

stand here today in recognition of Mr. Dan Haifley's accomplished career. I have no doubt that he will continue serving his community and giving a voice to our oceans.

RECOGNIZING THE NATIONAL 4-H  
COUNCIL'S 2019 YOUTH IN ACTION  
AWARD RECIPIENT

**HON. JAMIE RASKIN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 10, 2019*

Mr. RASKIN. Madam Speaker, I rise today to recognize the important work of the National 4-H Council, our country's largest youth development organization, as well as Clyde Van Dyke, the national winner of the 2019 4-H Youth in Action Award. Clyde, who also won the 4-H Youth in Action STEM Pillar Award, was honored at the National 4-H Council's Legacy Awards in Washington, D.C., and is being awarded \$10,000 in scholarships for higher education.

The 4-H Youth in Action Award recognizes Clyde for his resilience and commitment to using technology to spark community change. Clyde faced many challenges during his childhood, including the loss of his mother at a young age. He was further discouraged in elementary school when he was told that most kids with his background "wouldn't succeed." These feelings of defeat led him to put forth little effort in school. Everything changed for Clyde when a friend invited him to a 4-H technology club meeting. Not only did the 4-H program provide Clyde with access and exposure to technology, it also helped him develop important life skills that altered his perspective and boosted his drive to succeed.

4-H empowers nearly 6 million young people like Clyde across the United States through experiences that develop critical life and career skills. Through a network of 110 public universities and more than 3,000 local extension offices, 4-H serves every county and parish in the United States. Globally, 4-H collaborates with independent programs to empower approximately 1 million young people in 50 countries. Young people who take part in the research-backed 4-H experience are four times more likely as their peers to contribute to their communities; twice as likely to make healthier life choices; twice as likely to be civically active; and twice as likely to participate in STEM programs.

I commend 4-H for its ongoing work to educate and engage our young people and I salute Clyde Van Dyke for his exemplary perseverance, civic engagement, and ingenuity.

CONGRESSIONAL TEACHERS  
AWARDS, FL 16

**HON. VERN BUCHANAN**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 10, 2019*

Mr. BUCHANAN. Madam Speaker, I rise today in recognition of outstanding public school teachers in Florida's 16th Congressional District.

I was once told that children are 25 percent of the population, but they are 100 percent of

the future. And it's true. The education of a child is an investment, not only in that student, but in the future of our country.

Therefore, I established the Congressional Teacher Awards to honor educators for their ability to teach and inspire students.

An independent panel has chosen the following teachers from Manatee and Sarasota counties for Florida's 16th District 2019 Congressional Teacher Award for their accomplishments as educators: Marissa Dobbert for her accomplishments as a 7th Grade Math Teacher at Sarasota Military Academy Prep; Elizabeth Harris for her accomplishments as a 3rd, 4th, and 5th Grade Interventionist at Myakka City Elementary School; Chris King for his accomplishments as a 6th-9th Grade Special Education Teacher at Haile Middle School; Kate Kramer for her accomplishments as an Exceptional Student Education Liaison for PK and Autism at Fruitville Elementary School; Kari McMillan for her accomplishments as a Math Teacher at Palmetto High School; Ashlee Middleton for her accomplishments as an 11th and 12th Grade English and Reading Teacher at Sarasota High School; Nancy Miller for her accomplishments as a 3rd Grade Teacher at Ballard Elementary School; Kymberli Rivers for her accomplishments as a Literature and English Teacher at Manatee High School; Maria Underhill for her accomplishments as an 8th Grade Reading Teacher at Braden River Middle School.

On behalf of the people of Florida's 16th District, I congratulate each of these outstanding teachers and offer my sincere appreciation for their service and dedication.

HONORING THE BELLWOOD-ANTIS  
GIRLS' BASKETBALL TEAM ON  
THEIR PIAA CLASS 2A STATE  
CHAMPIONSHIP

**HON. JOHN JOYCE**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 10, 2019*

Mr. JOYCE of Pennsylvania. Madam Speaker, I rise today to honor the Bellwood-Antis High School girls' basketball team who secured their second consecutive PIAA Class 2A state championship with a 66-57 victory over West Middlesex.

The Lady Blue Devils started the game down 0-7, but with the help of Alli Campbell's game high 24 points which included four of the team's extraordinary twelve three-points, they were able to come out on top.

Winning one state championship is no easy task, and winning back-to-back titles is an even more impressive feat. I am incredibly proud of these girls.

Please join me in congratulating the Lady Blue Devils.

RECOGNIZING JEAN BYE

**HON. JIM HAGEDORN**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 10, 2019*

Mr. HAGEDORN. Madam Speaker, I rise today to recognize Jean Bye, President and CEO of Dotson Iron Castings in Mankato, Min-

nesota. Jean began her career with Dotson Iron Castings in the 1970s. With her strong work ethic, commitment to excellence and keen technical knowledge, she advanced in her career and held various management positions. In 2010, she became Dotson's President/CEO; the first woman and non-family member to run this century old manufacturer. Today, over 100 tons of ductile iron castings are melted daily, with 1,500 different metal castings produced for over 150 customers across the world.

