Thursday, December 5, 2019

Mr. DESAULNIER. Madam Speaker, I rise today to recognize the service of long-time community advocate, Whitney Dotson.

Whitney Dotson's commitment to the good of his community is demonstrated by his career with the East Bay Regional Park District. Beginning as an appointed member of the Park District Advisory Committee, he later was elected to the Board of Directors where he worked on his passion for parks and health.

During his many years on the Board of Directors, Whitney has supported several significant projects, including the Atlas Road Bridge at Point Pinole, restoration of Albany Beach, and preservation of the North Richmond Shoreline. He also supported the completion of two Bay Trails, one between Pinole Shores and Bayfront Park and the other between Berkeley and Albany. Director Dotson fought to prevent commercial and residential development of the Breuner Marsh at Point Pinole, which was renamed the Dotson Family Marsh. Through this project, Director Dotson was able to continue the work of his father, Reverend Richard Dotson, to keep the marsh a natural place for everyone in the community to enjoy. Director Dotson has been described by his colleagues as tirelessly pursuing environmental protections in his community.

Director Dotson's service extends beyond his work with the East Bay Regional Park District. He is the president of the North Richmond Shoreline Open Space Alliance, Associate Director of the Neighborhood House of North Richmond, and Vice Chair of the Community Advisory Group. Throughout his tenure with the East Bay Regional Park District and through his philanthropic work, Director Dotson has fought to preserve open space and ensure a clean and healthy environment for generations to come.

Director Dotson departs the East Bay Regional Park District with a legacy of championing the environmental well-being of his community. We wish him great luck and joy in retirement.

Whereas, on December 7, 1986, with a deep sense of pride in our state's heritage, Forney held its Sesquicentennial Flag Dedication ceremony commemorating a new City landmark and gateway to the City; and

Whereas, due to highway reconfiguration and construction, the monument and flag poles had to be taken down until they could be placed in a new location; and

Whereas, today, 33 years later, the City is proud to be able to re-dedicate the redesigned and rebuilt Lady Liberty Monument, bringing back a much-loved City landmark and gateway to the City; therefore, be it

RECOGNIZING ILLINOIS STATE TROOPER TODD HANNEKEN OF ILLINOIS STATE POLICE DISTRICT 10

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 5, 2019

Mr. SHIMKUS. Madam Speaker, I rise to recognize Illinois State Trooper Todd Hanneken for his heroic service on May 8, 2018. On that day Trooper Todd Hanneken was on the scene of a previous accident on the northbound lane of Interstate 57 when suddenly a semi-truck slammed into the last vehicle in line. The vehicle, driven by Andrew Bergan, burst into flames as it was thrust forward into the car in front of it. When Mr. Bergan's truck came to rest, the cab was engulfed in flames and its doors were blocked. As others attempted to keep the fire at bay, Trooper Hanneken kicked out the windshield and, with the help of two others, pulled Mr. Bergan to safety. The quick response saved Mr. Bergan's life.

In recognition of Trooper Hanneken's actions that day, he was awarded the Medal of Honor on October 30, 2019. This honor is awarded to Illinois State Police personnel who "perform a heroic act that by its nature results in saving a life, preventing a serious crime or apprehending a person who committed a serious crime." Since the events of May 8, 2018, Trooper Hanneken has called Mr. Bergan several times, visited the hospital and met with his parents, while Mr. Bergan was present for the awarding of the Medal of Honor.

Madam Speaker, it is with great pleasure I stand to recognize Trooper Todd Hanneken for his heroism. His dedication to duty and to his fellow man is an inspiration to us all. I wish him the very best, along with all of the survivors of the crash that day.

TRIBUTE TO YOUNG STAFF MEMBERS FOR THEIR CONTRIBUTIONS ON BEHALF OF THE PEOPLE OF THE 18TH CONGRESSIONAL DISTRICT OF TEXAS AND THE UNITED STATES

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 5, 2019

Ms. JACKSON LEE. Madam Speaker, as Members of Congress we know well, perhaps better than most, how blessed our nation is to have in reserve such exceptional young men

and women who will go on to become leaders in their local communities, states, and the nation in the areas of business, education, law, government, philanthropy, the arts and culture, and the military.

We know this because we see them and benefit from their contributions every day. Many of them work for us in our offices as junior staff members, congressional fellows, or interns and they do amazing work for and on behalf of the constituents we are privileged to represent.

