

the opportunity to enjoy nature. Mayor Ditslear was also instrumental in attracting SMC, a Japanese pneumatic technology company, to make a massive investment in the Noblesville community creating over 600 new jobs by locating their North American headquarters to the city.

As Noblesville continued to grow and expand to new heights under Mayor Ditslear's leadership, the Mayor and his team also led initiatives with fellow civic leaders and local business owners to maintain the vitality and attractiveness of downtown Noblesville. A long-time sector of commerce in the city, and the location of the Hamilton County Seat since 1824, downtown Noblesville has been the epicenter of Hamilton County since its inception. Working with groups such as Noblesville Main Street and various local businesses, Mayor Ditslear was able to encourage continued growth and revitalization of downtown Noblesville. Initiatives such as First Fridays, Jazz on the Square, and Small Business Saturdays, helped to build a sense of community that has made downtown Noblesville the focal point of life in the city once again.

By focusing on the infrastructure of the city, improving parks and community spaces, promoting quality education, and even playing a role in founding the Roots of Life Community Church with his wife, Head Pastor Teri Ditslear, Mayor Ditslear has impacted his city as both a government official and a committed, longtime resident.

On behalf of all Hoosiers, I thank Mayor Ditslear for his many years of service to the city and people of Noblesville, Indiana. I wish him, his wife and fellow civic leader, Pastor Teri Ditslear, and his family the best in a well-deserved retirement.

#### HONORING MAJOR JEREMY PARR

### HON. C.A. DUTCH RUPPERSBERGER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 5, 2019*

Mr. RUPPERSBERGER. Madam Speaker, I rise to pay tribute to Major Jeremy Parr for his exemplary dedication to duty and service as an Army Congressional Fellow and Congressional Budget Liaison for the Assistant Secretary of the Army (Financial Management and Comptroller). Major Parr is transitioning from his current assignment to serve as a Battalion Operations Officer at Fort Hood, Texas.

Hailing from Corpus Christi, Texas, Major Parr was commissioned as a Second Lieutenant in the Signal Corps from Army ROTC in 2007. He earned a Bachelor's Degree in Industrial Distribution from Texas A&M University and a Master's Degree in Legislative Affairs from The George Washington University.

Major Parr served in a broad range of assignments during his 12 years as an Army officer. He has served in one combat deployment to Iraq with Task Force 2–16 Infantry, 4th Brigade Combat Team, 1st Infantry Division.

I had the privilege of working with Major Parr, who served as a fellow in my office, throughout 2017 and during his succeeding assignment as a Congressional Budget Liaison for the U.S. Army. Major Parr diligently coordinated with Members of Congress and their staffs to articulate the Army's budget positions to the Appropriations Committees. His professionalism, performance and commitment to the mission, as both a fellow and liaison, are in keeping with the highest traditions of military service and made a lasting impression on members and staff of the United States Congress.

Throughout his career, Major Parr has positively impacted soldiers, peers and superiors. Our country has benefited from his leadership, judgment and passion for the Army profession.

The foundation of Jeremy's success is his family. His wife, Yulia, and his children, Joshua, Evan and Alexander, are the light of his life. In addition, Jeremy's parents, Debra and Earl, exemplify the selflessness and humility that characterize the families of all of our service members.

Madam Speaker, it has been a genuine pleasure to have worked with Major Jeremy Parr since the first session of the 115th Congress. #### TRIBUTE TO THE LOBOSCO ASSOCIATION

### HON. MIKIE SHERRILL

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 5, 2019*

Ms. SHERRILL. Madam Speaker, I rise to honor and recognize the history of the Lobosco Association, which will celebrate the 60th Lobosco Association Christmas Party on December 8, 2019 in Fredon, New Jersey. Four generations will gather to celebrate the strength of their family. They remain bound by the ideals of the first Loboscocos who immigrated to this great nation and, through their sacrifices, enabled their descendants to attain the American Dream.

The Association has helped the Loboscocos support one another, gather together, and strengthen the bonds of family. Family has been a constant throughout the years. The Association's dedication to Italian-American history and culture has kept its members deeply rooted to their shared ties and able to continue growing towards the future.

The Association began on April 28, 1957, when the descendants of Michele and Vincenza Lobosco first organized the group. They formed the Lobosco Association to strengthen the bonds of family and lend support to one another. The family's journey to Paterson, New Jersey, began with the early death of the family's patriarch, Michele. From their humble beginnings in Sala Consilina, Italy, seven of the ten surviving children came to Paterson to establish new roots and provide their children with greater opportunities. An-

gelo came in 1912 at age 19, followed by Rosario, Michele, Luigi, Giuseppina, Attilio, and Emilio. They overcame language barriers and limited resources in a country that considered them foreigners. Their family cohesion, drive, and determination helped them to persevere and lay a foundation for a prosperous future for their descendants. As the family grew, the Association was formed to help maintain the close ties they shared.

To keep the family together, the Association has organized various festivities, picnics, and trips, the most enduring of which is now the annual Christmas Party. Since the first one on December 21, 1958, the Lobosco Association Christmas Party has been an opportunity for generations of Lobosco family members to share in the joy of the season and family company. For 60 years, the descendants of Michele and Vincenza have continued the tradition of a Christmas Party to instill in younger generations an appreciation for the meaning of family. They come to connect with seldom-seen family members, meet new ones, celebrate their heritage, instill pride, and keep the family spirit alive.

As Members of Congress, we have the deeply rewarding opportunity to learn about and recognize groups like the Lobosco Association. They represent great American stories. Their contributions have strengthened this country for many years and will continue to strengthen it for many years to come.