In April, Jean was presented with The Manufacturing Institute's Science, Technology, Engineering and Production (STEP) Ahead Award, which recognizes women who have demonstrated excellence and leadership in their careers and serve as role models in inspiring young women to pursue careers in manufacturing.

Jean is known within the metalcasting industry. Since 2011, she has served on the Board of Directors of the American Foundry Society (AFS), the industry's trade association and will be concluding her successful term as AFS President at the end of April. She became the first woman in the association's over 100-year history to be chosen by her peers to serve in this role.

Madam Speaker, please join me today in congratulating Jean Bye on receiving the 2019 STEP Ahead Award and completing her term leading the metalcasting industry trade association. I wish her continued success.

IN HONOR OF KARL B. McMILLEN

**HON. DUNCAN HUNTER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 10, 2019*

Mr. HUNTER. Madam Speaker, I rise today to honor Karl B. McMillen, a Marine, a successful business owner and entrepreneur, and a generous philanthropist. Karl's life can be broken down into 3 distinct parts. The first part was to study hard and get educated. Then came working hard and building a successful business; and now he's giving back.

Karl McMillen was born September 19, 1928, in Miami, Arizona. In 1929, when Karl was just a year old, his family moved to California, seeking relief from the Great Depression. In the years that followed, Karl's father Mac instilled a strong work ethic in his son—through his childhood and teen years, Karl helped Mac with odd jobs, mining and other pursuits.

After graduating from Pasadena Junior College in 1946, Karl joined the Marine Corps. After two years with the Marines he left the service and began work at a plumbing company to earn some money. Seeking to advance his education, in the Fall of 1949, Karl enrolled at the University of New Mexico (UNM). One summer, during a break back home to Pasadena, he met a young woman named Thelma Mastraigh. After a 3 month courtship Karl knew that Thelma was the woman for him, and they married in the fall of 1950. From there, the married couple went back and forth from Southern California and New Mexico for Karl to continue his education at UNM. During breaks, both worked hard to earn a decent living.

Over the next couple years, Karl became a water-softening wizard and started a small

business with his fraternity brother installing lawn sprinklers. He eventually transferred to the University of Southern California (USC) for his junior year in 1952, where he gained the necessary tools to run his plumbing business with the mentality of a businessman. Karl graduated from USC in 1954 with a B.S. in Finance. From there, he worked at Kohler and then created Cobabe Plumbing. By 1964, the company employed 150 journeymen, operated a fleet of 76 trucks, and was performing 7,000 jobs a year in Southern California.

In 1968, Karl started a new plumbing supply business with his friend Ralph Todd called Todd Pipe & Supply. Their winning theory was simple: treat your customers as people. This golden touch playbook led to the small company in Hawthorne, California growing to nine highly-respected facilities in California and Nevada, including San Diego. Karl's success as a businessowner was the result of hard work, honesty, integrity, and respect for others. Karl served as Co-Founder and Chairman of the company before he sold it in 2004. It still successfully operates in Los Angeles, Riverside, Orange, and San Diego Counties.

Karl's amazing story of business success is counterbalanced by the emotional deaths of his first wife to alcohol and cancer, and both his sons who lost both of their lives to substance abuse. Karl, too, has struggled with alcoholism and proudly has over 20 years sobriety today.

When Karl retired from the plumbing industry, he knew he was not done making an impact. Karl's golden touch playbook continued and his persistency to help others made an even greater turn. More determined than ever in his war against addiction, Karl established the Thelma McMillen Center for Alcohol and Drug Treatment, named in memory of his late wife, at Torrance Memorial Medical Center. His gift to the hospital greatly expanded their existing program, including the creation of a teen outpatient program, which was important to him after what happened to his sons.

Karl and his new wife Carol also started the McMillen Family Foundation. The foundation made an immediate impact in the Southern California community and the fight against substance abuse. To date the foundation has helped over 60 organizations and has donated millions of dollars. Organizations that have benefited include the Thelma McMillen Center at Torrance Memorial Medical Center, the House of Hope, Pathways to Independence, the Friendly House, the Beacon House, 1st Step, Lynn House, the Shawl House and 2 Alano Clubs.

Karl has seen to it the foundation will go on in perpetuity, by giving 20 percent of all profits from his existing business as well as all his current assets to the foundation upon his death.

Karl's persistency to help his family, employees, customers, and those in need highlight his courage and dedication in changing lives for the better. Karl is no regular guy. He's a champion of Southern California and who we are as Californians.

