I have no doubt that they will continue their myriad contributions to our economy, our government and our community for many more decades to come.

FOURTH ANNUAL WORLD CIVILITY DAY

HON. PETER J. VISCOSKY  
OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 8, 2019

Mr. VISCOSKY. Madam Speaker, it is with great honor and respect that I recognize the Community Civility Counts Initiative as the organization celebrates its fourth annual World Civility Day on April 11, 2019, along with the Gary Chamber of Commerce, the entire community of Northwest Indiana, and beyond. World Civility Day is a day in which we are asked to become aware of our behavior towards others and to become mindful of our thoughts, words, and actions. It is a day to remember that we can be better people in every area of life, and to remember that our actions serve as an example for generations to come. In observance of this special event, a day of civility-themed activities will be held at the Indiana Welcome Center in Hammond, and an awards banquet will follow in the evening at the Avalon Manor in Merrillville.

In 2015, Chuck Hughes, Executive Director of the Gary Chamber of Commerce, and Dr. Gordon E. Bradshaw, Chairman of the Public Policy Committee, worked together through the Gary Chamber to create the Civility Counts Initiative. The organization's mission is to build public awareness of civility and to help transform communities through positive programs and relationships. The Initiative works to raise the consciousness level of individuals and groups of people, as so many of us face incidents of disrespect, intolerance, bullying, or violence. For striving to make a difference in our communities, the organization and its supporters are worthy of the highest praise.

This year, the organization welcomes and honors Dr. Clyde Rivers, President and Founder of IChange Nations. Dr. Rivers is also an Ambassador-at-Large for the Republic of Burundi, Africa. Dr. Rivers plans to incorporate the Community Civility Counts message into his own organization and his work for peace and civility throughout the world. Showing her support for this powerful message, Ms. Melba Moore, Grammy nominee and Tony Award winner, will be performing at the International Awards Dinner. Mr. Michael Turner, saxophonist for the Ohio Players, and Mr. Reginald Thornton, original dancer from the iconic Soul Train television show, will celebrate civility through their performances, as well.

Madam Speaker, I ask you and my other colleagues to join me in honoring and congratulating the Community Civility Counts Initiative and in celebrating World Civility Day. The significance of this movement will have a positive impact on generation after generation. For their influence, passion, and dedication to the community of Northwest Indiana and beyond, the leaders and supporters of the Com-

munity Civility Counts Initiative are to be commended.

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Damian Diaz for receiving the Adams County Mayors and Commissioners Youth Award.

The Youth Award focuses on teenagers who have overcome personal adversity and created positive changes in their lives and their community. It is essential students at all levels strive to make the most of their education and develop a work ethic which will guide them for the rest of their lives.

HONORING MR. RICHARD FIMBRES  
AND MRS. MARY FIMBRES

HON. ANN KIRKPATRICK

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 8, 2019

Mrs. KIRKPATRICK. Madam Speaker, I rise before you today to recognize two special individuals, Mr. Richard Fimbres and Mrs. Mary Fimbres, for their three decades of work and commitment to bettering the lives of local youth. In response to their concerns about the state of education in their community, Richard and Mary Fimbres helped to found the LULAC Youth Leadership Conference, a program that promotes and develops leadership in middle and high school students.

With the cooperation and involvement of local public, private, and charter schools, as well as institutions of higher learning, the LULAC Youth Leadership Conference has become a nationally recognized program that assists students with resources, mentoring, and leadership skills, thereby equipping them with the necessary tools to help them remain in school, graduate, and further their education.

For 29 years, Richard and Mary Fimbres have worked to build and grow the conference, and to date, it has hosted over 118,000 participants. Over the years, these participants have gained invaluable experience thanks to the conference, including attending a Resource Fair where they can discover high-paying careers that will enable them to make a difference by creating the social and technological advancements that will define the fu-

ture of our world. The fair also gives them access to health, educational, and life resources and features a strong public safety component with law enforcement, fire, and medical emergency professionals who display the latest vehicles, technologies and equipment in their fields. Additionally, the fair offers 30 interactive workshops that focus on leadership, health, culture, issues affecting teens, student resources, and technology. Professionals from various fields are present to provide information about community resources and ways to access them, as well as offering information about their career paths. It should also be noted that, thanks to Richard and Mary Fimbres and local school systems, students are provided secure transportation to and from the conference.

The LULAC Youth Leadership Conference has been nationally recognized by former First Ladies Barbara Bush and Hillary Clinton, as well as Louis Caldera, former Secretary of the Army, and Lauro Cavazos, former Secretary of Education. In tandem with the Youth Leadership Conference, Richard and Mary Fimbres also formed the LULAC Educator's Awards and Scholarship Banquet, which honors educators, community leaders, and elected officials for their work on improving the lives of youth and the community, as well as raises funds to go toward educational scholarships.