Madam Speaker, I ask my colleagues in this chamber to join me in recognizing the members and friends of the Lobosco Association and wishing them a joyous 60th Lobosco Association Christmas Party this holiday season.

#### CELEBRATING THE 100TH BIRTHDAY OF FRANCES BARBER McCOMMONS

### HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 5, 2019*

Mr. CORREA. Madam Speaker, I rise today to celebrate the 100th birthday of Frances Barber McCommons from the City of Anaheim, California.

Born on November 10, 1919 in McCrory, Arkansas, Frances has lived a rich and blessed life filled with raising her five children and serving others in her neighborhood and at her church where she was a Sunday School teacher of 4- and 5-year-olds for more than 50 years.

Frances spent her childhood in Arkansas as the eldest of seven children. She graduated at 16 as class salutatorian. At 18, Frances married her childhood sweetheart, J.R. McCommons, and started life as a farmer's wife. Frances, J.R., and their first four children were honored in 1949 as "The Farm Family of the Year for Woodruff County." Frances and J.R. were married 58 years and were true life partners.

In 1955, the family moved to California, settling in Anaheim, where they lived in a neighborhood in East Anaheim surrounded by or-

ange groves. It was here that they had another child. All five of their children would later attend and graduate from Anaheim High School.

Frances and J.R. were lay leaders in the Orange County Southern Baptist Association and helped start two churches: Crescent Southern Baptist Church in Anaheim and Lincoln Avenue Baptist Church in Orange.

In 1966, Frances and J.R.'s son, Michael McCommons, was killed in Vietnam while serving in the United States Army. He was posthumously awarded The Bronze Star with the V Device for Valor and Heroism in Combat and The Purple Heart. As a Gold Star Mother, Frances served veterans' organizations and worked with other Gold Star Mothers to support veterans and families of those who were killed in service to their county.

For many years, Frances's personal ministry was encouraging and celebrating others' achievements, birthdays, and other life events through personal notes, cards, and letters. Frances remained involved in the lives of the children she taught in Sunday School and continued to celebrate their lives with them through adulthood.

Her life revolves around her immediate family and her large extended family, including eight grandchildren and eight great-grandchildren. She is still an avid reader and remains interested in current events and the news. As someone whose livelihood was once dependent on the farm, Frances still loves watching the changes in the weather.

Please join me in wishing my constituent, Frances Barber McCommons, a happy 100th birthday and many more years of good health and happiness.

#### INTRODUCTION OF THE BANK MERGER REVIEW MODERNIZATION ACT

### HON. JESÚS G. "CHUY" GARCÍA

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 5, 2019*

Mr. GARCÍA of Illinois. Madam Speaker, I rise today to support the Bank Merger Review Modernization Act.

When big banks get bigger, consumers and taxpayers usually end up losing.

Unprecedented concentration in the banking sector is hurting consumers, who pay more for critical financial services when their banks are merged out of existence. Since the 1980s, consolidation has swept the banking industry, with the number of FDIC-insured banks in the United States dropping from more than 15,000 in 1984 to less than 5,000 in 2018. Numerous studies have shown that bank mergers are associated with higher costs of credit, reductions in lending, and decreases in small business formation and local property prices.

Concentration in the banking sector also poses risks to financial stability. A wave of bank mergers by Bank of America, Citigroup, JPMorgan, and Wells Fargo in the late 1990s created the "too-big-to-fail" banks that became so central to the 2008 financial crisis.

Rather than scrutinizing the considerable risks that bank mergers pose, the regulatory agencies tasked with reviewing these mergers have increasingly "rubber stamped" them. Bank merger approval rates are at historic highs.

Last month, the Federal Reserve and FDIC approved the largest merger since the crash when they gave the green light to the merger between BB&T and SunTrust.

I am concerned that the reviewing agencies are not giving adequate attention to the systemic risks that these giant megabanks pose. I am also concerned that the considerable harms to consumers are not being considered when mergers are reviewed. The Bank Merger Review Modernization Act strengthens the bank merger review process to give the CFPB and consumers a voice, and to require that the systemic costs of too big to fail institutions are taken into full account.

I urge this body to curb the creation of too big to fail banks and pass this bill.

#### RECOGNIZING CHRISTOPHER FOSS

### HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 5, 2019*

Mr. SWALWELL of California. Madam Speaker, I rise to recognize the dutiful work of my constituent, Dublin City Manager Christopher Foss, on the occasion of his retirement after nearly 40 years of service in local government.

Chris began his career in local government as a deputy city manager for Burbank, California, where he eventually served as the economic development director. In these roles, he enriched Burbank's economy and local business environment.

In 1999, Chris began serving as the economic development director for my hometown of Dublin. He implemented a variety of economic development programs to bolster and retain the business community. Under Chris, Dublin's economy flourished, and his work has had a lasting impact on the economic endurance and vitality of the Tri-Valley.

Chris served five years as assistant city manager before being promoted to city manager in 2014. His five-and-a-half-year tenure as city manager can be characterized by his superb relationship building, sound fiscal practices, and collaborative leadership style.

Under Chris' leadership, Dublin vastly expanded its network of parks, constructed a new affordable housing project as well as key commercial projects, and increased its footprint in the medical and biotech communities.

Our community also has Chris to thank for the construction of several community facilities. One such example is the School of Imagination, to serve children with special needs. The influx of new jobs and services through these projects supports the sustainability of economic progress in our community.

Chris draws support from his amazing family. That network includes his loving wife Lisa, son Jordan, daughter-in-law Lizzie, and grandson Henry.

I want to thank Chris for the contributions he has made to the communities he has served, especially Dublin. His passionate leadership and enduring commitment to our community are very much appreciated.
