#### RECOGNIZING THE 100TH ANNIVERSARY OF AMERICAN LEGION POST 51

##### HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 21, 2019*

Mr. HUDSON. Madam Speaker, I rise today to recognize the 100th anniversary of American Legion Post 51, located in North Carolina's Eighth Congressional District. Since its founding on November 20, 1919, Post 51 has made countless contributions to our community.

Over the years, Post 51 has been a fierce advocate for veterans' affairs and rehabilitation, national security, Americanism, and our children and youth. These Four Pillars of the American Legion serve as a guiding light for the organization and pervade all aspects of Post 51's philanthropic work.

Composed of service members, veterans, and military families, Post 51 represents the best our nation has to offer and I am proud to represent a district that has a strong military presence and is home to some of the bravest patriots in the country. Not only did these men and women serve our country while in uniform, they continue to give back to our community's robust veteran population.

Post 51 ensures our men and women in uniform have the resources and support they need throughout and after their service through local advocacy and assistance with the U.S. Department of Veterans Affairs. In addition to these important services, Post 51 fosters a community of service for our children through local basketball and softball programs and the Boys & Girls Club of America.

I know I speak for our entire community in offering my most heartfelt gratitude to American Legion Post 51 for their century of service. The exemplary men and women of Post

51 are the heart and soul of our community and I wish them continued success as they serve our community.

Madam Speaker, please join me today in recognizing the 100th anniversary of American Legion Post 51.

#### IN HONOR OF JOHN HEALY, RETIRING FIRE CHIEF OF THE SAN MATEO CONSOLIDATED FIRE DEPARTMENT

##### HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 21, 2019*

Ms. SPEIER. Madam Speaker, at the end of this year, John Healy will officially step down as the Fire Chief of the Consolidated Fire Department of San Mateo. He leaves big shoes to fill, and they've grown larger over the course of his 36 year career in the fire service.

John started as a volunteer firefighter at age 19 in 1986 with the Foster City Fire Department. He quickly turned professional as he joined the Hillsborough Fire Department the following year. Ten years later he was a Captain. In 2000, he crossed the bay to serve Union City, and in 2003 he returned to his hometown of San Mateo where he remained for the next sixteen and a half years.

Between the days of his teens in the 1980's until the end of his career, his hometown of San Mateo grew from a quiet suburb of about 77,000 to over 105,000. Growth like this presents any fire department with numerous challenges. An entirely new neighborhood at Bay Meadows emerged. On the east side, a shopping center and office developments demanded resources. Complex traffic patterns and tens of thousands of additional vehicle trips on freeways lacing the city prompted increased numbers of serious medical calls every year. The list goes on.

Importantly, over the decades the financing of public services became more difficult as salaries and pensions escalated steeply. When he returned to San Mateo as a Captain in 2003, John Healy faced a community different in many ways from the one in which he grew up. However, San Mateo remained a town that valued its public safety services. This was vividly illustrated in 2008 when the economy went into a steep recession and newly-elevated Deputy Fire Chief Healy assumed responsibility to enter into a shared services agreement. By 2015, Belmont, San Mateo and Foster City were ready to enter into an agreement to formally create a new and combined department. It wasn't easy.

Now Fire Chief Healy negotiated new labor MOUs with three cities, jumped through flaming hoops of pension contracts, axed through byzantine State governance laws, and delivered the equivalent of a new baby in the form of a charter amendment authorizing the new agency. By January of this year, the San Mateo Consolidated Fire Department was up and running with a new governing board, an improved cost structure, and superior service. Chief Healy deserves the thanks of 168,000 residents in the communities that he serves.

During his career, Chief Healy served with the San Mateo County Operations Group and Communications Committee and built strong relationships with the county public safety dis-

patchers and management. He noted in a recent news article that, "Wearing the uniform and the badge was the greatest honor and it's difficult for words to fully express what that means to me."

John Healy holds a Bachelor's in Fire Administration and Fire Prevention Technology from Cogswell Polytechnical College and earned certification as Chief Officer, CICC Strike Team Leader, Fire Investigator I, Safety Officer and Division Group Supervisor. Chief Healy was aided greatly in his career by his family, notably his wife, Stacey. The couple have three sons. Two attend Sera High School. One is in college.

