INTRODUCTION OF THE OUTPATIENT MENTAL HEALTH CARE ACT OF 2019

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 6, 2019

Mr. HASTINGS. Madam Speaker, I rise today to introduce the Outpatient Mental Health Care Act of 2019.

Medicare Partial Hospitalization Programs (PHPs) provide a structured and clinically intensive alternative to hospitalization for patients who otherwise might require sustained inpatient psychiatric hospitalization. PHP psychiatric patients typically receive four to six hours of treatment per day, five to six days a week in hospital-based settings and community mental health centers. However, the severity of a patient's illness often prevents that individual from obtaining or seeking transportation to a PHP facility, or from accessing high quality food. Additionally, some psychiatric medications that are prescribed to the patient cannot be safely administered without food.

Currently, Medicare does not cover the costs of nutritional planning, meals or transportation for patients who receive psychiatric treatment in PHP programs. Therefore, PHP facilities are responsible for the cost of providing food and transportation. This exacerbates financial burdens that many PHPs and countless other community organizations are experiencing in these difficult economic times.

Medicare also does not provide for vocational counseling. However, this counseling provides a direction for patients that they might not find on their own. Therefore, vocational counseling is vital for individuals while they work through their treatment allowing them to set employment goals and develop a plan to meet those goals.

Madam Speaker, my bill will require Medicare to reimburse PHPs for providing transpor-

tation, food, nutritional services and vocational counseling. The bill also establishes a Behavioral Health Advisory Committee in which a diverse group of behavioral health stakeholders would examine and provide recommendations on how to address the persisting challenges of access, stigma, quality and operability in the mental health delivery system.

PHPs are a cost effective alternative that can prevent mentally ill individuals from facing expensive inpatient care, incarceration, or institutionalization. The growing role of mental health PHPs in our health care system requires that we amend the law to assist PHPs in delivering the services, care and support to those who are living with severe and chronic mental illness.

Madam Speaker, I urge my colleagues to support this critically important legislation.

VETERANS-SPECIFIC EDUCATION FOR TOMORROW'S HEALTH PROFESSIONALS ACT

SPEECH OF

HON. STEVEN C. WATKINS, JR.

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 5, 2019

Mr. WATKINS. Mr. Speaker, I rise in support of H.R. 1271, the Vet HP Act.

The Vet HP Act would be a significant advancement for two critical issues burdening Eastern Kansans.

My district, being both rural and home to tens of thousands of veterans, is a medically underserved district. With both VA and rural hospitals lacking a steady pipeline of health professionals, access to quality health care is not guaranteed for many of these folks back home.

Secondly, aspiring health professionals from underserved areas are not afforded the same opportunities for clinical observation hours as medical school applicants in major cities, putting them at a disadvantage during the admissions process.

The Vet HP Act would provide an opportunity for health students to gain clinical observation hours at VA hospitals, prioritizing students in health professional shortage areas, first-generation college students, students referred by minority-serving institutions and veterans, and, importantly, students who wish to

train and stay in health professions experiencing staff shortages.

This is a true two-birds-one-stone approach. Across the country we have aspiring health professionals who lack opportunity, and we have VA and rural hospitals desperately in need of a health professional pipeline. The Vet HP Act is a massive step forward for both issues.

I urge passage of this common-sense, bipartisan bill.

RECOGNIZING ANA MARIA RODRIGUEZ IN HONOR OF WOMEN'S HISTORY MONTH

HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 6, 2019

Mr. DIAZ-BALART. Madam Speaker, in recognition of Women's History Month, I rise today to honor Ana Maria Rodriguez, who has faithfully served the City of Doral and the wider Miami region for many years.

Born and raised in South Florida to Cuban exiles, Ana Maria has been heavily involved in the Southern Florida community since graduating from Florida International University in 1999 with a Bachelor's degree in communications. In 2009, she furthered her education by gaining her Master's degree in leadership from the H. Wayne Huizenga School of Business at Nova Southeastern University. Ana Maria worked for a number of years in public relations and the governmental affairs sector, where she presently serves as the Vice President of Government Affairs for the Miami Association of REALTORS.

Ana Maria's dedication to supporting Southern Florida's community is further demonstrated in her position as an elected official. Elected in 2018, Ana Maria currently serves as a Florida House State Representative for the 105th District. Prior to this impressive achievement, she served as Vice Mayor for the City of Doral and previously on the City Council. Ana Maria executed these roles in a professional and honest manner at all times, proving to be a true asset to the City of Doral.

Her passion for community work goes beyond elected service. In 2007, Ana Maria launched the Southeast Region for Connect Florida, a leadership development program, and in 2009 served as Statewide Chair. For over a decade, she has been a dedicated and active member of the Doral Business Council and also served as Vice Chair for the City of Doral's Parks & Police 4 Kids Advisory Board.

It would be remiss to honor Ana Maria without touching on the number of awards she has received for her ongoing commitment to her community. In 2011, she was selected as Humanitarian of the Year by the March of Dimes and in 2015 she received Advocate of the Year by the Miami Association of REALTORS. In 2017, Ana Maria was presented the Public Service Award by the South Florida Hispanic Chamber of Commerce, and most recently, in 2018, the Salute to Miami's Leaders Government Award by the Greater Miami Chamber of Commerce. These accolades are a just a small testament to Ana Maria's determined and selfless character. It is truly a privilege to know that she will continue to make a significant difference in the community she serves and the people that she touches.
