**JONATHAN ZUMKEHR DEPARTS  
FCC VICTORVILLE**

**HON. PAUL COOK**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 12, 2019*

Mr. COOK. Madam Speaker, Jonathan Zumkehr has worked for the Federal Bureau of Prisons for over a decade. He began his work at Metropolitan Detention Center Los Angeles in May 2007, where he guarded inmates standing trial in federal court. After two years at MDC Los Angeles, he transferred to FCC Victorville in March 2009.

While at FCC Victorville, he became involved in improving the lives of his community and his fellow correctional officers. He worked with Be The Match to help raise awareness for finding bone marrow matches for those with blood cancers, and he supported Mothers Against Drunk Drivers in their campaign to fight intoxicated driving. Jonathan's passion for improving his community also led him to improve the lives and working conditions of his fellow correctional officers. He was successfully elected to serve as the Vice President for AFGE Local 3969, where he consistently advocated for better and safer working conditions. Among other important issues, Jonathan was instrumental in bringing to light the understaffing of FCC Victorville and highlighting the risky practice of augmentation.

Jonathan Zumkehr is an outstanding law enforcement professional whose dedication to those around him has improved lives and made our community a safer place. He will be sorely missed as he departs for AUSP Thomson, and I wish him continued success in his Bureau of Prisons Career.

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 12, 2019*

Mr. WITTMAN. Madam Speaker, I rise today to reflect on the life of Joan Albert Lawler, a respected businesswoman and passionate philanthropist, who touched countless lives by her life and work throughout Washington, D.C., Northern Virginia, and Westmoreland County, Virginia.

Born in Syracuse, New York, Joni, grew up in McLean, Virginia. After earning a bachelor's degree from the University of Vermont, she worked at the U.S. House of Representatives

on the staff of Hon. Ron Marlenee and Hon. Albert Johnson, as well as the Clerk of the House and the Territorial Caucus. The positive feeling of helping others through legislation was a foundation for her good works that she continued throughout her life. It was here on Capitol Hill that she met her husband, John. They opened a watering hole for the young political community called "The Third Party" and were active members of the Congressional Flying Club. While raising her family, Joni earned a real estate license and co-founded a financial consulting firm, East West Financial Services.

In 2005, Joni moved with her family full-time to the Northern Neck of Virginia where she used her wide-ranging experience in business and philanthropy to become a pillar of the community, admired for her leadership, generosity, and grace. She served on the boards and committees of numerous organizations, creating many fundraising events that became beloved local traditions.

She always volunteered her time and leadership, establishing successful fundraising events that became longstanding traditions, with Our Lady of Victory Church and the elementary and high schools her three daughters attended including Our Lady of Victory School, Washington Waldorf School, and St. Margaret's School where she also served on the Board of Governors. Joni was guided by her deep faith, and spearheaded a successful capital campaign to support the construction of a new church rectory and office for St. Paul's Mission in Hague, VA. She truly was a doer of good works.

A pillar in the Commonwealth of Virginia, she was always striving to make a difference. I can assure you that our nation and Commonwealth is a greater, more successful place, due to her ever-present leadership and generosity. She is an example of community leaders that we all wish to emulate.

Madam Speaker, I ask you to join me in remembering the life of Joan Albert Lawler, a life lived serving her community. Words alone cannot express our gratitude. May God bless Joni and her family.

**CELEBRATING THE 75TH ANNIVERSARY  
OF FRESNO PACIFIC UNIVERSITY**

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 12, 2019*

Mr. COSTA. Madam Speaker, I rise today to commemorate Fresno Pacific University in Fresno, California on the occasion of its 75th anniversary. The university is a valuable part of the community and plays an important role in educating students in the Central Valley.

Fresno Pacific University was established in 1944 as the Pacific Bible Institute in a two-story home near downtown Fresno. The school had 5 faculty members and a student body of 28. The college's leadership took it upon themselves to expand its campus and curriculum. In 1958 land was purchased to build a larger campus, a biblical seminary and a Mennonite Brethren Church. Beginning in 1961, the biblical college expanded to a two-year institution, Pacific College, and eventually a four-year program in 1964. In 1997, Pacific

College would henceforth be known as Fresno Pacific University, with satellite locations throughout the Central Valley.

The university has integrated five schools, including: School of Business, Natural Sciences, Education, a Fresno Pacific Biblical Seminary, and Humanities, Religion, and Social Sciences. They have over 30-degree options, 40 programs, and more than 100 areas of study. Throughout its history Fresno Pacific has experienced tremendous growth that continues to this day.

Past presidents that have helped the campus and the university's mission to grow have also left their unique mark. Samuel W. Goosen was named the first president in 1944. George W. Peters started in 1947 and introduced the importance of church missions. Reuben M. Baerg began as president in 1953 and was once an instructor in Greek and the Bible's New Testament. Bernhard J. Braun was named president in 1955 and was instrumental in developing the junior college curriculum for the university. Arthur J. Wiebe became president in 1960 and facilitated the transition to a four-year campus and increased the enrollment of students. Edmund Janzen began his tenure in 1975 and helped to expand the mission program. In 1985, Richard A. Kriegbaum was named president and under his guidance, the undergraduate program became nationally ranked. Allen Carden's leadership started in 1997, followed by Harold H. Haak in 2000. In 2002, D. Merrill Ewert became the 10th President. Pete Menjares started in 2012 and was followed by Richard Kriegbaum as he returned in 2014 to help serve one more time. Dr. Joseph Jones now serves as president for the university and continues to work to advance the university's growth and student success.

With strong leadership, the last 75 years have been tremendously transformative for Fresno Pacific University. As they continue to grow and prosper, their values of faith, spirit, and innovation has allowed them to continuously evolve.

Madam Speaker, I ask my colleagues to join me in honoring Fresno Pacific University as it celebrates its 75th anniversary. I commend Fresno Pacific for its 75 years of commitment to education and I wish the faculty, staff, students and alumni continued success.

During the last 50 years women have made great strides in America. It used to be almost unheard of to see women as elected officials, CEOs, senior military officials, doctors or attorneys, but today many of our most successful leaders in the world are women. This progress has not come easy and many women before you have worked hard and strived to achieve the independence and rights you have today. I realize there is more work to be done to ensure that women have equal pay, flexible work schedules and affordable education. Each of the honorees will be a vital part of the future successes for women.