John Healy grew up in San Mateo with seven siblings and knows his hometown's history like he knows his own. Ask him whatever happened to the Borel estate and he'll probably tell you about the development of Borel Square and offices in its vicinity. That new library on 3rd Avenue? He'll describe its predecessor, and perhaps he even visited once or twice in his youth. Old St. Matthew's Church in downtown San Mateo? A beautiful brick building, but probably not the place a firefighter would want you to be in an earthquake. How many Fire Chiefs can claim to have responded to their first fire call in town by riding a bicycle? I don't know for sure if John Healy is one of them, but it's likely.

Today, let's give thanks for the humor and good nature of a San Mateo favorite son. With honor and great distinction, John Healy is leaving. We look forward to seeing him in Central Park during the Christmas holidays, perhaps skating at the annual ice rink, and hopefully avoiding a fire service call for a medical emergency.

#### CONGRATULATING THE CARBON COUNTY COMMISSIONERS ON RECEIPT OF THE ECONOMIC DEVELOPMENT PROJECT OF THE YEAR

##### HON. DANIEL MEUSER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 21, 2019*

Mr. MEUSER. Madam Speaker, it is with great respect that I rise today to congratulate the Carbon County Commissioners on receiving the Carbon County Chamber and Economic Development Corporation's Economic Development Project of the Year Award.

The Economic Development Project of the Year Award highlights an outstanding economic development project designed to bring jobs and economic growth to Carbon County. Founded in 1843 and named for its large amount of anthracite coal deposits, Carbon County's vibrant economy is driven by manufacturing, commerce, and tourism. In a shining example of public and private cooperation, the Carbon County Commissioners, Jim Thorpe Borough, and the D&L National Heritage Corridor constructed the much-anticipated pedestrian bridge in Jim Thorpe across the Lehigh River. The completion of this bridge allows Pennsylvanians of every age to step out across this beautiful gorge and appreciate the natural beauty of our state. It's just one more reason to visit Jim Thorpe.

On behalf of the U.S. House of Representatives and the citizens of Pennsylvania's Ninth Congressional District, I ask my colleagues to

join me in congratulating the Carbon County Commissioners on this great honor and thank them for their commitment to strengthening our community.

HONORING CONTRA COSTA  
TELEVISION'S 25TH ANNIVERSARY

**HON. MARK DESAULNIER**

OF CALIFORNIA  
IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 21, 2019*

Mr. DESAULNIER. Madam Speaker, I rise today to recognize the contributions of Contra Costa Television (CCTV) on its 25th anniversary.

CCTV was established by the Contra Costa County Board of Supervisors in 1994 as a governmental and educational access cable television channel. In addition to airing programming twenty-four hours a day, seven days a week on six channels, CCTV also live streams on its website and social media to reach over 350,000 homes in Contra Costa County. CCTV connects, informs, and entertains the community by airing Board of Supervisor and District meetings, in addition to other community meetings, events, public safety information, local sports, and local programming.

CCTV's award-winning programming includes Veterans' Voices, which won the Western Alliance Video Excellence award in 2016 and 2018 and the California State Association of Counties 2015 Merit Award. Additionally, CCTV has partnered with the Clerk-Recorder-Elections Department and local chapters of the League of Women Voters to provide the Elections Preview programs. This is the only locally produced voter education programming for broadcast and online streaming.

CCTV's slogan, "Making Television Part of the Solution," highlights its dedication to serving the community by providing public broadcasting and communicating County services for the last 25 years. In an era where local journalism is disappearing at an alarming rate, CCTV is a welcome presence in the Bay Area that shares information and brings the community together.

Please join me in honoring Contra Costa Television's 25th anniversary.

HONORING THE SERVICE OF  
DAVID SKILLMAN

**HON. EARL BLUMENAUER**

OF OREGON  
IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 21, 2019*

Mr. BLUMENAUER. Madam Speaker, this week, friends, colleagues, supporters, and family of David Skillman gathered to thank him for over a dozen years of outstanding Congressional service, most recently, as my Chief Counsel and Deputy Chief of Staff.

David is the very model of professionalism. His hard work and dedication to innovative policy making represent the very best of the men and women who make Congress function.