HONORING AMERICAN LEGION  
NEW JERSEY COMMANDER RAY  
MILLER

### HON. CHRISTOPHER H. SMITH

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 10, 2019

Mr. SMITH of New Jersey. Madam Speaker, Raymond A. Miller, of Ocean County, N.J. is a dedicated, decorated American hero who has served our country in wartime and peace.

Ray donned the uniform first as a member of the U.S. Air Force to serve and protect his country. After success in the military, Ray put on a different uniform that was no less important—serving and protecting the citizens of New Jersey during a long and distinguished career in law enforcement, all-the-while and even to this very day, never forgetting his fellow veterans.

Born in Jersey City and raised in Trenton, N.J., Ray went on to join the Air Force in 1963, completing both basic training and Air Police School as part of four years of active duty in Germany, as well as two years in the reserves. He entered the State Police Academy in 1969, and after 30 years as a New Jersey State Trooper, he retired as a lieutenant. Ray continues to work for the NJ State Police as a part-time background investigator of applicants to law enforcement.

Ray married his loving wife Laurinda in 1971, and together they raised two wonderful daughters, Kimberley and Natalie in Manchester Township, N.J. in my district. Laurinda has served the Unit 129 Auxiliary for 28 years and is the current president of the Ocean County American Legion Auxiliary. Ray and Laurinda have four grandchildren: Kailee Lynn, Kyle, MacKenzie and Brooke. Today Ray and Laurinda live in Island Heights, Ocean County, N.J.

As a trooper Ray was decorated for valor twice: first for helping apprehend a murderer who killed two police officers and permanently maimed another in Mount Holly, N.J., and later for selflessly and courageously saving a Westfield police officer who was being assaulted by two escaped murderers.

A dedicated Airman and trooper, Ray's service was complemented by his tireless efforts to aid his fellow veterans—the core of the mission of the American Legion.

I have known Ray Miller for a long time. He is a friend. One of our many, many meetings was last year at the New Jersey American Legion's Centennial Gala in Point Pleasant, N.J., where we kicked off the celebration of the successful and awesome history of the Legion.

This coming September 16, 2019 will mark the 100th anniversary since Congress passed the Charter for the American Legion.

It has been a good 100 years for the Legion, and Ray has the honor of leading legionnaires in the State of New Jersey during this special century anniversary.

Since its founding, the American Legion has become the largest wartime veterans' organization, counting nearly two million members across the U.S.A. with more than 12,000 posts. Established by an act of Congress, the Legion—with leaders like Ray and his predecessors at the helm locally, statewide and nationally—was instrumental in getting the original GI Bill through Congress and the creation of the Department of Veterans Affairs, today known as the Veterans Administration.

A nonpartisan, not-for-profit organization with legendary leadership and strong organizational structure built on its grass-roots involvement in the legislative process, every member in the House and Senate seeks the advice of the American Legion, which always, always has the interest of veterans and their families at heart.

As the former chairman of the House Veterans' Committee, I can attest to the influence, commitment and hard work of the American Legion. Its leaders like Ray Miller were indispensable when I wrote such laws as the Homeless Veterans Comprehensive Assistance Act (P.L. 107-95), and the Veterans Education and Benefits Expansion Act (P.L. 107-103)—i.e. the GI Bill expansion—just to name a few.

Before taking the reins of the American Legion Department of New Jersey last year as the State Commander, Ray served various positions at his hometown post, Post 129 in Island Heights, including twice as Post Commander.

Last year, the American Legion began celebrating 100 years since it first gathered on the Jersey Shore so many years ago. Representatives from chapters all across the state have held the American Legion Convention at Wildwoods Convention Center since 1918.

To honor the upcoming centennial milestone, local and state legionnaires buried a time capsule in Wildwood, NJ in front of American Legion Post 184 last June. Since 1918, the American Legion has held its annual convention in Wildwood.

The Cape May County Herald reported the capsule, filled with 100 years of historical items from different posts and counties within the Garden State, will remain buried for 25 years. On June 8, 2043, it will be unearthed by Ray's grandchildren.

Across my District, across the great State of New Jersey, and across this great nation, the traditions and legacy of the Legion have become a legacy of wholesome Americana: American Legion baseball, Boys State, Troop and Family Support, educational scholarships, and many other activities sponsored by the Legion.

This Saturday, his fellow veterans, friends and family, will honor Ray for a lifetime of service that continues today. And, 25 years from now, Ray's grandchildren will unearth the memories and history of the New Jersey American Legion—a history that is replete with the outstanding contributions and leadership of American Legionnaire Ray Miller.

I thank Ray, and may God bless him and his family and all servicemember and veterans.

### RELEASE OF SECOND DAY OF JAMES BAKER TRANSCRIPT

### HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 10, 2019

Mr. COLLINS of Georgia. Madam Speaker, I have released several transcripts of interviews from the Judiciary Committee's investigation into the apparent wrongdoing at the FBI and Justice Department. Today, I am releasing another.

The American people deserve transparency. They deserve to know what transpired in the