Mr. and Mrs. Fimbres' standing as community leaders is evident in their commitment and countless hours of work throughout the community over the past three decades. Madam Speaker, I ask you to join me in recognizing these outstanding citizens and exemplary leaders for their work and dedication to improving the lives of our young people.

VIOLENCE AGAINST WOMEN  
REAUTHORIZATION ACT OF 2019

SPEECH OF

HON. DAVID B. MCKINLEY

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 3, 2019

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 1585) to reauthorize the Violence Against Women Act of 1994, and for other purposes:

Mr. MCKINLEY. Mr. Chair, the Violence Against Women Act is an important law that authorizes funding to protect women from violent crimes and supports victims. Let me be clear: the Violence Against Women Act needs to be reauthorized. In 2013, I was proud to vote to reauthorize this legislation. Last fall, I joined a letter urging Speaker Ryan to pass a clean extension of the Violence Against Women Act before it expired. Finally, I will vote to support a clean one-year extension of the Violence Against Women Act.

Unfortunately, my Democratic colleagues let politics stand in the way of funding to help victims of violent crimes. They have included provisions in H.R. 1585, the Violence Against Women Reauthorization Act of 2019, to deny citizens of their constitutional Second Amendment rights without due process. Our requests for a clean reauthorization, without such politicized provisions, have gone unanswered.

Victims of domestic violence and sexual assault deserve better. This is why I opposed

H.R. 1585. Congress needs to work towards a reauthorization of the Violence Against Women Act that removes these poison pills and puts victims before politics.

RECOGNIZING THE 150TH ANNIVERSARY OF WILLOW SPRINGS, MISSOURI

**HON. JASON SMITH**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, April 8, 2019

Mr. SMITH of Missouri. Madam Speaker, I rise today to honor the sesquicentennial birthday of Willow Springs, Missouri. Located in Howell County, Willow Springs sits at the intersections of U.S. Hwy 63 and U.S. Hwy 60, making it the hub of the Ozarks.

On March 29, 1869, the Willow Springs Post Office was established. The post office was located at the general store of Mr. James Harris, a Union veteran of the Civil War. The town remained small until the development of the Kansas City, Fort Scott and Memphis railroads in the 1880s. The railroad stimulated commerce and brought new businesses and people to the area who were interested in taking part in the expansion.

It is my privilege to acknowledge this historic birthday before the United States House of Representatives and to honor the people of Willow Springs, Missouri as they partake in this yearlong celebration.

IN HONOR OF THE WOODLANDS CHRISTIAN ACADEMY 25TH ANNIVERSARY

**HON. KEVIN BRADY**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, April 8, 2019

Mr. BRADY. Madam Speaker, today I rise in celebration of the 25th Anniversary of The Woodlands Christian Academy.

Established in 1993, The Woodlands Christian Academy (TWCA) is one of our community's most impressive academic institutions. A nondenominational college preparatory school located in The Woodlands, Texas, TWCA aims to integrate classroom learning with Biblical faith. TWCA provides programs for over 600 students PreK–12th grade, and pushes them to reach their highest spiritual, academic, and social potential. The caliber of their students is matched only by the quality of their faculty, whose dedicated commitment to teaching has shaped countless students and inspired thousands of young learners.

TWCA has a strong history of preparing its students for success after graduation, with student ACT and SAT scores continuing to rise above the local, state, and national average. Students of TWCA often go on to receive prized competitive scholarships—with an average of \$103,000 per student being awarded in merit-based college scholarships in 2017 alone.

Students at TWCA are notable not only for their academic achievements, but also for their proven ability to be remarkable leaders in their respective industries and communities.

Through service opportunities and educational experiences in and outside of the classroom, TWCA encourages its students to engage in responsible citizenship and critical thinking, and to develop a life-long appreciation for learning. TWCA understands the importance of investing in our students, and therefore investing in our future.

TWCA would not be where it is today without their fearless leader, Julie Ambler. Julie has been a hardworking member of the faculty since 2006, and now serves as Head of School. Under her outstanding leadership and direction, TWCA was named the corporate Hometown Hero of The Woodlands by Interfaith in 2017—a well-deserved award for someone whose vision and guidance has impacted this community so much.

This year, we celebrate TWCA's quarter-of-a-century mark. I thank them for the outstanding impact that the faculty and administration have made on young people of our community, and I am proud to join those across The Woodlands in celebration of their Anniversary. Congratulations on 25 years, I know that the next 25 will be just as successful.

VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2019

SPEECH OF

**HON. JAIME HERRERA BEUTLER**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 3, 2019

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 1585) to reauthorize the Violence Against Women Act of 1994, and for other purposes:

Ms. HERRERA BEUTLER. Mr. Chair, I've been a strong supporter of VAWA, consistent with my vote to advance this important bill to assist victims of domestic abuse. However, H.R. 1585 in its current form is not perfect and I have serious outstanding concerns with the provisions relating to Second Amendment protections. I urge my colleagues to work in a bipartisan effort to address these concerns so
