

Neurological and neurodegenerative disorders are among the leading causes of disability in the United States and around the world—greater than heart disease and cancer put together. As society ages, this number will increase exponentially as will the cost to the healthcare system and to the economy. Yet, the underlying causes of most neurological diseases remain unknown.

Neuroscience is the next great frontier. Research and work being done in this field needs to be front and center in both the private world and Congress.

The bipartisan Congressional Neuroscience Caucus' mission is to build awareness of the intrinsic role brain research plays in understanding ourselves and our society. As the co-founder and co-chair, I am committed to working on these important issues and hope my colleagues will join our efforts as members of the Congressional Neuroscience Caucus.

CELEBRATING GINNY TAYLOR'S
100TH BIRTHDAY

HON. VIRGINIA FOXX

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 11, 2019

Ms. FOXX of North Carolina. Madam Speaker, I rise to wish Mrs. Ginny Taylor a happy 100th birthday. It has been a delight getting to know Mrs. Taylor and her family since they began splitting their time between homes in Greensboro and Land Harbor in North Carolina's Fifth District.

Mrs. Taylor is a mother of two, grandmother of three, great-grandmother of six, and beloved by all of them. Shortly after moving to North Carolina, her husband, Delmer, started Delta Plating, and she went back to school to learn how to keep books and even helped in the plant and driving trucks for the company.

Mrs. Taylor remains an engaged citizen to this day, especially in bridge circles and First Baptist Church, where everyone enjoys her pies.

At 100, I hope to be as full of life as Mrs. Taylor, and I wish her a wonderful birthday and many, many more to come.

RECOGNIZING AMERICAN LEGION
POST 159

HON. BILL FLORES

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 11, 2019

Mr. FLORES. Madam Speaker, I rise today to recognize American Legion Earl Graham Post 159 for the 100th anniversary of their organization.

The American Legion was founded on March 15, 1919 at the American Club in Paris by members of the American Expeditionary Forces. The organization was chartered by Congress on September 16, 1919 as a patriotic veteran organization.

American Legion Post 159 was also first organized in Brazos County in 1919 and invitations to join were published in the Bryan Eagle newspaper beginning on February 6, 1920. The post was formally chartered in Bryan, Texas on February 13, 1920.

Post 159 is named in honor of 1st Lieutenant Cyrus Earl Graham, a member of the Texas A&M Class of 1916 who served in the Army Air Corps during World War I.

Lieutenant Graham was born in Brazos County and attended Texas A&M where he was a member of the Ross Volunteers, and graduated with a Bachelor of Science degree. He volunteered for service in the Army Air Corps and died in a plane crash in France in 1918, two days before the Armistice ending the war. Several years later, his remains were returned to the United States and he was buried in the Bryan City Cemetery. Every November 9th, the Post 159 Honor Guard pays their respect to his memory at a ceremony at his gravesite.

Since its inception, American Legion Post 159 has been a service and community minded organization. Post 159 committed 10,000 dollars to the Brazos Valley Veterans Memorial to assist with the creation of a permanent World War I memorial in Veterans Park. Every

month the Post sends 10 to 15 care boxes to active duty service members who are overseas. They provide emergency financial assistance to veterans in need, sponsor a veteran's resource fair, and host a weekly coffee for our community's veterans. Post 159's Honor Guard also provides services including a rifle salute and the playing of TAPS for over 70 veteran funerals each year.

Additionally, Post 159, and its Auxiliary, sponsor at least 20 high school seniors yearly to the American Legion's Boys and Girls State conference. They also sponsor Boy Scout Troop 159 and the Junior Shooting Sports Program.

Madam Speaker, American Legion Earl Graham Post 159 has had a deep impact in the Brazos Valley since their organization in 1919. Their service to current members of the armed forces, veterans, and youth of the community cannot be overstated.

I have requested that a United States flag be flown over our Nation's Capitol to honor the work and legacy of Earl Graham Post 159 and its members.

As I close today, I urge all Americans to continue praying for our country, for our veterans, for our military men and women who protect us, and for our first responders who keep us safe at home.

