

first duty assignment at the Pueblo Army Depot in Colorado continuing to gain experience as an ammunition inspector and an explosives safety expert. After serving a couple of years there, he received his second assignment at the Lone Star Army Ammunition Plant in Texas. He was then transferred to Longhorn Ammunition Plant in Karnack, Texas to act as a GS-11 level QUASAS.

Paul then spent 6 years at the Sunflower Army Ammunition Plant in Kansas, south of De Soto. In 1988, only 9 years into his career, he was promoted to a GS-12 and acted as Chief of Quality Assurance at the plant. In 1990, he moved into a new role as an Industrial Specialist for the Defense Logistics Agency in Columbus, Ohio. For 9 months, Paul commuted to Dayton, Ohio and performed his duties at the Defense Electronic Supply Center. Upon returning to Columbus he became a Contract Specialist. In 1999, he was promoted to a GS-13 as an Acquisition Specialist for the Military Traffic Management Command in Northern Virginia. Then, Paul started at the General Services Administration in 2002 working for the Federal Systems Integration and Management Center (FEDSIM) as an IT Specialist. Approximately 2 years later he was promoted to a GS-14 Senior Project Manager. After 10 years at FEDSIM, Paul moved to the Office of Strategy Management within GSA and finally in 2014, ended up in the Office of General Supplies and Services as a Program Analyst where he ended his career on March 1, 2019. Throughout his career, Paul successfully worked with other federal employees as well as outside contractors to complete projects and keep day to day processes running smoothly. Civil servants like Paul are vital to the continuous operation of the government and I am grateful to Paul for spending the entirety of his career in service to our country.

Paul resides in Woodbridge, Virginia with his wife, Maureen, who has been a reading tutor at a local Prince William County public elementary school for 15 years. Their daughter, Jean Recklau, is a junior at the University of Virginia studying Public Policy. In retirement, Paul plans to travel and complete home improvement projects around the house. In addition, he will continue to serve on his local homeowner's association board of which he has been a member for 18 years, including 4 years as president.

Madam Speaker, I ask my colleagues to join me in congratulating my constituent, Paul Recklau on his retirement and in wishing him all the best in the future.

HONORING THE LIFE OF JOHN D. JENKINS

HON. GERALD E. CONNOLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 6, 2019

Mr. CONNOLY. Madam Speaker, I rise to recognize my dear friend, Supervisor John D. Jenkins, who passed away on February 6, 2019. John was the longest serving incumbent supervisor in Prince William County, proudly serving as the Neabsco Supervisor for 36 years. In 2009, I entered a tribute to John Jenkins into the United States CONGRESSIONAL RECORD in recognition of his dedication to the community and his work with the Boy Scouts

of America. I am sad to do it again under these circumstances, but honored to do so for a great man and the legacy he is leaving behind.

John Jenkins dedicated his life to public service. John served honorably and with distinction in the United States Army for more than 25 years, including two tours of duty in Vietnam. He was highly decorated, earning a National Defense Service Medal, a Meritorious Service Medal, a Defense Meritorious Service Medal, the Vietnam Service Medal, and was awarded the Bronze Star with Oak Leaf Clusters. He retired from the Army in December, 1980, reaching the rank of Lieutenant Colonel.

In 1973, John moved to Dale City with his beloved wife, Ernestine. Although he was still serving in the U.S. Army, he immediately became involved in the community by joining the Dale City Civic Association. John and Ernestine also mentored area youth. They were involved in the Dale City Little League, Dale City Sports Club, Boy Scouts of America, and Garfield Senior High School Athletic Boosters Club. John also devoted countless hours to assisting veterans through his leadership in several veteran service organizations.

In 1982, two years after his retirement from the U.S. Army, John was appointed to the Board of County Supervisors to fill the Neabsco District seat which was vacated by James McCoart. While serving the constituents of the Neabsco District was always John's primary objective, he was also able to effect change and shape progress for all of Prince William County. He advocated successfully for the construction of the Dale City Recreation Center, the McCoart Administration Center, Pfitzner Stadium, the county's Boys' and Girls' Home, the Hilda Barg Homeless Prevention Center, Chinn Park Regional Library, and many more major civic investments including numerous schools, public safety facilities, and senior centers. John worked tirelessly to improve our local schools and the quality of public education. He was a champion of economic and infrastructure development in the county.

But what everyone loved most about John was his care for all people. Regardless of sex, race, or creed, John supported all rights. As a life-long civil and human rights supporter, John asked the board to initiate a local investigation of a Dale City restaurant for refusal of service based on race. Then just last year in 2018, John supported a vote on the board to make June "LGBTQ and More Pride Month." Throughout his tenure, John worked for the people of Prince William County, making sure their next day was better than the last. Through the past four decades John was both elected and appointed to several distinguished committee seats. John served two terms as Vice Chairman of the Prince William Board of County Supervisors as well as two terms as Chairman of the Northern Virginia Regional Commission, State President of the Virginia Association of Planning District Commissions, State President of the Virginia Association of Counties, Chairman of the Virginia Railway Express Operations Board, and Chairman of the Potomac and Rappahannock Transportation Commission.