Madam Speaker, I believe there is no higher calling than the call to serve a cause larger than ourselves. That is why I ran for public office. I was inspired to serve by President Kennedy who said, “Ask not what your country can do for you, ask what you can do for your country,” and by the Rev. Dr. Martin Luther King, Jr. who said:

“Everybody can be great because anybody can serve. . . . You only need a heart full of grace. A soul generated by love.”

By this measure, there are several other great young men and women who served as volunteers this year in my offices. They may toil in obscurity but their contributions to the constituents we serve are deeply appreciated. That is why today I rise to pay tribute to three extraordinary young persons for their service to my constituents in the 18th Congressional District of Texas and to the American people. They are: Sheerine Karamzadeh, Texas Tech University; Elisabeth Foster, University of Texas; and Alejandro Izaguirre, St. Edward’s University.

Madam Speaker, the energy, intelligence, and idealism these wonderful young people brought to my office and those interning in the offices of my colleagues help keep our democracy vibrant. The insights, skills, and knowledge of the governmental process they gain from their experiences will last a lifetime and prove invaluable to them as they go about making their mark in this world.

Because of persons like them the future of our country is bright, and its best days lie ahead. I wish them all well.

Madam Speaker, I am grateful that such thoughtful committed young men and women can be found working in my office, those of my colleagues, and in every community in America. Their good works will keep America great, good, and forever young.

RECOGNIZING JOHN DITSLEAR

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 5, 2019

Mrs. BROOKS of Indiana. Madam Speaker, I rise today to recognize John Ditslear on his retirement from the Office of Mayor of Noblesville, Indiana. A well-respected public servant, Mayor Ditslear’s career has been defined by his steadfast leadership of Noblesville. His many decades of public service in a number of different roles has greatly impacted the community and its citizens.

A native son of Dublin, Ohio, Mayor Ditslear graduated from my alma mater, Miami Univer-

sity in Oxford, Ohio, with a degree in finance. After graduation, Mayor Ditslear chose to serve his country by joining the United States Navy. Serving in the early 1960s, at a time of tumultuous international relations, Mayor Ditslear and his fellow sailors were tasked with transporting their Marine and Army counterparts to active theaters in Vietnam. During this time in the United States Navy, Mayor Ditslear rose to the rank of lieutenant while developing his leadership and situational management skills.

After completing his naval service, Mayor Ditslear moved to Noblesville in 1966, where he invested a great deal of time in his community as a volunteer. He served as a board member for many community organizations including the Chamber of Commerce, Noblesville Boys & Girls Club, Riverview Hospital Foundation, Hamilton East Public Library and the United Way of Hamilton County. Ever the leader, Mayor Ditslear is also a past president of the Indiana Association of Cities and Towns, the Noblesville Redevelopment Commission, the Life Underwriter’s Association and the Indianapolis chapter of Chartered Life Underwriters. It is clear that Mayor Ditslear’s service to the citizens of Noblesville has reached far beyond his time in public office.

After his service in the Navy, Mayor Ditslear entered into the business world joining the American United Life Insurance Company in Indianapolis. His success in the insurance business led him to start his own company Ditslear Insurance, with offices in Indianapolis and Noblesville. After many prosperous years, Ditslear Insurance merged into the Ditslear Elmer Group, where success continued.

Mayor Ditslear made his initial foray into elected office with three terms on the Noblesville School Board, from 1984 to 1992 and then again from 2000 to 2004. This experience helped to prepare Mayor Ditslear for the rigors of serving in higher public office. When the opportunity presented itself in 2003, he chose to run for mayor of Noblesville, a race that he would go on to win against four general election opponents.

After assuming the Office of Mayor of Noblesville in 2004, and later joining the Republican Party, Mayor Ditslear would lead the city in continued growth over his four terms and became the longest tenured mayor in the history of Noblesville. His successful stewardship of the local economy has had major impacts on both the operations of the city and its citizens. Since 2004, the assessed value of the taxable property increased 134 percent from \$2.4 billion to \$6.04 billion today. By 2016, the population of Noblesville grew by over 10,000 people to more than 60,000 residents. This growth led to the school system adding additional schools to support the younger population and helping to improve access to education.

Mayor Ditslear led several quality of life initiatives, resulting in the development of Hamilton Town Center, and Federal Commons in addition to four new parks. Mayor Ditslear also worked to increase the amount of outdoor walking trails 183 percent by extending the Midland Trace Trail from Westfield to the center of Noblesville. His focus on the heart of the city also included renovating the downtown area through facade grants and road improvements and a focus on the White River. The Riverwalk Trail project provides a walkway down to the White River and provides citizens
