

widely respected by their peers, displaying strong expertise in STEM education, and having made a lasting positive impact on their students. Only 108 teachers from all 50 states, the District of Columbia, and the U.S. territories receive this selective recognition each year.

I commend Mr. Dunlea for his fine work as an educator and mentor to his students, building important skills that will help them succeed in a rapidly developing world. STEM education is a building block to an increasingly complex economy that relies on a strong technological skill set. Today's students with strong STEM backgrounds will be those that discover a cure for cancer, help to bring an end to climate change, and get an American on Mars. The important skills that Mr. Dunlea's students develop from his instruction will bring important individual achievements, and will aid our nation in the future.

I'm proud to say that we have excellent quality teachers in New Jersey like Mr. Dunlea, and I look forward to seeing his important work develop in the growth and success of his students.

CELEBRATING THE LIFE OF  
JERRY EPSTEIN

**HON. TED LIEU**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 21, 2019*

Mr. TED LIEU of California. Madam Speaker, I rise today with my colleague Congresswoman LUCILLE ROYBAL-ALLARD, to celebrate the life of Mr. Jerry Epstein, who passed away at the age of 96 on September 2, 2019 in Los Angeles, California. Jerry was an integral part of the development of Los Angeles County through his involvement in real estate, construction, and philanthropic causes.

Born on August 29, 1923 as the only child of Meyer and Tilda Epstein, Jerry was raised in the Bronx and Mount Vernon, New York. Shortly after the bombing of Pearl Harbor, Jerry enlisted in the military, serving as an enlisted man and commissioned officer in the United States Army and Air Force. He flew in B-17 and B-29 bombers and served on active duty during multiple island invasions in the Pacific Theater during World War II.

After the war, Jerry enrolled at Emory University, where he met the love of his life, Pat. They were married on December 26, 1948 and celebrated more than 66 years together before she passed on July 22, 2015.

In 1949 Jerry and Pat moved to Los Angeles, where Jerry initially worked for Pat's family business. In 1952, Jerry became involved in real estate, including the development and management of multi-family rental apartments, as well as the initial creation and development of Marina del Rey, now the largest pleasure boat harbor community in the world.

Jerry took pride in his service on several local and state public bodies focused on transportation infrastructure and public building construction. He was appointed to the Los Angeles County Economy and Efficiency Commission in the 1970s and was the first chairman of the Energy Commission for the City and County of Los Angeles. Jerry also served as a chairman of the California Transportation Commission and vice chair of the California High-Speed Rail Authority.

As a trustee of Saint John's Hospital and Health Center Foundation in Santa Monica for more than 40 years, Jerry felt great pleasure working with the compassionate sisters, doctors, nurses and staff treating and healing patients. Jerry was also chair of the Development Committee that oversaw the \$500 million reconstruction of Saint John's after the 1994 Northridge earthquake.

Philanthropic causes played a big role in Jerry's life—he and Pat were honored by the National Conference of Christians and Jews, the Boys and Girls Club of Venice, Big Brothers of America, Portals, and Saint John's Hospital; they also supported many charities, including the Lucille and Edward R. Roybal Foundation, the Jewish Federation, and Jewish Family Service of Los Angeles.

Jerry's impact on the communities he helped build from the ground up is indelible. Congresswoman ROYBAL-ALLARD and I are blessed to have known and worked with Jerry on issues of importance in Southern California. May his commitment to service inspire those of us working toward a brighter future.

HONORING WILLIAM M. MOONEY,  
JR.

**HON. NITA M. LOWEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 21, 2019*

Mrs. LOWEY. Madam Speaker, I rise to honor William M. Mooney, Jr. as he prepares for his retirement from the Westchester County Association (WCA), where he currently serves as President and CEO.

First elected to head the Westchester County Association in 2004, Bill Mooney has distinguished himself as one of the premier advocates for the Lower Hudson Valley's business and banking communities. Under Bill's steadfast leadership, the WCA transformed from a network of business interests to a formidable organization focused on fostering economic growth and development in Westchester County and beyond.

Counted among Bill's numerous accomplishments are helping to launch The Blueprint for Westchester, a groundbreaking campaign that resulted in the repurposing, reactivation, and redevelopment of millions of square feet of underutilized space in Westchester County. With Bill at the helm, the WCA also managed a \$9.8 million federal workforce development grant—the largest such grant in the history of Westchester County—resulting in hundreds of jobs for Hudson Valley residents.

Beyond his prowess as a business leader, Bill has always been dedicated to giving back to the community. Bill's philanthropic efforts have directly benefitted the United Way of Westchester and Putnam Counties, the American Heart Walk, the Westchester Partnership for Economic Development, the Red Cross of Rockland County, and countless other nonprofits and educational organizations.

Bill Mooney has dedicated his career to making Westchester County a desirable place in which to live and work. Bill's achievements have left an indelible mark on the lives of so many, and his legacy will be remembered long after he leaves the WCA. Thanks to his tireless efforts, William M. Mooney, Jr.'s prediction that Westchester County's best days lie ahead seems certain to come true.

