over 40 years and are the proud parents to their two sons, Luis Longoria II and Oly Longoria.

Madam Speaker, Mr. Luis Lauro Longoria fought to defend the values of the United States during the Vietnam War. He sacrificed his body, not once, but twice to accomplish the missions he was tasked with. He serves as both a light in our community and a leader. It is an honor to represent a dedicated and selfless individual who has greatly impacted the future of the United States and our beloved community. I wish Mr. Longoria the best in his future endeavors. I yield back the balance of my time.

RECOGNIZING STATESVILLE BRICK COMPANY FOR 128 YEARS OF BUSINESS

HON. TED BUDD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 16, 2019

Mr. BUDD. Madam Speaker, I rise today to recognize Statesville Brick Company for 128 years of business.

Due to the Southeast's unique rivers that produce red clay deposits, North Carolina has long been at the center of the brick making economy. This includes companies like Statesville Brick Company which opened its doors in 1891. As times changed though and the post-World War II building boom began to slow, brick makers began closing shop, and small, local operations transitioned into large, interstate corporations. Statesville Brick Company, however, bucked that trend, and remains at heart the same family-run operation it was over a century ago.

For Statesville Brick Company Chief Executive Officer Michael Foster and President James E. "Sonny" Rankin, Jr. along with Executive Vice President Scott A. Rankin and Quality Control Manager Adam Foster, the brick business is a generational affair. Sonny's grandfather E.R. "Roy" Rankin joined the company in 1916 and oversaw the construction of an early iteration of the firm's plant while Michael's father, H.B. "Bob" Foster joined as a partner in 1969. Today, Statesville Brick Company currently employs over 90 people and their work can be found at some of our nation's most prestigious academic institutions such as Princeton University, Ohio State University, and Davidson College.

Statesville Brick Company's 128 years of business are a source of pride for our region, demonstrating how an operation dedicated to high craftsmanship with deep local roots can succeed and thrive in a changing landscape.

Madam Speaker, please join me today in celebrating Statesville Brick Company for 128 years of business.

PASSING OF MS. ELIZABETH J.
WESLEY

HON. ALCEE L. HASTINGS
OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 16, 2019

Mr. HASTINGS. Madam Speaker, it is with great sadness that I rise today to honor Ms. Elizabeth "Libby" Wesley, an extraordinary activist and dear friend from Palm Beach County, Florida.

Ms. Wesley was born in Defuniak Springs, Florida to William and Allie Mae Jackson. In 1958, she moved to Delray Beach, Florida where she began her 37-year career in the field of education as a classroom teacher, instructional television educator, and project manager of early childcare welfare and services with the Palm Beach County School District. Her steadfast commitment to quality education on the local, state, and national level and her expertise in the field of early childhood education and development was highly sought after by leading parent advocacy groups, businesses, and national and local legislators.

Ms. Wesley, affectionately known as Libby, gifted her talents, time, and voice to the community as a prolific speaker, soloist, community activist, organizer, and innovator. Throughout her 61 years as a member of St. Paul AME, she served as the church secretary, on the trustee board and finance committee, and lifted the spirits of the congregation with her signature rendition of Amazing Grace. Libby became a member of Zeta Phi Beta Sorority, Inc. in 1954 at Florida A&M Uni-

versity. She continued the works of her beloved sisterhood first as a member of Delta Epsilon Zeta Chapter in West Palm Beach, and later a founding member of the Tri-City Chapter Omicron Delta Zeta.

Perhaps Ms. Wesley's most impactful community legacy was her role as a co-founder of the Roots Cultural Festival in Delray Beach. Her leadership of this festival grew a weekend celebrating Black American excellence and African culture into a year-round youth program that included music, culture, education, and athletic components.

Ms. Wesley was also the recipient of numerous prestigious awards for her contributions in the areas of volunteerism and leadership, including the Old School Square Life Achievement award, the Delray Beach Rotary Service Above Self award, the Sojourner Truth Living History award, the Jefferson Award, the JM Family Enterprises The Prestigious African-American Achiever's Award, the Publisher's Award from the Sun Sentinel, as well as the building and dedication of The Elizabeth "Libby" Jackson Wesley Plaza in Delray Beach.

Madam Speaker, my friend Libby dedicated her life to serving our community. She was admired, respected, and beloved by all. I want to extend my heartfelt condolences to her family and friends, during this time of great sadness. She will be dearly missed.

HONORING THE LEGACY OF LT.
JOSEPH PETROSINO

HON. THOMAS R. SUOZZI

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 16, 2019

Mr. SUOZZI. Madam Speaker, I rise today to recognize the life and legacy of Giuseppe "Joe" Petrosino, NYPD Badge No. 285. 110 years ago, Lt. Petrosino was assassinated in Sicily while investigating organized crime and became the first NYPD officer killed overseas in the line of duty.

Born in Padula (Sa.), Italy on August 30th, 1860, Lt. Del. Petrosino rose to fame in New York for cracking down on organized crime throughout the city. "The Detective in the Derby", as he was known in Little Italy, was the architect of the Bomb Squad, the Canine Squad, and the Undercover Squad and his techniques are still used by law enforcement today.

Petrosino and his family immigrated to the United States from Padula (in the province of
