### HONORING RUTH WOLFE JOHNSON

#### HON. GREG PENCE

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 27, 2019*

Mr. PENCE. Madam Speaker, I rise today to honor my friend, Ruth Johnson, who recently passed away at the age of 86 in Columbus, Indiana.

Born in Sullivan County, Ruth was the eighth child of Ora and Ann Wolfe. She attended Indiana State University and then went to work at Shell Oil Company. Ruth met—and later married—Dick Johnson, who had purchased a Shell distributorship in Columbus. Ruth and Dick worked together to grow the Johnson Oil Company.

Ruth played an integral role in the Columbus community and throughout the State of In-

diana. Ruth's extraordinary civic leadership included service through many social organizations including PEO, Harrison Lake Garden Club and the Monday literary club. Ruth actively supported Indiana University and served on the advisory boards for the School of Arts and Sciences and Jacobs School of Music.

Ruth and Dick were part of a small group that cofounded Fairlawn Presbyterian Church in 1961. She and Dick donated property for the Salvation Army to build a support center, sponsored the Johnson Center for Entrepreneurship at I.U., the Johnson Distinguished Guest Artist series at the Columbus Philharmonic, and publication of "The Birds of Indiana" by Bill Zimmerman.

The Pence family knew Ruth for many years and considered her a close friend. Ruth was a generous person who will be remembered fondly and greatly missed.

Ruth is survived by her children, Jenny Johnson of Nashville, Rick Johnson (Alice) of Columbus; two grandchildren, Richard "Ricky" Loomis Johnson III and Ann "Annie" Elizabeth Johnson.

May god rest her soul and bring comfort to her family and friends as we mourn her loss and celebrate her life here on earth.

### RECOGNIZING MASON DAUGHERTY AND ELI SCOTT

#### HON. VAN TAYLOR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 27, 2019*

Mr. TAYLOR. Madam Speaker, I rise today to recognize Mason Daugherty and Eli Scott from McKinney, Texas on winning the 2019 C-SPAN video documentary competition.

Their documentary, "What it Means to be American: Citizen Accountability in Government" highlights how the United States Constitution intended to instill power within the American people and how corruption within our system of government diverts that power away from individuals.

Like these impressive 11th graders from Imagine International Academy of North Texas, I too believe power must rest with the people. Working together, we can bring about real change in Washington.

Madam Speaker, I ask that my colleagues in the House of Representatives join me today in congratulating Mason Daugherty and Eli Scott on their achievement.

#### CODY MAIER

#### HON. ED PERLMUTTER

### INTRODUCTION OF DUI REPORTING ACT OF 2019

#### HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 27, 2019*

Mr. COHEN. Madam Speaker, I rise today in support of the DUI Reporting Act, a bill I introduced today with my colleague, STEVE CHABOT, along with the support of Mothers Against Drunk Driving.

If enacted, this bill would address the loophole in our nation's drunk-driving laws that enables repeat DUI offenders to be charged and tried as first-time offenders because of inconsistent reporting.

Currently, when police make a drunk driving arrest, they don't always have access to information about all of the driver's previous arrests for driving under the influence.

The reason is because not all police departments report DUI arrests to either the National Crime Information Center, or "NCIC" for short, or the Next Generation Identification database, or "NGI," which are the national crime databases that can be made instantly available to police right from their patrol cars.

The consequences of this lack of reporting can prove tragic. Just a few years ago there was a terrible accident in northern Mississippi, just outside of my Congressional District. Two teenagers from Memphis were killed when the car they were driving was struck by a drunk driver who had accrued seven DUI charges since 2008 and had been allowed to plead guilty five times to a first-offense DUI.

When the law enforcement officer ran the suspect's driving record in the national database, his past DUI convictions never showed up.

This is shameful. A DUI somewhere should be recognized as a DUI anywhere. It should not matter where you were caught driving drunk. If you drive drunk, previous offenses should be recorded and penalties should increase so innocent lives can be saved.

The accrual of multiple first-time DUI offenses is unconscionable and must be ended.

Our bill will save lives by enacting common-sense, bipartisan reforms to harmonize reporting standards for DUI offenses across the states.

I urge my colleagues to help pass it quickly.

# INTRODUCTION OF THE SUPPORTING CHILDREN OF THE NATIONAL GUARD AND RESERVE ACT

## HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 27, 2019*

Mr. CORREA. Madam Speaker, according to the U.S. Department of Education, more than 80 percent of military-connected children attend public schools. In 2011, the Government Accountability Office reported that data concerning the academic outcomes of these students was limited. In response, Congress passed the Every Student Succeeds Act, which included the military student identifier to require that public schools identify and report on the academic outcomes of military-connected students.

However, the military student identifier only includes children with a parent who is on active-duty in the Armed Forces. Children whose parents serve in the National Guard or Reserve Components are excluded from the military student identifier unless that parent serves full-time. These children still face unique challenges and stressors as members of the National Guard and Reserves often deploy within their respective state in response to state emergencies, directives, or while in training.

Therefore, the Supporting Children of the National Guard and Reserve Act expands the military student identifier to include children of the National Guard and Reserves.

This simple and straightforward change will provide invaluable data for educators, parents, and policymakers to understand the academic outcomes of all military-connected students.