HONORING CHRISTINE CARPENTER  
AS IOWA'S CANCER CHAMPION  
OF THE YEAR

**HON. CYNTHIA AXNE**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 21, 2019*

Mrs. AXNE. Madam Speaker, I rise today to honor breast cancer survivors across Iowa. I want to recognize Christine Carpenter as a champion and advocate for Iowa women with breast cancer.

Christine was diagnosed with breast cancer 26 years ago—and won. She took her experience with breast cancer and turned into a mission. She is now a leading voice with the Iowa Breast Cancer Advocacy Network, a valuable member of the Iowa Beyond Pink Team, and a frequent face here on Capitol Hill.

I've had the chance to meet with Christine as she fights for research funding and advocates for legal changes that will better serve Iowans, and all women, with breast cancer. If you or a loved one in Iowa have experienced breast cancer, you've likely either met Christine or benefited from the work she's done. She helped ensure that those on Medicaid receive treatment for breast and cervical cancers—even if they didn't qualify under the standard programs. Through her persistent advocacy, Christine was able to protect Iowan women who are most in need.

Christine is the right woman to have on your side and fierce advocate for breast cancer survivors. That is why it is no surprise that Christine was awarded the Iowa Cancer Champion of the Year 2019. Christine's "Iowa-Nice" approach has ensured that all our federally elected officials from Iowa are supporting important breast cancer reform legislation.

In honor of Christine and Iowans with breast cancer, I am calling on my House colleagues to sign onto the Metastatic Breast Cancer Access to Care Act. This legislation will waive the 24-month waiting period for Medicare eligibility and the 5-month waiting period of Social Security Disability Insurance for those with metastatic breast cancer. Metastatic breast cancer is when that cancer has spread beyond the breast and into other organs. Devastatingly, it cannot be cured. It is estimated that nearly 160,000 women in the United States have this terminal form of breast cancer. As we work toward a cure, it is important we provide these women and their families with the financial peace of mind they need in this difficult time.

TRIBUTE TO MONTGOMERY  
MAYOR TODD STRANGE

**HON. TERRI A. SEWELL**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 21, 2019*

Ms. SEWELL of Alabama. Madam Speaker, I rise today to honor Mayor Todd Strange, the 56th mayor of Montgomery, Alabama, on his decade of service to his city, his state and to the people of Alabama. Mayor Strange's outstanding career has been characterized by his commitment to restoring and ensuring Montgomery's economic vitality, his unique sense of humor and, most importantly, his deep and

unwavering love for his city. Since taking office on March 23, 2009, Mayor Strange has been a strong and able leader, who has consistently put people over politics, and has remained resistant to the divisions commonplace in today's political climate. He leaves the City of Montgomery a better place for his excellent leadership.

Long interested in the complexities and practical applications of politics, Mayor Strange graduated from Murphy High School in Mobile, Alabama before continuing on to earn his B.A. in Political Science from Montevallo University. After graduating, Mayor Strange took the opportunity to try his own hand at politics, serving as chairman of the Montgomery County Commission and as Director of the Alabama Department of Commerce. During this time, Mayor Strange was instrumental in coordinating efforts that resulted in substantial job growth and economic revitalization throughout the city, including working with many partners to bring the Hyundai Motor Manufacturing Facility of Alabama to Montgomery.

Over the course of his career, Mayor Strange also worked in the private sector, ably taking on leadership roles in the automotive and telecommunications fields. Mayor Strange served as President, CEO and Co-owner of Blount-Strange Automotive Group, where he oversaw hundreds of employees, and held several leadership roles within South Central Bell Company (now AT&T). He further served as Senior Vice President of Administration of Blount International, Ltd. and President and CEO of Blount Development Corporation.

Mayor Strange first came into office winning a special election after his predecessor, Mayor Bobby Bright, was elected to the United States House of Representatives. His election came on the heels of the economic recession, evident in the city's operating budget. Over the following six years, Mayor Strange worked diligently to continue revitalization in his city, making use of major sporting events, conferences, new jobs and economic development to drive revenue. By 2015, the City of Montgomery closed out the fiscal year with over twenty million in the coffers.

Further, during his time as mayor, Mayor Strange made use of new technologies to cut costs and keep the city safe, implementing a Smart City Initiative, which makes use of artificial intelligence to assess roads for paving projects. The initiative utilizes cutting edge surveillance and sanitation technology in order to streamline efficiency; and uses in-house software technology to keep costs in check. The project symbolizes Mayor Strange's commitment to finding practical, cost-effective solutions that make use of all that modern technology has to offer, in order for the city to run as smoothly as possible.