REMEMBERING MORGAN NELSON

HON. XOCHITL TORRES SMALL

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Monday, March 11, 2019

Ms. TORRES SMALL of New Mexico. Madam Speaker, I rise today to remember and honor the life of an important and respected member of the southern New Mexico community, Morgan Nelson, who on March 1, 2019 passed away at the age of 99. Morgan

was a champion of water, cotton, and education—issues he fought for as a private citizen and as a Representative in the New Mexico State Legislature, where he served for 12 years. His proudest achievement was the proposal and enactment of the junior-college system for New Mexico. Later in life, Morgan and his wife Joyce established two endowed scholarships, one with the New Mexico State University (NMSU) Foundation and one with the Eastern New Mexico University—Roswell (ENMU—R) Foundation. Morgan served on the Chaves County Community Corrections Advisory Panel and strongly advocated for community based mental health services. He also served as Flood Commissioner for Chaves County for the past 10 years, up until the day he died.

After graduating from New Mexico College of Agriculture and Mechanical Arts (now New Mexico State University), Morgan served in World War II for 5 years in the Middle East and Europe. He later served in Korea, ultimately leaving the service with the rank of Colonel after 20 years with the U.S. Air Force Reserve.

Upon returning to New Mexico after World War II, Morgan joined his family's farms in Cottonwood and East Grand Plains, and he farmed the rest of his life. He was particularly active in promoting cotton, serving over 20 years on the Cotton Incorporated (CI) Board of Directors, becoming president of the 1517 Cotton Association, working as a member of the Board of Directors of the Southwestern Irrigated Cotton Growers (SWIG), and staying active in the NMSU College of Agriculture's cotton research and promotion. Morgan earned the nickname "Mr. Cotton" and was among the first five inductees into the Cotton's Hall of Fame in 2014.

Morgan's family included his wife, Joyce LaSuer Walsh Nelson, who passed away in 2008 after 58 years of marriage. They have three daughters, Margo Eichwald, Ann Houghtaling, and Jane McLaughlin, seven grandchildren and numerous great and great-grandchildren.

Madam Speaker, Morgan Nelson's impact on southern New Mexico and our region cannot be overstated. I ask that my colleagues join me in remembering him for his tireless service and dedication. I join his family, friends and all of New Mexico to honor his legacy and celebrate his life.

UNCF 75TH ANNIVERSARY

HON. ALMA S. ADAMS

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 11, 2019

Ms. ADAMS. Madam Speaker, I rise today in honor of the 75th anniversary of the United Negro College Fund.

UNCF was founded in 1944 by Frederick Douglass Patterson to help increase the number of black Americans enrolled in college.

In honor of UNCF's remarkable achievements, last week I joined with my colleague and Bipartisan HBCU Caucus Co-Chair Representative BRADLEY BYRNE to introduce a resolution honoring UNCF as a strong organization that has a profound mission to build a robust and nationally recognized pipeline of students that will become leaders in our 21st century workforce.

In the past 75 years, UNCF has raised over \$4.8 billion in scholarship aid for students and annually awards scholarships and internships to more than 10,000 students nationwide.

Due to the work of UNCF, more than 445 thousand students have earned college degrees and proven true their old adage of "a mind is a terrible thing to waste—but a wonderful thing to invest in."

Happy anniversary UNCF Here's to another 75 years of proven, effective advocacy.

EXPLANATION REGARDING COSPONSORING A BILL

HON. BRAD SHERMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 11, 2019

Mr. SHERMAN. Madam Speaker, on Wednesday, September 29, 2010 I stated for the RECORD:

"Madam Speaker, I wish to clarify that when I cosponsor a bill, it does not necessarily mean that I agree with every part of it. At a minimum, my cosponsorship indicates that I support moving the bill forward through the legislative process, including being marked up in committee, and if sent to the floor by the relevant committee(s), then subject to consideration and amendment on the floor."

Let me reiterate that 2010 statement and provide additional background.

I believe in the legislative process. I believe bills are improved during committee mark-ups and by consideration of amendments on the floor.

The effect of cosponsoring a bill is to signal to the relevant committee chair(s) that I believe the bill should be marked-up in committee, a process that may well improve the bill (and in some cases may make the bill worse). When I decide to cosponsor a bill after it has completed the committee process, I do signal to the Speaker and Rules Committee that I believe the bill should be considered on the floor, and almost always under an open rule.