David came by his service honestly with parents who themselves were congressional staff early in their careers. David joked that as

an infant, he was the youngest staff member of his fourth district Congressman.

As he rose through the ranks in our office, he was unstinting in his work ethic, his insight, and his integrity. Accolades have poured into our office from his former colleagues from all over America who were touched by his leadership, mentorship, and friendship.

Together, with his wife Sara Chieffo, a senior executive at the League of Conservation Voters, they were perhaps the Capitol's premier "green power couple." David's fingerprints are on dozens of major pieces of legislation both from our office and the Ways and Means Committee. For over a decade, his impact has been profound and his legacy has made a difference to us all. His innate decency and intellect served as an inspiration to me and all of his colleagues. Whatever he does in the next phases of his career, we are better for his service and I know that his contributions will continue to make America better.

We thank him for his invaluable contribution to our office and to Congress. I am deeply indebted for his service and friendship.

JUVENILE DIABETES RESEARCH  
FOUNDATION ONE WALK

**HON. JOE WILSON**

OF SOUTH CAROLINA  
IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 21, 2019*

Mr. WILSON of South Carolina. Madam Speaker, on Saturday, I walked in the Juvenile Diabetes Research Foundation One Walk at Segra Park, home of the famous Columbia Fireflies, with members of the University of South Carolina chapter of the Delta Tau Delta fraternity. I am grateful to have been able to support such an important cause and walk in support of eradicating type 1 diabetes.

The money raised at the JDRF One Walk in Columbia supports life-changing research that gives hope to those impacted by type 1 diabetes. It is an autoimmune disease that strikes suddenly and is serious and stressful to families, challenging families across our district.

Currently, there is nothing that can be done to prevent type 1 diabetes and there is no cure. JDRF is a leader in funding diabetes research, motivated by their vision of a world without type 1 diabetes. This organization works tirelessly to improve the lives of those affected by this disease by accelerating life-changing breakthroughs to cure, prevent, and treat diabetes.

I appreciate JDRF Palmetto Chapter Development Director Beth McCrary for her hard work and success in coordinating the JDRF Walk in Columbia and for her advocacy for ending type 1 diabetes.

In conclusion, God bless our troops, and we will never forget September the 11th in the Global War on Terrorism.

*Thursday, November 21, 2019*

Mr. MEUSER. Madam Speaker, it is with great respect that I rise today to congratulate the Delaware & Lehigh National Heritage Corridor on receiving the Carbon County Chamber and Economic Development Corporation's Economic Development Project of the Year Award.

The Economic Development Project of the Year Award highlights an outstanding economic development project designed to bring jobs and economic growth to Carbon County. A nationally recognized transportation route traversing railroads, canals, rivers and trails, the D&L is a magnificent piece of our community. In a shining example of a public and private cooperation the D&L National Heritage Corridor, Carbon County Commissioners and Jim Thorpe Borough constructed the much-anticipated pedestrian bridge in Jim Thorpe crossing the Lehigh River. The completion of this bridge allows Pennsylvanians of every age to step out across this beautiful gorge and appreciate the natural beauty of our state. On behalf of the U.S. House of Representatives and the citizens of Pennsylvania's Ninth Congressional District, I ask my colleagues to join me in congratulating the Delaware & Lehigh National Heritage Corridor on this great honor and thank them for their commitment to strengthening our community.

OF NEW YORK  
IN THE HOUSE OF REPRESENTATIVES

Ms. OCASIO-CORTEZ. Madam Speaker, I rise today to recognize a longtime public servant and NY-14 constituent, Linda Lauria.

On November 30, 2019, Linda Lauria, Public Affairs Specialist, will retire from the Social Security Administration. Linda's retirement will mark the close of a career that spans over 34 years of service.

Linda began her career with SSA in August 1973 as a Claims Development Clerk (GS-2, as she often proudly notes) in the East Bronx Social Security office. She was subsequently promoted to positions in the field including Service Representative, and Claims Representative before leaving the agency during February 1984 as a new mother.

Linda rejoined SSA during July 1996, as a Service Representative in the Jamaica Tele-service Center, and was promoted to Benefit Authorizer at the Northeastern Program Service Center during January 1998. She returned to the East Bronx Social Security office as a Claims Representative during September