John served as a member of the Washington Council of Governments Transportation Planning Board and was appointed by two governors, Governor MARK WARNER and Governor TIM KAINE, to serve as a member of the

Virginia Geographical Information Network (VGIN) Advisory Board. In addition, John served on numerous boards and steering committees, including the Virginia Municipal League, the Virginia Association of Counties, and the National Association of Counties, and represented the Board of County Supervisors on the Quantico Marine Corps and Fort Belvoir Base Realignment and Closing (BRAC) advisory committees.

John received numerous awards in recognition of his life-long commitment to service including the Robert W. Baker Award and the Blue Victory Award. In addition, in 2015 the Virginia Railway Express honored him for his key role in establishing a commuter rail service by having his name placed on the front of a VRE locomotive. Gar-Field High School also honored John for his support of athletic and academic programs as a booster club president, parent, and county supervisor.

John is survived by his wife Ernestine who is also a dedicated community activist as well as a former public school employee, who worked in Prince William County Public Schools for 30 years as a teacher's assistant and staff member. Ernestine has been John's rock for more than six decades. She was just as involved in John's public service as anyone. John is also survived by his three sons, Warren, Mark, and Gordon and numerous grandchildren, and great-grandchildren.

Madam Speaker, Prince William County and the entire northern Virginia region has lost a great leader, mentor, public servant, and icon. John Jenkins' life was one spent in service to his country and his community. He could and would move heaven and earth for his constituents. John knew your name, he knew your kids' names, he probably even knew your grandkids' names. He cared about people and made sure they knew it. I ask that my colleagues join me in recognizing the memory and honorable service of Supervisor John D. Jenkins. He was my dear friend, mentor, a colleague, and his absence will create a void in Northern Virginia that will be impossible to fill.

HONORING THE 136TH ANNIVERSARY OF EBENEZER BAPTIST CHURCH

HON. GERALD E. CONNOLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 6, 2019

Mr. CONNOLY. Madam Speaker, I rise today to recognize the 136th anniversary of Ebenezer Baptist Church.

Ebenezer Baptist Church was founded by Reverend Lewis Henry Bailey. After being separated from his family in Alexandria, Virginia, Lewis Henry Bailey was sold into slavery and was enslaved in Texas throughout his youth and early adulthood. Once Bailey was freed, he walked from Texas to Virginia to rejoin his family. He found employment with a railroad company and later graduated from Wayland College. In 1882, he was ordained as an itinerant minister at Ebenezer Baptist Church in Alexandria. With aspirations of sharing the Gospel with residents of the Town of Occoquan, Reverend Bailey walked to and from the town to hold religious services for the black members of the community. In appreciation of his tireless efforts, white members of

the community provided land for a church and a place for Reverend Bailey to live. The Clerk of the Court for Prince William County approved the deed on March 8, 1883, and Ebenezer Baptist Church celebrates its anniversary on the first Sunday of March in recognition of this momentous occasion.

Bailey started the New School in Occoquan, serving as a precursor to the establishment of the New School Baptist Church, which later became Ebenezer Baptist Church. The cornerstone of the church was laid on the first Sunday in May 1883 and the building was dedicated in 1885. Reverend Bailey, who had long been the inspiration and driving force for the establishment of this church, led the congregation from 1885–1891.

The church has endured setbacks and faced community challenges during its 136 year history. After the original church structure burned to the ground in 1923, Ebenezer Baptist Church was rebuilt in 1924 where it remains today in the same historical site. The church was also instrumental in the integration of the county's public schools in the 1960s, as well as several other Civil Rights accomplishments. I was honored to include the oral histories of three members of Ebenezer Baptist Church in my Northern Virginia Civil Rights Archive project.

Throughout its history, Ebenezer Baptist Church has been led by pastors who have served the church and the congregation faithfully. Their most recent pastor, Reverend Charles A. Lundy, was called to the pulpit to lead the church and has done so righteously since June 23, 1990. Under Reverend Lundy's leadership, Ebenezer Baptist Church has flourished and its membership has expanded from 120 members to more than 800 today. To accommodate this growing church family, weekly worship at Ebenezer Baptist Church has been relocated to Telegraph Road. Ebenezer Baptist Church has been and remains a monumental, historical, and spiritual structure in our community.

Madam Speaker, I ask that my colleagues join me in celebrating the 136th anniversary of Ebenezer Baptist Church and in thanking the church and congregation for their contributions to our community.

HONORING THE LIFE OF GEORGE WILLIAM “BILLY” ELLIS

HON. GERALD E. CONNOLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 6, 2019

Mr. CONNOLY. Madam Speaker, I rise today to pay tribute to the life of George William “Billy” Ellis, former Chief of the Vienna Volunteer Fire Department. Chief Ellis recently passed away at the age of 81 following a brief illness, surrounded by his friends and loved ones.