Mayor Strange has served as Chairman of the Montgomery Business Committee for the Arts, Chairman of the Capital City Club and Chairman of the Board of Trustees of the City of Montevallo. He was formerly the Chairman of the University of Montevallo National Alumni Association, the Chairman of the Board of Directors for the Montgomery Area Chamber of Commerce, the President of the Alabama Institute for the Deaf and Blind Foundation, the Board Chairman of the Montgomery Riverfront Development Committee and the Chairman of the Montgomery Riverfront Alliance. A testament to his enduring legacy and impact,

Mayor Strange has been honored with myriad awards and recognition, including: The Business and Professional Women Boss of the Year Award, the March of Dimes River Region Citizen of the Year Award, the Auburn University at Montgomery Outstanding Community Leader Award and Time Magazine's Quality Dealer Award for Alabama.

Throughout his long and impressive career, Mayor Strange has been blessed to be supported by his wife Linda, his two daughters, Jennifer and Elizabeth and his grandchildren. The strength provided by his family has allowed Mayor Strange his remarkable professional successes and, certainly, his commitment to honoring family values has carried over to his service as mayor.

On a personal note, I have greatly enjoyed working with Mayor Strange on the federal issues that matter most to Montgomery and the River Region. I'm especially proud of the work that our community and, especially, the work that Mayor Strange and his office have done to make the 187th Air National Guard home to the new F-35 Lightning II Jets, resulting in the creation of hundreds of jobs and tens of millions of dollars in economic investment. As we usher in this new era for the City of Montgomery, I know that Mayor Strange's legacy will be the foundation upon which others will lead. While he may be retiring from his service as Mayor, I know he will still be an active, lifelong advocate on behalf of the people of the City of Montgomery and the River Region.

Madam Speaker, I ask my colleagues to join me in honoring Todd Strange for his outstanding service as mayor of the City of Montgomery.

#### HONORING JASON ROSS

### HON. JOHN RATCLIFFE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 21, 2019*

Mr. RATCLIFFE. Madam Speaker, I rise today to honor and thank a truly great American, my District Chief of Staff, Jason Ross. After five years of dedication to our country and the communities of Texas' Fourth Congressional District, Jason is departing from my office to return to the private sector with a record of extraordinary achievement and the gratitude of thousands of Texans whom he has served faithfully.

Madam Speaker, I don't have the words to accurately or adequately convey my gratitude for Jason's commitment, dedication, devotion and loyalty to this endeavor over the past five years.

Since Day 1 in January 2015, I have trusted Jason with charting a course for our district operations to the more than 700,000 Texans across 18 counties. Now, almost 5 years later, there has never been a single day where I have not been rewarded for that decision.

Along the way, I've been witness to and credited for so many great and wonderful things that have transpired in our district—but always knowing that the credit belongs to and has resulted from the work of everyone on staff, under Jason's inspiring leadership.

Personally, I could never have expected or deserved a better supporter, defender, confidant and friend than Jason Ross.

I was once told that if the only prayer you ever say in your life is "thank you," but if you say it with genuine praise and glory to God, then you've both said and prayed enough. So, on behalf of Texas' Fourth Congressional District, I would like to formally honor Jason Ross on his years of dedicated service to our constituents and this nation by saying . . .

Thank you, Jason.

#### TRIBUTE TO GREGORY GARCIA

### HON. JOAQUIN CASTRO

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 21, 2019*

Mr. CASTRO of Texas. Madam Speaker, today I rise in honor of Mr. Gregory Garcia who passed away on Friday, October 4, 2019. Mr. Garcia dedicated his life to community and education. He is survived by wife of 42 years, Margaret; his daughters Christine, Gina, and Glinda; son Gregory Anthony; and his sister Leila Ramos. He will be greatly missed.

Mr. Greg Garcia was born and raised in San Antonio, Texas, graduating from Central Catholic High School in 1958. A proud alumni of Texas A&M University, he graduated in 1962 with a Bachelor of Arts in Business. There, he actively participated in the Corps of Cadets.

After extensive work in the private sector for 20 years, he heard the call to return and serve the alma mater that he so loved. Mr. Garcia was incredibly active in our community and his involvement was only matched by his desire to make San Antonio the best it can possibly be.

During his time with the Texas A&M University System, he served as Vice Chancellor of Governmental Relations. He partnered with his dear friends, the late Senator Frank Madla, in establishing a university on San Antonio's Southside. He has since been recognized as a founding father of Texas A&M University—San Antonio.

Madam Speaker, it is with a heavy heart that I acknowledge the passing of Mr. Gregory Garcia. San Antonio and its Southside communities mourn the loss of a great pillar who dedicated his life to the service of others. I thank Mr. Garcia for everything he has done for San Antonians, the entire state of Texas, and for his fellow Aggies.

#### PERSONAL EXPLANATION

### HON. JOYCE BEATTY

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 21, 2019*

Mrs. BEATTY. Madam Speaker, I was absent from the House Chamber on October 18, 2019, to attend a funeral in my district. Had I been present, I would have voted no on Roll Call No. 565; no on Roll Call No. 566; and yes on Roll Call No. 567.

#### SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference.