My congressional district includes the town of Vienna, Virginia, a vibrant and active community of 16,000 residents. In 2013, Money Magazine ranked it the third best place to live in the nation. If you were to ask the residents of Vienna, they would unanimously say that it should have taken first place.

There are many reasons why residents of Vienna take such pride in their town—the annual town festivals and concerts, the incredible

Vienna Youth sports program, the outstanding schools and services, and even a local restaurant that serves the best chili dogs. Perhaps the most important reasons are the community spirit that is so prevalent, and the willingness of the residents to work together for the betterment of all. This of course includes the men and women who protect the town as members of law enforcement and the Vienna Volunteer Fire Department.

Chief Ellis joined the Vienna Volunteer Department at the age of 18. For more than 50 years, he epitomized the spirit of volunteerism, devoting his time and energy to serving his community. In 1980, he became the chief of the department, a position he held until 2001 when he and his wife, Joan, decided to move to Culpepper County where he lived up until his passing. But even a move to a quieter community couldn't keep Chief Ellis away from a fire station. Following the move, he quickly joined the Salem Volunteer Fire Department and spent many more years driving apparatus to emergencies. Serving others was in his DNA.

Chief Ellis was preceded in death by a son, Charles. He leaves behind a wife of 58 years, Joan Scott Ellis, his sons David (Jennifer) and Robert (Lori), his daughter Jennifer, and his four grandchildren, Alison, Jacob, Ashley and Hunter. He also leaves behind an incredible legacy of charity, commitment and dedication in a community that will be indebted to this great man for years to come.

Madam Speaker, I ask my colleagues to join me in commending the selfless dedication and commitment to serve of Chief George William “Billy” Ellis, and in extending my deepest condolences to his family. May you rest in peace, Chief Ellis.

RECOGNIZING GUAM'S AUTISM COMMUNITY TOGETHER AS THEY CELEBRATE THEIR 12TH ANNUAL AUTISM AWARENESS FAIR

HON. MICHAEL F.Q. SAN NICOLAS

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 6, 2019

Mr. SAN NICOLAS. Madam Speaker, I rise today to recognize Guam's Autism Community Together (ACT) as they celebrate their 12th annual Autism Awareness Fair, appropriately themed “Get Your Blue on Guam, Support Autism.” During Autism Awareness Month, ACT and organizations across the country work together to provide every individual with autism spectrum disorder with the opportunity to achieve the highest possible quality of life. This year, ACT and their partners want to do more than just promote autism awareness. They want to motivate friends and collaborators to become active partners in the movement towards acceptance and appreciation. As the father of an autistic child, I am aware of the impact that autism has on parents, family, and friends. It is imperative that the whole community becomes involved. Although much has been accomplished, much more remains to be done to raise worldwide awareness of these issues.

ACT is an organization based in Guam as a support group for families with autistic children. It is one of Guam's principal organizations leading the efforts to increase autism

awareness across our community. ACT is dedicated to helping individuals and parents find resources, support, and training while making diligent efforts to increase the awareness of autism spectrum disorders. ACT advocates for effective services to meet the unique needs of individuals with autism and their families.

Madam Speaker, I further commend Autism Community Together as it continues to host the 12th Annual Autism Awareness Fair World Autism Day. The Autism Awareness Fair is the largest event hosted by ACT throughout the year and brings together government agencies, non-profit organizations, service providers, and support vendors with the intent to provide information and resources on the various disability-related programs and services available on Guam. Madam Speaker, on behalf of the people of Guam, I thank Guam's Autism Community Together and all government agencies and community partners for their assistance in spreading autism awareness and acceptance. I look forward to future contributions by Autism Community Together to provide more opportunities for those in community living with autism.

CONGRATULATING THE ELECTED OFFICERS OF THE FAIRFAX COUNTY FEDERATION OF CITIZENS ASSOCIATIONS

HON. GERALD E. CONNOLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 6, 2019

Mr. CONNOLY. Madam Speaker, I rise to recognize the Fairfax County Federation of Citizens Associations (the “Federation”) and to congratulate its recently elected officers who will serve in leadership positions for the 2018–2019 term.

Founded in 1940 and re-incorporated in 1995, the Federation is a coalition of civic and homeowners associations who work together to promote and support initiatives that will benefit the community as a whole. The Federation realized early in its existence that by joining with other civic and homeowners associations from every corner of the county and speaking with one unified voice, its influence and contributions would be far more powerful and effective.

The Federation is comprised of thousands of volunteers who actively participate in matters of local and state government that impact their communities. Individual members serve on countless task forces, boards and commissions to help preserve the quality of life that is enjoyed by all who call Fairfax County home. As a former two-term President of the Federation, I understand that those who volunteer their time, energies, and talents to civic activities play a vital role in making Fairfax County one of the best places in the nation in which to live, work, and raise a family.

The Federation would not be nearly as successful and effective without the leadership of its officers. It is my great honor to include in the RECORD the names of the following newly elected Federation officers:

President: William S. Barfield. Bill resides in the Braddock District and has an extensive history of civic engagement including serving as President of the Country Club View Civic
